As a full service contractor, the rate quoted is a fully loaded rate, meaning all of our costs are included in the proposed billing rate. This would include but be not limited to; recruitment, background clearance, training, equipment, insurance, supervision and management of the **City of West Allis, WI** Crossing Guard Program.

Guard wages are \$11.50 per hour. Local field supervision and substitute guards are also included in the rate, as are all other costs except as noted below.
