Incident Location:

Incident Date:

14-010707

1905 S 59 St;WA, West Allis, WI, 53219

11/30/2014

The neighbor at 1909 S. 59th St., Susan M. Buchanan, F/W, 8/22/54, exited her residence and said she had seen the cars leave, and also heard the gun shot. I quickly spoke with Susan about the incident.

**STATEMENT OF SUSAN BUCHANAN-WITNESS**

Susan said she saw a black SUV and a purple Dodge Stratus flee the area southbound after the gun shot was fired. Susan said the man driving the Dodge Stratus was friends with Dylan J. Gilbert, M/W, 9/28/95, who resides at 1905 S. 59th St. Susan said the man driving the Stratus is a black male and lives near the gas station near 60th/Beloit. The black male was later identified as James D. Jones, M/B, 8/28/93.

For Susan's full statement see Officer A. Cerqua's supplemental report.

**OFFICER ACTIONS**

I advised responding squads that one of the involved cars may have been a purple Dodge Stratus driven by a black male. Officer A. Cerqua advised me she observed a vehicle matching that description driving westbound on Beloit Rd. Officers conducted a high risk stop on that car, a 2002 Dodge Neon, WI reg 452-KPR, but determined it was not involved.

Officer Iskandarani and I made contact with the residents at 1905 S. 59th St. Jeffery J. Gilbert, M/W, 9/24/70, advised officers his son Dylan was assaulted by his cousins, Matthew A. Zepeda, M/W, 12/28/92, and Jesse J. Gilbert, M/W, unknown DOB. I spoke with Dylan while Officer Iskandarani spoke with Jeffery.

**STATEMENT OF DYLAN GILBERT-VICTIM**

Dylan said he went over to Matthew's house at 2104 W. Lincoln ave, in Milwaukee to watch the Packer game around 1500hrs. They were all drinking alcohol at Matthew's house until about 2000hrs when Dylan, Matthew, and Jesse went to Fiddler's Green Bar at 6108 W. Burnham St. Dylan said he told the bartender he was 19, but that he was with Matthew.

Dylan said the bartender allowed Dylan to drink at the bar and the three of them total had six shots of alcohol and 30 beers since 1500hrs. Dylan said the three of them were at Fiddler's about an hour and a half. Dylan asked Matthew to take Dylan home. Prior to leaving the bar, Dylan said he texted his mother, Michelle L. Mish, F/W, 9/15/72, and his friend James Jones to meet him at his house because Dylan did not feel safe. Dylan said he began to argue with Matthew and Jesse at the bar, and did not feel safe because Matthew and Jesse are Spanish Gangster Disciples.

Jesse drove them to Dylan's house in Matthew's Mercury Mountaineer. Dylan said his mother and James were already outside the residence. Matthew and Jesse exited the

SUV, opened the door, and pulled Dylan out of the SUV and to the ground. Matthew grabbed a glass beer mug and broke in on the ground near the car. Dylan said Jesse and Matthew each punched Dylan about five times each in the face/head causing cuts/bruises. Dylan said he did not know why Matthew and Jesse attacked him.

James came over and pulled Matthew and Jesse away from Dylan. James told Dylan to go inside his residence. Dylan said as he was walking up the front steps, he heard two gunshots. That is when his mother and father pulled him into the house and told him to go to his room. Dylan said he did not actually see who fired the gun shots, but believed it was Matthew because Matthew had a gun at the bar. Dylan said James has a concealed carry permit, but did not think James had a gun on him.

Dylan said his friend James (Dylan did not know his last name) lived one house to the east of the Citgo gas station near 60th/Beloit Rd. Officers were able to determine James' residence was at 5914 W. Beloit rd. #1.

Dylan said Matthew has two 9mm handguns, and one 12 gauge shotgun at home. Dylan said he was intoxicated and knew he should not have been drinking alcohol because he is only 19. Dylan also said he did not want to pursue charges against Matthew or Jesse for attacking him.

**OFFICER ACTIONS/OBSERVATIONS**

I observed a small cut near the hairline of Dylan's forehead, and a small lump/bruising on the side of his head near his left eye. Dylan also had a bloodied cut near his right ring finger/knuckle. After speaking with Officer Iskandarani, Dylan's statement was not completely consistent with his sober father, Jeffery Gilbert.

After getting Dylan's initial statement, he said he would no longer answer questions until he received his phone. At this point, Dylan did not know where his phone was, and believed it was outside on the ground. The phone was later located inside the house.

Based on the information given by Jeffery Gilbert, I located one 9mm casing next to the sidewalk in front of a car parked in front of 1905 S. 59<sup>th</sup> st. I advised Officer Vanden Boorgard so it could be photographed. After it was photographed, I recovered the casing and turned it over to Officer Vanden Boogard.

Officer Schneider placed the SUV on property. She her supplemental report for further details.

**ATTEMPTED CONTACT AT MATTHEW'S RESIDENCE**

Officers attempted to make contact with the lower and upper parts of the duplex. There were lights on in the upper unit where Matthew lives, but no answer at either door. As the vehicle was being towed, Officer Otto advised me that lights had turned on in the upper, but no one came outside. Officers were unable to make contact with Matthew or Jesse.

**CASE DISPOSITION**

James was taken into custody without incident for investigative purposes. MPD located the SUV in front of Matthew's residence, and it was towed to WAPD. Case to be forwarded to the detective bureau for further follow up.

**NARRATIVE**

Officer Vanden Boogard reports...

**WITNESS STATEMENT**

I spoke to a neighbor who lives at 1909 S. 59 St., Megan R. Buchanan, F/W 07/30/90, who was home during the time of the incident. Buchanan was inside her residence when she heard men yelling at one another out on the street in front of her house. Buchanan walked outside and observed four unknown male parties standing near a black SUV that was parked outside of her residence. The men were arguing with one another when one of the parties, who was wearing a Packer ball cap, punched another party in the head. All four parties starting physically fighting and Buchanan went back inside her residence and called 911.

She was on the phone inside the residence when she heard one unknown male party scream loudly and then heard one gun shot shortly after. She did not leave her residence to observe who fired the gun and did not observe where the parties went after the gun shot.

**PHOTOGRAPHS**

I took the following photographs with department issued Canon Power Shot A1400 Digital Camera using media card #16-2. I stored the media card in the Forensic and Technical Services Bureau in a sealed envelope. Below is the photo log:

<b>NARRATIVE</b>			
Sergeant Borree reports...			
<b>INITIAL CALL</b>			
On 11/30/14 at approximately 9:15pm, I responded to a weapons call in the area of 1905 S. 59 St. I arrived on the scene and assisted Officers with a witness statement, scene photographs, and recovering a firearm.			
<b>WITNESS STATEMENT (James A. Ouimet)</b>			
James Ouimet lives at 1907 S. 59th St. which is an upper flat. James stated he heard a "commotion" outside that sounded like a fight. He went down his front staircase and looked down at the street through the blinds of his closed door. He observed what he believed to be four to five males engaged in a physical confrontation. At least two males were fighting between the sidewalk and street near the passenger side of James' SUV which was parked in front of his residence.			
At one point, James observed two white males inside of an SUV facing southbound on 59th St. in front of his house. A black male was near the front of the SUV and was holding an object in his right hand. At first, James believed the object was pepper spray, but then he heard the black male yell "I've got a gun." James observed the black male point the firearm at the front of the SUV and fire one round. It appeared that the firearm was pointed at the windshield of the SUV.			
As soon as the firearm was fired, James got down and took cover for fear of being shot. He did not see where any of the subjects involved went, but knows that the SUV with the two white males left the area southbound. James stated he did not recognize any of the subjects involved in this incident, and would probably not be able to identify any of them in the future.

Officer Mussatti reports...

**STATEMENT OF MICHELLE L. MISH - WITNESS**

I spoke to Michelle L. Mish, F/W 09/15/72, who said she observed most of the incident. She said the main people involved were Dylan (her son), who was being assaulted by his cousins, "Matthew" and "Jesse".

Mish said it first started while she was doing homework in the dining room. Her boyfriend, Jeffery, heard something outside, and went to the window to see what was going on. Mish followed him to also see what was happening. Jeffery looked out the window and he immediately ran outside. Mish followed to the front door, and she saw Dylan arguing with Matthew and Jesse. Matthew started to punch Dylan. Mish and Jeffery attempted to stop the fighting, and Jeffery was punched in the face. Mish did not know who punched Jeffery.

During the altercation, Matthew and Jesse got Dylan to the ground. On the ground, both individuals continued to punch Jesse. Mish tried to stop the individuals, but observed Matthew and Jesse getting pulled off of Dylan. She told the others to get out, and she headed towards the house while trying to get Dylan inside. She looked back and observed either Jesse or Matthew enter a vehicle, but she did not know who. She described the vehicle as a black Mercury SUV.

When Mish saw an individual enter the SUV, she observed a M/B (later identified as James Jones) standing in front of the vehicle, but slightly offset, closer to the west sidewalk. She said this was the first time she observed Jones. At this time, the SUV accelerated and made a turn

angle towards James, and she believed the driver attempted to hit him with the vehicle. She said it sounded like the SUV hit the parked vehicle (directly in front of the house) on the road, but she observed Jones "stagger" as if he was hit. The SUV backed up, and the second cousin got inside the vehicle (unknown which cousin).

Mish continued trying to get her family in the house, and she heard a gunshot, which she actually thought sounded like a firecracker. She heard a neighbor yell "He has a gun". Ultimately, Mish, Jeffery, and Dylan entered the residence. Mish said she positively heard only one shot.

CANVASS

Investigating officers advised me Jones shot in a northeast direction. I inspected 1926 S. 59 St., 5830 W. Beloit Rd., and 5824 W. Beloit Rd. (all directly east and southeast) to see make sure there was not a stray shot. 5824 W. Beloit Rd. was a brick apartment building, and the windows all appeared undamaged. I inspected several vehicles, and did not see any noticeable damages consistent with a bullet hole.

PO A. Cerqua reports...

**STATEMENT OF SUSAN M. BUCHANAN**

I spoke with the resident, Susan M. Buchanan, at 1909 S. 59 St., and she advised she was outside on her front porch when she observed a black vehicle, unknown description, parked in front of her residence facing S/B. Buchanan said there was an SUV, stopped in the middle of the street, in front of 1905 S. 59 St.

Buchanan stated there was a physical altercation that occurred in the street, but she was not able to tell me who was involved. Buchanan said someone involved in the altercation walked around to the passenger side of the SUV and started banging on it.

Buchanan advised at some point during the incident, she heard Michelle L. Mish, F/W 09/15/72, yell "get your hands off him," which she believed was Mish defending her son, Dylan J. Gilbert, M/W 09/28/95. Buchanan said she observed Gilbert in the street during the altercation but only heard Mish yelling.

Buchanan explained she heard a gunshot while still standing on her porch, and turned around and walked back inside her residence. Buchanan was not able to provide a description of anyone involved in the altercation, and the only person she observed and was able to identify was Gilbert.

APPREHENSION OF JAMES D. JONES

After Officer J. Komorowski obtained an initial statement from Gilbert at his residence, he identified the shooter, James D. Jones, M/B 08/28/93, as residing one house east of the Citgo gas station, 5926 W. Beloit Rd. on the north side of the street. The residence was described as brown in color and officers determined the address was 5914 W. Beloit Rd.

Officers set up a perimeter around Jones's residence and maintained their positions until Jones was contacted by phone. Two parties exited Jones's residence, later determined to be Jones's father and sister, and were detained without incident. Confirmation was obtained from both parties that Jones was currently inside the residence at 5914 W. Beloit Rd.

Officer C. Waystedt ultimately made phone contact with Jones and ordered him to exit the residence. See Officer C. Waystedt's supplemental report for phone contact with Jones. Jones was cooperative and exited the residence. An arrest team located east of Jones's residence, on the north side of the street, took over verbal commands and detained Jones in handcuffs without incident.

LOCATION OF FIREARM

Officers asked Jones where his firearm was, and he advised the firearm was located in his bedroom, underneath his mattress. Jones stated the magazine that had been in his firearm was lying on top of his mattress. Officers made contact at Jones's residence and spoke with his mother, Tori L. Jones, F/B 06/29/76, who advised she was already aware of what happened.

Tori directed officers to Jones' bedroom, and located on his bed was a duty belt, a security hat, and a security officer uniform. One magazine was located lying on the bed, and an additional magazine was located in a magazine holder on the duty belt. Officer C. Waystedt lifted the mattress up from the bed, and the firearm was located near the foot of the bed, between the box spring and mattress.

The firearm and magazines were turned over to Sgt. P. Borree, at the scene, and transported to the station to be placed on property.

After taking Jeffrey's statement, myself and PO Komorowski proceeded to the intersection of S 59 St / W Beloit Rd to assist officers in safely removing James from his residence to question the subject.

**ON SCENE MIRANDIZED STATEMENT:**

After securing James in handcuffs and in the back of my squad vehicle, I activated my vehicle camera system inside my squad and read James his rights. James advised he understood his rights and agreed to speak with me regarding this incident.

James stated he was driving near the area of S 59 St / W Burnham Ave when he observed a physical altercation involving someone he knew, Dylan. James stated he stopped his vehicle near the residence and exited. James stated when he exited the vehicle he was wearing his work uniform which included a duty belt, firearm, baton, and pepper spray. Furthermore he advised he is currently employee for "Twin City Security" and had recently got off work.

James stated when he exited the vehicle, he saw Dylan and his mother and father outside trying to break up a fight with two other individuals. James reported he never saw the two other people in the past and could not identify them by name (Matthew and Jesse J).

James stated he ultimately tried to break the physical altercation up between Dylan and the other subject. James reported one of the subjects started walking towards him. James stated he threatened the subject with pepper spray. James stated the subject ultimately got into a dark colored SUV and accelerated hard towards him.

James stated he tried to move away from the vehicle but the driver continued moving the vehicle towards him. James stated he shot one (1) shot at the hood of the vehicle to try and get the offender to stop moving the car. James stated he moved towards a large wall to try to get out of the way of the car as it was heading towards him. James stated to his knowledge the other individual (possibly Jesse J) left on foot in an unknown direction.

James stated he did not contact the police to report the incident because he was told someone at 1905 S 59 St was already calling. James stated he proceeded back to his address.

While speaking with James on scene, I was advised to conclude the interview by the acting Sergeant, PO A. Cerqua. I then transported James into WAPD for the booking process. Throughout my entire contact with James, he was verbally and physically cooperative and willing to answer questions about this incident.

I responded to 2104 W Lincoln Ave with Officer A. Cerqua, Officer Komorowski, and Officer Otto. We met with Milwaukee Police as they located the vehicle involved in this incident. The vehicle, WI Plate#420-UDH, was parked in front of 2104 W. Lincoln Ave, on the north side of the street. The vehicle had a bullet hole in the top of the hood. Officers attempted to make contact at the residence but where unsuccessful.

N&S arrived on scene and the vehicle was towed to WAPD to be placed on property. I followed the vehicle back to the station and placed it on property.

**VEHICLE PROCESSING-BULLET TRAJECTORY & EVIDENCE**

Tue 12/02/14, Sgt. Brian Havican:

On this date, I was asked to assist with processing a vehicle which had been shot at, where the striking projectile went through the hood and lodged into a plastic windshield wiper control module on the passenger side. The vehicle shot during this incident was a 2000 Merc Mountaineer, black, WI Reg 420-UDH. The recon was performed inside the WAPD garage.

Detectives Dave Madden, Jason Vanderwerff and Caleb Porter assisted with the reconstruction.

**BULLET TRAJECTORY RECONSTRUCTION**

Using the WAPD Sirche bullet trajectory reconstruction (BTR) kit, we attempted to reconstruct an approximate angle from where the firearm was discharged. The shooter advised he had been approx. six (6) feet from the SUV when he fired, so we took this into account when setting up the BTR kit. A green laser mounted to a tripod was used, due to the ambient light present in the garage. After setting up the BTR kit, we established the approximate angle for the shooting using metal trajectory rods from the kit (the trajectory rod was inserted through the hood and into the wiper control module, where the projectile had penetrated and was lodged).

I used the WAPD FTSB Canon 6D digital SLR fitted with a Canon 20-35mm wide angle lens for overall views, and a Canon 50mm prime macro lens was used for specific point-of-view angles. A Canon Speedlite 430ex II flash unit was used for some images, as follows:
