CITY OF WEST ALLIS
CLERK/TREASURER

Alderman Narlock,

Per our conversation regarding the installation of stop signs at the intersection of S 96th street and W Mitchell St., I have circulated these petitions in the neighborhoods surrounding Reservoir Park. This was done over several weekends in October. I was able to gain 35 yes signatures with 2 residents opposing the signs and 8 no contacts. Many of the people that I spoke with were very supportive of this project for the safety of both the neighbors and visitors to the park and surrounding areas. If I can be of any other assistance to you in this matter please contact me at home or work.

Thank-you again
