NOW, THEREFORE, in consideration of the terms and provisions set forth herein and other good and valuable consideration, the receipt and sufficiency of which are acknowledge, IT IS AGREED:

1. **Easement.** Grantor hereby grants and conveys to Grantee, its successors and assigns, a perpetual non-exclusive easement (the "Access Easement") over, across and upon the Easement Area for the purpose of providing vehicular access to and from the Sub-Station Land to and from 60th Street for the purpose of Grantee maintaining, repairing, rebuilding and operating the Grantee Facilities.

2. **Use of Easement Area.** Grantee shall use the Access Easement solely for the purposes of accessing the Sub-Station Land to maintain, repair, rebuild and operate the Grantee Facilities and for no other purpose. Grantor reserves the right to grant to third parties additional easements affecting the Easement Area without the consent of Grantee. Grantor reserves the right to make any improvements to the Easement Area or the Grantor Property as Grantor desires provided that such improvements shall not prevent access to and from 60th Street and the Sub-Station Land via the Easement Area. If, due to the construction of any improvements to the Grantor Property, the location of the Easement Area needs to be altered, Grantor and Grantee shall work in good faith to modify this Agreement to reflect the location of the new Easement Area.

3. **Maintenance.** Grantee shall be responsible for all costs relating to repairing to any improvements located from time to time on the Grantor Property to the extent such costs arise due to the use of the Easement Area by Grantee. Grantor shall be solely responsible for the removal of snow and ice from the Easement Area.

5. **Liability.** Grantee agrees to save Grantor harmless and indemnify Owner (with legal counsel selected by Grantee and reasonably acceptable to Grantor) from and against any and all claims, demands, costs (including reasonable attorneys' fees), expense, causes of action or obligations, whatsoever, that may or shall arise in connection with the Grantee's use of the Easement Area or its activities on the Sub-Station Land of the Grantor Property except those claims resulting from the negligence of officers, employees or agents of Grantor for whom Grantor is legally responsible. Grantee shall have thirty (30) days from the date of receipt of such notice to correct the defective conditions and to perform its obligations as required by this Agreement. In the case of non-compliance, Grantor shall have the right, but not the obligation, to perform such obligations with all costs incurred by Grantor in the performance of such obligations being paid by Grantee.

7. **Nature of Easement.** This Agreement and the terms and provisions hereof shall be binding upon the Grantor and Grantee, and their permitted successors and assigns and shall be covenants running with the land.

8. **Amendment.** This Agreement shall not be modified or amended except by written notification, executed and delivered by each of the parties hereto.

9. **Invalidity.** If any term or condition of this Agreement, or the application of this Agreement to any person or circumstance, shall be deemed invalid or unenforceable, the remainder of this Agreement, or the application of the term or condition to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each term and condition shall be valid and enforceable to the fullest extent permitted by law.

10. **Waiver.** No delay or omission by any party in exercising any right or power arising out of any default under any of the terms or conditions of this Agreement shall be construed to be a waiver of the right or power. A waiver by a party of any of the obligations of the other party shall not be construed to be a waiver of any breach of any other terms or conditions of this Agreement.

11. **Enforcement.** Enforcement of this Agreement may be by proceedings at law or in equity against any person or persons violating or attempting or threatening to violate any term or condition in this Agreement, either to restrain or prevent the violation or to obtain any other relief. If a suit is brought to enforce this Agreement, the prevailing party shall be entitled to recover its costs and expenses, including reasonable attorney fees, from the nonprevailing party.
