Hi Ann,

This was sent on Nov 5th to a different email address than my city one, and I hadn't checked it in a couple of days. Not sure - is it too late for the record? Technically I received it in time (to the infrequently used email address).

Hope you are well,  
~Mike

#### How can I help you?

Please add my name to the list of people who are notified about public meeting regarding the Cement plant. I have severe asthma and don't need any more dust flying through the neighborhood. I am

strongly opposed to the plant. If there are yard signs available, I would like one.

Thank you !
