Re: 2nd Quarter Funding for Educational Access

Date: 9/1/09

The school video clubs continue to produce programs for playback on channel 13. The District Channel has also produce special programs called "A Window Into Our Schools". The most recent episodes profiled the Intermediate and High Schools in the West Allis - West Milwaukee School District.

Channel 13 videotaped and replayed the graduation ceremonies at Central and Hale High Schools. These were shown throughout the summer months.

They are in the planning stages for producing all home games for Central and Hale varsity football games along with other athletic events.

It is staff's recommendation to continue the funding for the educational access channel operations.

Respectfully submitted,

Jerry Musial
