An Ordinance to Create Sections 18.10 and 18.11 of the City of West Allis Revised Municipal Code Relating to Registration of Residential Properties Pending Foreclosure and Registration of Residential Mortgage Loans in Default.

The Common Council of the City of West Allis do ordain as follows:

PART I. Section 18.10 of the Revised Municipal Code of the City of West Allis is hereby created to read:

## 18.10 Registration of Residential Properties Pending Foreclosure.

(1) Findings. The Common Council finds that a significant relationship exists among residential properties in the foreclosure process, the prevalence of blight and abandoned buildings, increased calls for police service, higher incidence of fires, both accidental and intentional, and decline and disinvestment in neighborhoods. Residential property owners involved in foreclosure have less incentive to maintain their properties, and properties in foreclosure have a higher incidence of building code violations than properties not in foreclosure. The foreclosure process may also result in abandonment. Abandoned buildings become havens for vandalism, arson and drug crimes, draining valuable governmental resources and creating a significant reduction in quality of life for the surrounding neighborhood. Registration, inspection and aggressive monitoring of residential properties in the foreclosure process help to stabilize and improve affected neighborhoods and aid in code enforcement efforts, as well as public safety. A mortgagee that does not register, inspect, secure, and maintain, as required in this section, places an undue and inappropriate burden on the taxpayers of the City and poses an increased risk to public health, safety and welfare.

(2) Purpose and Scope. The purpose of this section is to establish a registration program to monitor residential properties pending foreclosure to identify at-risk properties and to regulate the securing and maintenance of abandoned residential properties in foreclosure. This section is intended to reduce and prevent neighborhood blight; to ameliorate conditions that threaten public health, safety and welfare; to promote neighborhood stability and residential occupancy by preserving the condition and appearance of residential properties; and to maintain residential property values and assessments. It is declared a matter of public policy and an exercise of the City's police power that mortgagees initiating foreclosure proceedings against a residential property are required to register with the City of West Allis. This registration process will give City departments the means of contacting those responsible for the foreclosure proceedings and mortgages at issue, those responsible for the inspections required in this section, and those responsible for the securing and maintenance of abandoned property as required in this section. The purpose of the registration fee is to partially recover administrative costs associated with this registry. Nothing in this section shall be construed as waiving, relieving, or otherwise excusing

an owner of residential property from complying with applicable building codes and ordinances. The owner shall at all times comply with applicable building codes and ordinances, and the owner shall at all times remain responsible and liable therefor. Nothing in this section is intended to affect the right to foreclose as provided by state law.

(3) Definitions. In this section:

(a) "Abandoned property" means a residential property that is vacant as a result of the relinquishment of occupancy, possession or control by a mortgagor and those claiming by, through or under the mortgagor, including tenants, whether or not the mortgagor relinquished equity and title. If inspection of the residential property required under subsection (7) shows the property is abandoned, or if the mortgagee or agent otherwise becomes aware of abandonment, the mortgagee or agent shall file notification of the abandoned property within 5 business days on a form or by an electronic process prescribed by the Director that includes a description of the external condition of the property and whether there is an accessible structure on the property. PART II. Section 18.11 of the Revised Municipal Code of the City of West Allis is hereby created to read:

### 18.11 Registration of Residential Mortgage Loans in Default.

(1) Findings. The Common Council recognizes the findings in Section 18.10(1), and further finds that a significant relationship exists among mortgage loan defaults, blighted properties, and decline and disinvestment in neighborhoods. Residential property owners in default under mortgage loans face financial difficulty, may face foreclosure or collection proceedings, and may struggle to remain in ownership or to maintain or repair their properties, leading to code violations and public health, safety, and welfare concerns. Without the registration requirement of this section, mortgagees and agents might not provide address-specific default information. Registration of properties in mortgage loan default may help connect borrowers to beneficial information, programs, and resources, including those provided by nonprofit organizations and other third-party providers, such as credit counseling and information about foreclosure avoidance, loan modification, forbearance, repayment plans, and refinancing possibilities. Registration may also identify properties at risk of disinvestment and decline, future foreclosure, and possible abandonment.

(2) Purpose and Scope. The purpose of this section is to establish a registration program to identify residential properties and owners at risk for foreclosure, risk of being non-code-compliant, or risk of or in abandonment; to identify properties experiencing disinvestment or lack of maintenance and repair; and to provide opportunities for connecting owners to beneficial information, programs, and resources. This section is intended to promote and retain home ownership and occupancy, to reduce blight and disinvestment, and to maintain residential property values and assessments. It is declared a matter of public policy and an exercise of the City's police power that a mortgagee who has sent a notice of default to a mortgagor regarding a mortgage loan against a residential property is required to register with the City of West Allis, periodically inspect the property, and report abandonment. The purpose of the registration fee is to partially recover administrative costs associated with this registry. Nothing in this section shall be construed as waiving, relieving, or otherwise excusing an owner of residential property from complying with applicable building code or other code provisions, and the owner shall at all times remain responsible and liable therefor. Nothing in this section is intended to affect the right to foreclose on a property as provided by state law or the duty of a mortgagee or agent to preserve and protect property under 24 CFR 203.377, and the rules, regulations and other requirements published by the Federal Housing Administration (FHA) of the U.S. Department of Housing and Urban Development for the preservation and protection of single-family residential properties secured by FHA loans, as those requirements may be amended by FHA mortgagee letters or otherwise, and as applied by the FHA to the state of Wisconsin, including guidelines related to winterization and heating systems.
