I am filing for amount of \$991.00. for items that should have been returned to me, the owner of a firearm. Item was destroyed by west allis police. I was not given the 30days notice. items were filed with west allis police as being stolen. iitems were recovered during a traffic stop. from my understanding, the person who received notice of items being destroyed was the person who got caught with the stolen items. not me, the owner. I had went to court for recovery of iitems which the should have received but items were listed as being destroyed. court case number is 2017cf005648.
