RE: Business name change

To Whom it May Concern:

I just wanted to notify you of the name change of our tavern at 7731 W Becher Street. The operating name is now Quenchers.

As you know, in the past, we have experienced a few problems at this establishment, so in order to change the path of this business, we have changed the name and hired a manager. We take any problems at our establishments very seriously and try hard to run clean, safe businesses. In order to change, we needed to change some of our clientele, therefore, we think changing the name and having full time manager with experience, will remedy this.

If you have any questions, please feel free to contact myself or our new manager at Quenchers at any time. Manager, Dave Burback (414) 331-3129

Thank You.

Sincerely,

A handwritten signature in black ink, appearing to read "John Bliwer", written over a horizontal line.
