Please note:

Because of the new emissions on trucks, Universal Truck Equipment will not be held responsible for major modifications or relocation of the exhaust. The truck should be ordered to accommodate the equipment you a putting on the truck, Universal Truck Equipment should not be held responsible for major modifications or the relocation of air tanks, battery boxes, exhaust and/or fuel tanks. Each truck mfg./salesman has different ways setting up patrol trucks, it is important to get things in the right location. Because we are not directly involved ordering the truck we have know way of knowing what kind of modifications or relocations need to be done, if (unless we are aware of it before the equipment is bided). Most of the time the trucks can be ordered to elimin minimize the modifying or relocating of the standard truck exhaust, battery boxes, air tanks and/or fuel tanks.
