RE: **Communication from Principal Engineer regarding the 31 hour closure of I-94 Westbound at the Stadium Interchange from 11 pm Friday (12/19) to 6 am Sunday (12/21)**

WisDOT plans to close I-94 to all westbound traffic from 11 pm on Friday, December 19 until 6 am on Sunday, December 21. They requested permission from the City to temporarily ban parking on the north side of National Avenue from 56th Street to 62nd Street during this same time period to accommodate all the detoured traffic. The Village of West Milwaukee has already agreed to the parking ban on the north side of National Avenue as well.

They have also requested a ban of parking on the north side of Greenfield Avenue between 84th and 92nd Street where parking is already banned on weekdays. Now they are asking for a weekend ban too over the same 31 hour period.

The City of West Allis Police Department has also been requested to direct traffic all day long on Saturday, December 20 at the intersection of Greenfield and National Avenues.
