RE: Overtime, Compensatory Time and Premium Pay Policy, Section 10.0 Interim Assignment Pay (IAP)

Mayor Devine and Council Members:

Dave Young, Lead Electrical Mechanic (Certified), was temporarily appointed to the position of Electrical Services Superintendent effective June 5, 2017. Per the City's Overtime, Compensatory Time and Premium Pay Policy, Section 10.0 Interim Assignment Pay (IAP), any temporary appointments extending beyond 180 consecutive calendar days must be approved by the Common Council and re-approved for every additional 90 consecutive calendar days thereafter.

The Superintendent position was reclassified to the position of Electrical Engineer/Systems Maintenance Superintendent and the pay grade was approved at the November 21, 2017 Common Council meeting. The recruitment for this position will close on March 2. I am seeking permission to extend Mr. Young's temporary appointment until a permanent appointment to the position can be made.

I appreciate your consideration in this matter. If you have any questions please feel to contact me.

Sincerely,

Dave Wepking
Director of Public Works
