Dear Mr. KC,

On Tuesday, January 11, 2022 and License & Health Committee made a recommendation to the Common Council to deny your request for a Class A Beer License for the property located at 7920 W. National Avenue.

Pursuant to Wis. Stat. 125.12(3m), "If a municipal governing body or duly authorized committee of a city council decides not to issue a new license under this chapter, it shall notify the applicant for the new license of the decision not to issue the license. The notice shall be in writing and state the reasons for the decision."

**Committee Action:**

A motion to deny was made by Alderperson Roadt due to the location of the property, the principal business of a gas station, and the concentration of other alcohol outlets in the area. The motion was seconded by Alderperson Stefanski. This motion to deny carried 3-1.

**Council Action:**

A motion to deny was made by License & Health Committee for reasons stated. This motion to deny carried 5-4.

Also, I submitted a refund request for the \$200 license fee you paid. You should receive that in about four weeks. Please let me know if you have any questions.
