Subject:	BUG N OUT LOUNGE B class Liquor License
Message:	To whom it may concern: The recent shooting and death of 12 year old, and shooting of 17

year old on premises because Minor birthday party. Therefore, I do understand allegedly the minor party was not in bar area Bug N Out lounge that hold B class license it was in building which Amy Elizabeth Thompson hold B class liquor license (ALC-22-26), which birthday for Minors does not seem appropriate for a business with B Class liquor license. Moreover, shooting that result in injury one and death of another minor children on premises pose risk to children In attendance and person's in the nieghorhood.

I believe Bug N Out Lounge pose a real threat to the neighborhood safety dues poor judgment of owners, and lack qualified security on premises. Therefore I believe that B class liquor license ALC-22-26 should be revoked or not renewed by I believe Public Safety committee responsible Business licenses issued by Health Department.

I not sure if already be held in the beginning of the month or will set be held in the future. I do understand there is Police investigation for murder of the 12 year child and injury to 17 year child. I believe revoking or not renewing Amy Elizabeth Thompson B class liquor license ALC-22-26 is necessary precaution nieghorhood safety and message nieghorhood standard.

I been a silent member of this community and nieghorhood for 8 year. However, the recent event force myself to speak out and remain vigilant over safety risk Bug N Out Lounge poses the nieghorhood and the community of City of West Allis

Sincerely.
