RE: Ordinance to amend section 19.01, the Official West Allis Zoning Map, for certain properties along the W. Beloit Rd. corridor in alignment with the 2040 Comprehensive Plan

Dear property owner,

This letter is an invitation to attend the public hearing regarding rezoning properties along the Beloit Rd corridor. Your property has been identified as a potential candidate for rezoning by the City of West Allis Common Council.

Most proposed rezonings will change a property's zoning from "split" (ex: C-2 commercial and RB residential) to the most appropriate district of the two. Properties directly along Beloit Rd will typically be adjusted to solely a commercial district while properties that are not directly along Beloit Rd will typically be adjusted to a residential-only district.

The proposed zoning changes are intended to:

1. Eliminate split zoning (where a single property is in multiple zoning districts) to avoid confusion
2. Align the corridor's zoning with the 2040 Comprehensive Plan and Future Land Use Map
3. Encourage more organized and consistent development
4. Guide future development towards the City's vision of a vibrant, active, commercial and residential mixed-use corridor

What this means for you

Zoning districts determine what uses are allowed and how a given property can be built upon. In most cases, rezoned properties will be unaffected. If rezoned, any existing uses will be allowed to continue to operate. Rezoning may impact what a property can be used for in the future and how new structures on the property can be built.
