B. Payment for Basic Services shall be made in accordance with Section 3 of this Agreement.

2.01 SERVICES REQUIRING AUTHORIZATION IN ADVANCE

The written authorization to proceed shall become an Amendment to the Agreement.

B. Payment for the Additional Service(s) shall be in accordance with Section 3 of this AGREEMENT.

3.01 BASIC SERVICES

A. DEPARTMENT shall pay CONSULTANT for Basic Services rendered under Section 1 on the basis of CONSULTANT'S Hourly Rate, plus Reimbursable Expenses and Services of Professional Associates and other Subconsultants as defined in this Section 3.

Given the assumptions which must be made, the DEPARTMENT recognizes that the CONSULTANT cannot guarantee the complete accuracy of its estimate of total cost, and, therefore waives any claim against CONSULTANT in this regard, except to the extent that any cost overrun can be attributable to fraudulent conduct, bad faith or inexcusable ignorance or incompetence.

3.02 ADDITIONAL SERVICES

1. For Additional Services of CONSULTANT'S principals and employees engaged directly on the Project and rendered pursuant to Section 2, on the basis of CONSULTANT'S Hourly Rate.

B. The Reimbursable Expenses for Basic Services are as set forth in the CONSULTANT'S Hourly Rates attached hereto and made a part of this Agreement.

B. Additional services shall be commenced at within the time agreed to between the CONSULTANT and the DEPARTMENT at the time such services are authorized.

C. The DEPARTMENT shall not be liable to CONSULTANT and/or any of its independent Professional Associates and/or Subconsultants for claims or damages or monetary claims of any nature caused by or arising out of delays from any cause whatsoever, including but not limited to any time which may be specified for the notice to proceed under this Agreement. The CONSULTANT shall at all times comply with all federal, state and local laws, ordinances and regulations in effect during the period of this AGREEMENT.

6.01 APPROVALS OR INSPECTIONS

None of the approvals or inspections performed by the DEPARTMENT shall be construed or implied to relieve the CONSULTANT from any duty or responsibility it has for its professional performance, unless the DEPARTMENT formally assumes such responsibility through a letter from the DEPARTMENT expressly stating that the responsibility has been assumed.

7.01 DISPUTE RESOLUTION

In the event a dispute arises under this agreement, which is not resolvable through informal means, the parties agree to submit the dispute to the following resolution mechanism prior to pursuing other available legal remedies. Upon receipt of a written request by either party to utilize this provision each party shall have five working days to notify the other as to the name and address of the person designated to present the dispute for that party. Upon designation of the dispute resolution representatives, those persons shall have ten working days to appoint a mutually acceptable third person to hear the dispute, and to agree on a time and location to hear the matter in dispute. The representatives shall jointly determine the procedure to be used for gathering information and hearing the dispute. Binding mediation or arbitration shall not be chosen as a dispute resolution method.

8.01 ASSIGNMENT

Neither this AGREEMENT nor any right or duty, in whole or in part, of the CONSULTANT under this AGREEMENT may be assigned, delegated or subcontracted without the written consent of the DEPARTMENT.

C. In the event of termination the DEPARTMENT shall pay the CONSULTANT for that portion of the work satisfactorily performed prior to the date of termination.

D. If this AGREEMENT is cancelled or terminated by the DEPARTMENT for reasons other than the failure of the CONSULTANT to comply with terms, conditions or specifications of this AGREEMENT, the CONSULTANT shall also be entitled to reasonable cancellation or termination costs relating to costs incurred by the CONSULTANT for commitments, which had become firm prior to the cancellation or termination.

E. Upon cancellation or termination under PARAGRAPH A. or B., above, the CONSULTANT shall promptly discontinue all affected work (unless the notice of termination directs otherwise), and deliver or otherwise make available to the DEPARTMENT all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by the CONSULTANT in performing this AGREEMENT, whether completed or in progress.

F. If any undisputed invoice shall not be paid within the payment terms of this AGREEMENT, CONSULTANT shall have the right, after giving seven (7) days written notice, to suspend all Services on the project until all accounts have been paid. If any overdue invoice shall not be paid within forty-five (45) calendar days after the date of the invoice, CONSULTANT shall have the right to terminate this AGREEMENT.

11.01 ENTIRE AGREEMENT; AMENDMENTS

This AGREEMENT, together with the specifications in the proposal and referenced parts and attachments, shall constitute the entire agreement between the parties and previous communications or agreements pertaining to the subject matter of this AGREEMENT are hereby superseded. Any contractual revisions including cost adjustments and time extensions may be made only by a written amendment to this AGREEMENT, signed by both parties prior to the ending date of this AGREEMENT.

12.01 FORCE MAJEURE

No party shall be responsible to the other party for any resulting losses and it shall not be a default of this Agreement if the fulfillment of any of the terms of this Agreement is delayed or prevented by revolutions or other civil disorders, wars, acts of enemies, strikes, fires, floods, acts of God, unusual adverse weather conditions, or by any other cause not within the control of the party whose performance was interfered with and which by the exercise of reasonable diligence such party is unable to prevent, whether of the class of enumerate causes or not, and the time for performance shall be extended by the period of delay occasioned by any such cause. Upon the occurrence of a force majeure, written notice to the other party shall be given as herein provided. If the period of non-performance exceeds thirty (30) days from the receipt of the notice, the party whose ability to perform has not been so affected may, by written notice, terminate this Agreement.

13.01 INDEMNIFICATION; LIABILITY

A. To the fullest extent allowable by law, CONSULTANT hereby indemnifies and shall pay for the defense of and hold harmless the City of West Allis, its elected and appointed officials, officers, employees or authorized representatives or volunteers and each of them from and against any and all suits, actions, legal or administrative proceedings, claims demands, damages, liabilities, interest, attorneys' fees, costs, and expenses of whatsoever kind or nature whether arising before, during, or after completion of the work hereunder and in any manner directly or indirectly caused, occasioned, or contributed to in whole or in part or claimed to be caused, occasioned, or contributed to in whole or in part, by reason of any negligent act, omission, fault, or negligence, whether active or passive, of CONSULTANT or of anyone acting under its direction or control or on its behalf in connection with or incident to the performance of this Agreement. CONSULTANT'S aforesaid indemnity and hold harmless agreement shall not

be applicable to any liability caused by the sole fault, sole negligence, or willful misconduct of the City of West Allis, or its elected and appointed officials, officers, employees or authorized representatives or volunteers. This indemnity provision shall survive the termination or expiration of this Agreement.

In any and all claims against the City of West Allis, its elected and appointed officials, officers, employees or authorized representatives or volunteers by an employee of CONSULTANT, any Subconsultant, or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the CONSULTANT or any Subconsultant under worker's compensation, disability benefit, or other employee benefit laws.

No provision of this indemnification clause shall give rise to any duties not otherwise provided for by this Agreement or by operation of law. No provision of this indemnity clause shall be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity that would otherwise exist as to the City of West Allis, its elected and appointed officials, officers, employees or authorized representatives or volunteers under this or any other contract. This clause is to be read in conjunction with all other indemnity provisions contained in this Agreement. Any conflict or ambiguity arising between any indemnity provisions in this Agreement shall be construed in favor of indemnified parties except when such interpretation would violate the laws of the state in which the job site is located.

CONSULTANT shall reimburse the City of West Allis, its elected and appointed officials, officers, employees or authorized representatives or volunteers for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. CONSULTANT'S obligation to indemnify shall not be restricted to insurance proceeds, if any received by the City of West Allis, its elected and appointed officials, officers, employees or authorized representatives or volunteers.

B. DEPARTMENT agrees to indemnify, defend and hold harmless CONSULTANT and its Subconsultants, agents, directors, and employees from and against all claims, suits, damages, and losses, including, but not limited to, those claims, suits, damages, or losses caused or arising out of, relating to, or based upon: 1) the acts, omissions, or other conduct of DEPARTMENT; and 2) the actual or threatened dispersal, discharge, escape, release, or saturation of smoke, vapors, soot, fumes acids, alkalis, toxic chemicals, liquids, gases, or any other materials, irritants, contaminants, or pollutants in or into the atmosphere or on, onto, upon, in or into the surface or subsurface of soil, water or water course, objects, or any tangible or intangible matter, whether abated or not; except to the extent that such damage or loss is caused by the negligent acts or willful misconduct of CONSULTANT or its agents, officers, directors, or employees.

C. Nothing contained within this AGREEMENT is intended to be a waiver or estoppel of the City or its insurer to rely upon the limitations, defenses, and immunities contained within Wisconsin Statutes Sections 893.80 and 345.05. To the extent that indemnification is

available and enforceable, the City or its insurer shall not be liable in indemnity, contribution or otherwise for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

14.01 INDEPENDENT CONSULTANT

The DEPARTMENT agrees that the CONSULTANT shall have sole control of the method, hours worked, and time and manner of any performance under this AGREEMENT other than as specifically provided herein. The DEPARTMENT reserves the right only to inspect the job site or premises for the purpose of insuring that the performance is progressing or has been completed in compliance with the AGREEMENT. The DEPARTMENT takes no responsibility for supervision or direction of the performance of the AGREEMENT to be performed by the CONSULTANT or the CONSULTANT'S employees or agents. The DEPARTMENT further agrees that it will exercise no control over the selection and dismissal of the CONSULTANT'S employees or agents.

15.01 REPORT AND DOCUMENTATION REQUIREMENTS

A. The CONSULTANT'S invoices will be reduced by the sums set forth below for each week that the CONSULTANT fails to submit a report or document required under this AGREEMENT'S time schedule unless the DEPARTMENT determines that such delay is attributable to a force majeure as defined in SECTION 8., above. These reductions shall accrue in the amount of 0% of the Work Order for the first week and 0% of the Work Order for each week thereafter, for each report or document, which is overdue.

B. Assessment of reductions under this SECTION does not preclude the DEPARTMENT from pursuing any other remedies or sanctions because of the CONSULTANT'S failure to comply with any of the terms of this AGREEMENT, including a suit to enforce the terms of this AGREEMENT.

C. With respect to any individual failure to submit a report or document required under this AGREEMENT'S time schedule, the DEPARTMENT may at its sole discretion, in whole or in part, waive its right to penalties otherwise due under this SECTION.

16.01 NO WAIVER OF CONDITIONS

The failure of either party to insist on strict performance of this AGREEMENT does not constitute a waiver of any of the provisions of this AGREEMENT or a waiver of any default of the other party.

CITY OF WEST ALLIS
INSURANCE REQUIREMENTS FOR CONSULTANTS

A. INSURANCE REQUIRED.

Consultants shall purchase and maintain for the duration of the contract as required by the City or by Law, insurance indemnifying against claims, suits, personal injury, bodily injury to persons, or damage to property which arises from, or in connection with the performance of the work hereunder by the Consultant. Some contracts may require Completed Operations, Professional Liability or other insurance beyond the contract term.

Consultant acknowledges that the insurance coverage and policy limits set forth in this Insurance Requirement section constitute the minimum amount of coverage required. Any insurance policy or other proceeds broader than or in excess of the specified limits and coverage required in this section, which are applicable to a given loss, shall be available to the City. The Insurance Requirements under this Contract shall be greater of (1) the minimum coverage and limits specified in the Contract or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named. It is agreed that these Insurance Requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required here. No representation is made that the minimum Insurance Requirements of this Contract are sufficient to cover the obligations of the Consultant under the Contract.

Any deductibles or self-insured retentions shall be identified to the City; those which exceed \$10,000 must be declared to and approved by the City. City may require a review of the latest audited financial statements of the Consultant. At the option of the City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, employees, agents and volunteers; or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defenses expenses.

All required insurance under this Contract is to be placed with insurers with a Best's rating of no less than A-VII. Said carriers to be admitted status with the State of Wisconsin, unless otherwise approved in advance by the City. City reserves the right to approve non-admitted carriers with a Best's rating of no less than AX.

Work shall not be commenced under the Contract until all insurance required under this paragraph has been obtained and evidence thereof in the form of certificates, with original endorsements effecting coverage, are filed with and approved by the City. The City reserves the right to require complete, certified copies of all required insurance policies at any such time. Copies of policies shall be provided by Consultant within 10 days of such request.

The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms approved by the City. For Worker's Compensation-related risks, only forms approved by the Insurance Commissioner are to be used.

Consultant shall include all subconsultants as insured's under its policies or shall furnish separate certificates and endorsements for each subconsultant. Consultant agrees to require in any subconsultant and other agreements to perform any operations under this Contract, or provide products or services in connection with this Contract (parties to such subcontracts and/or agreements collectively shall be referred to as "subconsultants"), that all Subconsultants comply with all of the provisions of this Contract, including the indemnity and insurance provisions to the extent they apply to the scope of the Subconsultant's operations and/or performance under this Contract. Subconsultants hired by Consultant agree to be bound to Consultant and City in the same manner and to the same extent as Consultant is bound to City under this Contract. No subconsultant shall be permitted to commence work until all required coverage has been obtained and certificates and endorsements thereof are filed with the City. A copy of the Indemnity and Insurance Requirements shall be furnished to the Subconsultants by Consultant upon request.

If any part of a loss is not covered because of the application of a deductible or retention, said loss shall be borne by the general Consultant and not the City. Failure to maintain the required insurance may result in termination of this Contract at the option of the City.

It is Consultant's responsibility to ensure its compliance with the Insurance Requirements of the Contract. Any actual or alleged failure on the part of the City to obtain proof of insurance required under the Contract shall not in any way be construed to be a waiver of any right or remedy of the City, in this or any regard.

B. GENERAL ENDORSEMENTS.

The protection afforded by the required insurance policies under this Contract shall include, but shall not be limited to, the following:

1. Occurrence Based Policies. All required Liability insurance under this Contract shall be written on an "occurrence" form, except separately approved Professional Liability Policies.
2. Representation of Coverage Adequacy. By requiring insurance for this Contract, City does not represent or warrant that coverage and limits will be adequate to protect the Consultant, subconsultant, their agents or any project engineer.
3. Cross-Liability Coverage. If the Consultant's liability policies do not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.
4. Cancellation. The insurer shall endeavor to give the Director of Public Works/City Engineer at least ten (10) days prior written notice of any suspension or cancellation of the policy, or any reduction in coverage or in limits. In addition, the Consultant shall immediately notify the Director of Public Works/City Engineer whenever it receives notice from the insurer that the policy has been cancelled or suspended or there has been a reduction in coverage or limits. Cancellation or suspension of the policy or reduction in coverage or limits shall

constitute a material breach and is grounds for immediate termination of the Contract. Upon notice to the Consultant by the City upon the City's learning of said breach, the Consultant shall immediately cease all Work on the Project.

5. Additional Insured's. The City, its officers (elected and appointed), employees, agents and volunteers must be named as additional insured's as their interests may appear on the Consultant's General Liability insurance policy. Additional insured status shall be endorsed onto the insurance policy by the appropriate ISO Endorsement Form approved by the City and executed by duly authorized agents of said carrier.
6. Primary Insurance. Consultant's insurance shall provide primary insurance to the City, to the exclusion of any other insurance or self-insurance programs the City may carry. Any insurance or self-insurance maintained by the City shall be excess of the Consultant's insurance and shall not contribute to it.
7. Waiver of Subrogation. Consultant waives all rights against the City, its officers, employees, agents and volunteers for recovery of damages to the extent these damages are covered by the insurance the Consultant is required to carry pursuant to this Contract.
8. Reporting. Failure to comply with any insurance policy reporting provisions shall not affect coverage provided to the City.
9. Cross Liability. The required insurance coverages shall apply separately to each insured against whom claim is made or suit brought, except with respect to the limits of the insurer's liability.
10. Indemnification. The policies shall contain an acknowledgement by the underwriters that, to the fullest extent permitted by law, the Consultant shall indemnify and save harmless the City against any and all claims resulting from the wrongful or negligent acts or omissions of the Consultant or other parties acting on its behalf under the Contract; and that the hold harmless assumption on

the part of the Consultant shall include all reasonable costs necessary to defend a lawsuit including actual reasonable attorney fees. The obligation to indemnify and defend the City as set forth herein shall survive the termination or completion of this Contract for the full period of time allowed by law. The parties agree that if any part of this indemnification provision is found to conflict with applicable laws, such part shall be unenforceable only insofar as it conflicts with said laws, and that this indemnification shall be judicially interpreted and rewritten to provide the broadest possible indemnification legally allowed and shall be legally binding upon Consultant.

2020 IDDE Screening

Scope of Services:

Project Background

The City of West Allis operates its municipal separate storm sewer system (MS4) under a WPDES municipal storm water discharge permit from the Wisconsin Department of Natural Resources (WDNR), often referred to as a NR 216 Permit. The permit allows discharges of storm water from all portions of the City of West Allis' MS4. Several conditions and compliance items are outlined in the Permit and include specific dates for submittal.

Scope of Services

1. Annual IDDE Field Screening

1.1 Initial Field Screening of Outfalls

Conduct a single field screening at 11 major outfalls in the City. Where flow is observed, provide additional information on the Visual Inspection Form including chemical testing on grab samples using portable test kits to identify the presence and level of chlorine, phenols, copper, ammonia, and detergents. The level of effort assumes over half (6) of the outfalls will have dry weather flows present at the time of screening that require grab samples and field testing.

If an outfall tests positive for one (1) or more parameters, the field crew will test locations upstream. The goal is to continue sampling upstream of the outfall to isolate the pollutant(s) of interest and dry weather flow to a single location. If the pollutant(s) of interest appears to be from a diffuse source, test data results will be reviewed for patterning prior to taking any additional steps. The scope of services assumes up to 6 follow-up field screening locations.

If a drainage system requires follow-up screening and the field screening results in isolating the pollutant(s) to a single pipe or ditch segment, the field crew will conduct a "windshield survey" of the surrounding area. The survey includes photographing the surrounding area including buildings and other items of interest. Other items of interest can include, but are not limited to, outdoor storage areas, staining, or other potential signs of illicit discharges or dumping. No internal entry of any home or business is included in this effort. For the purposes of estimating the level of effort for this task, it is assumed that each basin where a follow-up investigation is performed will be investigated further via a windshield survey.

If the results of any windshield survey or follow-up investigation reveal an illicit connection or discharge that needs immediate attention, the results will be shared with City staff with a discussion of potential sources and recommended next steps.

IDDE Follow-up Levels

pH < 6.0 or pH > 9.0

Chlorine > 0.1 mg/L

Detergents > 0.50 mg/L

Phenols > 0.0 mg/L

Copper > 0.1 mg/L

Ammonia > 0.1 mg/L

1.2 Meetings and Report

Results will be summarized in a format acceptable for inclusion in the City's annual NR 216 report. A draft of the report will be provided to the City for review.

AECOM will attend a meeting with, or otherwise communicate with, the City to review the results of the field screening. Outfalls where flow was observed, and chemical testing indicates potential discharges will be focused on. The decision to conduct any additional follow-up investigations will be based on the results of discussions with the City and, if necessary, after consultation with the WDNR.

1.3 Update/Review IDDE Drainage Basins

The City's IDDE basins were last reviewed in 2015 and will be updated in 2020 to reflect current storm sewer mapping and topographic information. Pipe sizes will also be checked to make sure major and minor outfalls are in compliance with current WDNR guidelines.

2.0 Additional IDDE Investigations

2.1 Initial Screening Follow-Up Investigations

The goal of this task is to set aside additional effort to continue the investigation of outfalls that were found to have a potential illicit discharge during the initial field screening. Outfall results can vary based on previous weather conditions, time of year, and possible intermittent flows. This makes it possible for skewed/unclear tests results during an initial outfall visit and sometimes a site needs to be revisited to get a clear picture of the outfall conditions.

In addition, if an outfall was active during the previous year's screening and dry during the initial site visit, field crews may revisit the outfalls or conduct spot checks in upstream reaches to confirm the results of the initial investigation.

Any additional follow-up investigative efforts will be documented for inclusion in the final report. This scope assumes up to four outfalls will need additoanl investigation.

2.2 On-Call Screening Investigations

Provide additional on-call services related to the City of West Allis' IDDE inspections as requested by City Staff on an as needed basis. This scope of services assumes at least 2 miscellaneous on-call IDDE investigation will be performed.

Cost Estimate

The following is the estimated cost to complete the scope of services as presented.

Task 1 – Annual IDDE Field Screening	\$11,800
Task 2 – Additional IDDE Investigations.....	\$2,600
Total	\$14,400

Schedule:

The following schedule should be considered a preferred schedule. AECOM and CLIENT both acknowledge this schedule may be impacted and delayed by travel restrictions and/or other attempts to protect workers and limit the transmission of the COVID-19 virus. For the avoidance of doubt, a COVID-19 outbreak shall be considered a force majeure event under Article 12.01 of the General Conditions

The project will begin upon receiving a signed agreement and notice to proceed on the project. Dry weather screening should be conducted after approximately 48 hours without precipitation. A draft report will be provided to the City by December 31, 2020 and a final report by February 28, 2021.

Deliverables:

Two (2) hard copies and one electronic PDF copy of the final report will be provided to the City.
