Subject:	liquor license petition

Message:	Dear Alderperson , I am writing concerning the petition to exceed the liquor license quota for which an application is under review by the West Allis Health and License committee under the application 2019-2020 Combination Class A Liquor application, of Spring West, LLC, Satwinder Singh, Agent, d/b/a Pantry 41 105, for the premises located at 10537 W. Greenfield Ave. (new-non-existing location). The City already has enough licenses and there is no need for more outlets to sell Combination Class A Liquor. It is business wise detrimental to already existing Class A Liquor stores if the City is now going to consider issuing Combination Class A licenses to gas stations. It is also not going to help the crime rate and other social and economic problems if the City allows selling Combination Class A Liquor through the gas stations. I am therefore asking that you vote against the new-non-existing Class A Liquor license and the petition to exceed the quota. Please let me know if you have additional questions.
