CITY OF WEST ALLIS
CITY CLERK

Supplemental Questionnaire

(for multiple applications for "Class B" Liquor License(s) available under quota)

The City Clerk shall require each applicant to complete a supplemental questionnaire regarding the benefits/impacts of such proposed licensed establishment. Such supplemental questionnaire shall seek information from the applicant as to the following:

1. Number of jobs to be created should the license be granted to the applicant? 3-5 initially, more as business grows.
2. a. Scope of any improvements the applicant intends to make to the location sought to be licensed?
In the past 6 months we have invested a lot of capital into our building property (including patio) in order to take our business to the next level. Obtaining this license is a key part of successfully completing this mission.
b. Cost of such improvements? \$ 150,000 - Already Completed.
3. a. Size of premise for which license is sought? 1800 sq. ft. inside 800 sq. ft. patio area.
b. Proposed seating capacity of such premise. 90 inside +/- 60 outside
4. a. Certainty of such venture? 100%
b. Expected opening date? Already operating w/ Food, Beer, and Wine Licenses.
5. a. Potential negative impacts on the neighborhood adding mixed drinks to our menu will grow our business resulting in some additional street parking.
b. How those potential negative impacts will be addressed/ameliorated? We are working with a neighboring church to allow employee parking during high volume times which will free up space in our lot.
6. Potential policing costs? Nothing additional.
7. What type of business and clientele the establishment intends to cater to? Open to all age ranges, including families with children.

Determination as to which application the Common Council determines shall provide the most economic benefit to the city.
