Gina,
I was looking at some of my notes and thought the Paulies item was worth noting (if you need the notes for minutes). Also, it explains why Paulies hasn't signed the SUP resolution yet… still a work in progress.

1. Paulies Pub item #56 on 9-7-21 agenda Agenda (7).pdf - S&D placed it on file during recess on 9-7-21, but then on the Council floor Ald Weigel made a motion "to postpone to 9-21-21 meeting." The motion was seconded and thereby postponed with unanimous consensus.

2. On 9-21-21 the S&D - The S&D Committee decided to postpone to a future meeting which would give Paul Budiac and his attorney time to formulate a plan that will also be acceptable with the L&H Committee. Come back to Council in December at soonest.
