Investigation of accident at 1971 S. 70<sup>th</sup> St on January 18<sup>th</sup> 2020 with truck 707 plowing snow

Disposition:

On January 18<sup>th</sup> 2020 at about 11:45 am we received a phone call from The West Allis Police Department reporting that a citizen called them to report damage to their vehicle from a plow truck. I went to the house and observed dual tire tracks close to the vehicle. The photos are not that good but you can tell the tires are too close to the car. I saw that the mirror was damaged and there was a scratch on the driver door that would be consistent with where the tire tracks were. We called the driver in the area, Andy Mueller and his tracks matched the tracks that were close to the car. I concluded along with the Police Officer that The City of West Allis truck did the damage to the vehicle.
