Notes and Assumptions

If applicable, sales tax and freight will be added at time of invoice.

Actual lead time to be provided at time of order.

Badger Meter provides certification files to help manage meter and endpoint inventory and to maintain meter accuracy data. The standard method of delivery for this format is via electronic mail. Any deviations from our standard format, or any custom file formats, will be considered on a time and material basis. Please contact your Account Manager if you require more information.

Thank you for your business!

This quotation is an offer made subject to the terms & conditions found on our website: www.badgermeter.com/Company/Legal/Sales-Terms.aspx
 Quoted prices are firm for acceptance, via an order, within the effective dates provided, shipping within 60 calendar days past the expiration of this quotation.

Badger Meter continues to improve and redesign our products to provide our customers with state-of-the-art technology solutions. Therefore, Badger Meter reserves the right to provide our newest product solutions as an alternative to the proposed products, provided the replacement products meet the following requirements: are substantially similar to and are at least of equal quality and performance to, are in conformance with the requirements in the applicable specifications, meet the actual needs or are otherwise suitable for the intended use, and are priced at an amount that does not exceed the price of the quoted products.

If you would like to place an order, please contact your Customer Service Rep BEACONorders@badgermeter.com , .
If you have questions, please contact your Account Manager JENNIFER BUETOW,
