SUMMARY P.O. Mathy reports... On 02/22/15 at approximately 0021hrs, I was parked in a fully marked squad when I observed a physical altercation in front of 6500 bar, 6500 W. Greenfield Ave. I observed a male, later identified as the offender, David J. Scalf M/W 12/28/87, in contact with several other individuals. While attempting to obtain Scalf's statement, he continued to scream profanities, did not follow direction, and became resistive. I placed Scalf in handcuffs and escorted him to my squad where he again resisted and refused to enter the squad. Scalf was directed in the squad and was highly intoxicated. Scalf has an open case for DV and was arrested for bail jumping. Scalf could not post bail and was later transported to CJF. The DA's Office will review this case on 02/23/15 at 0830hrs.

NARRATIVE

INITIAL OBSERVATIONS

Officer Mathy reports...

On 02/22/15 at approximately 0021hrs, I was parked in a fully marked City of West Allis squad, in the 6400blk of W. Greenfield Ave. waiting for a tow for a separate incident. While parked I observed a physical altercation between several individuals, including the offender, David J. Scalf M/W 12/28/87. It appeared as if several individuals were attempting to direct Scalf away from the entrance of 6500 bar. I immediately drove to the intersection of S. 65 St./ W. Greenfield Ave. and illuminated my emergency lights and activated my siren briefly. After doing so the individuals separated from each other and I ordered the group to stay out front as I initiated contact with Scalf.

DISORDERLY CONDUCT/ RESISTING AN OFFICER- DAVID J. SCALF (OFFENDER)

I made contact with Scalf, who was identified by WI drivers license. Scalf was screaming when I made contact with him and I requested he calm down. Scalf yelled that he was just punched in the face. I observed a small superficial laceration on the left side of his face below his eye and I asked Scalf if he wanted medical attention and he said he did. I requested a medical unit to respond to assess Scalf. While waiting for the medical unit to respond I attempted to speak with Scalf regarding the incident.

Scalf continued to yell, be profane, and began to walk away from me. Due to the physical altercation that took place, including Scalf's apparent involvement, I told him to walk back toward my location in an effort to continue my investigation. Scalf did not comply and I initiated contact with his right arm to escort him back toward the incident location. As I escorted Scalf he was still screaming "I got fucking punched!" I told Scalf again to stop screaming and informed him that he may be arrested if his behavior continues. Up until this point, I was on scene by myself and several other individuals involved in the potential assault were in my vicinity. Scalf behavior caused me to direct my attention away from the original incident to attempt to reason with Scalf's belligerent behavior. As I was in contact with Scalf it was apparent that he was highly intoxicated as his speech was slurred, he had a strong odor of intoxicants emitting from his breath, and his eyes were red and glassy.

Once I escorted Scalf back toward our original position, I felt resistive tension in Scalf's right arm as he clenched his fist and he began to pull his arm toward the center of his body, away from my position. I told Scalf to stop resisting and to stop yelling. At this time Officer Otto arrived on scene. Due to Scalf's refusal to stop yelling and using profane language, his inability to follow

simple commands, and his resistive actions, I escorted him to the east side of the building to stabilize him with the assistance of Officer Otto. I told Scalf that he was under arrest and placed him in handcuffs. Scalf did not resist as I placed handcuffs on him and he relaxed his arms. I informed Scalf that he was under arrest and I began to escort him toward my squad. I informed Scalf that he was under arrest for disorderly conduct and he continued to yell "I got hit, this is wrong," or words similar to that effect. As I was searching Scalf he pressed and pushed his hips toward my direction, flexed his right arm and began to turn his body toward me. Based on Scalf's resistive behavior, I stabilized his upper body against the squad and ordered him "stop resisting." Scalf temporarily complied.

I searched Scalf once back at my squad and I told him to sit inside. Scalf did not comply and continued to yell about the previous incident. I informed Scalf that other Officers were investigating the incident that occurred prior to my arrival and I ordered him again to sit in the squad. Scalf still did not comply and I attempted to place him in the squad by directing his upper body into the seat. Scalf pushed his upper body and torso away from my squad and toward my direction. I then pulled his upper body down by grabbing his back and head which allowed me to successfully place him in the squad.

Shortly after placing Scalf inside the squad the medical unit arrived on scene. I informed Scalf prior to escorting him to the ambulance that he needed to be cooperative. Scalf was very emotional and stated he would be cooperative and began to cry. Once in the ambulance Scalf was advised by medical personnel that he had a small superficial scratch under his left eye. Scalf continued to talk over the medical personnel and continued to tell me that "you got the wrong guy." I informed Scalf that I believed he was in a physical confrontation, however, his actions during my contact with him was why he was under arrest. Scalf stated "I am sorry I resisted," and he continued to request he not be under arrest.

Scalf refused to go to the hospital and I transported him back to the WAPD for booking.

ON SCENE STATEMENTS

I was later informed by Officers that witness statements reflected Scalf reportedly hurt his face while falling on an icy snow bank and was yelling racial slurs while he was consuming alcohol. Video surveillance was requested from the 6500 Bar and is still pending.

Once at the WAPD, I checked CCAP to see if Scalf had any open criminal cases. I discovered that Scalf was on bail for Milwaukee County case number 2014CM004909. The case details reflected that Scalf was to maintain absolute sobriety as a condition of his bail. While in the booking room Scalf admitted to consuming alcohol since approximately 2100hrs. I asked Scalf if he would be willing to submit to a Preliminary Breath Test (PBT) and he said he would. Captain Marks administered the PBT which estimated Scalf's BAC at .20 g/210L. After the test was completed Scalf again stated "I am sorry I resisted." Scalf varied between being argumentative, screaming, and pleading that we not arrest him.

BOOKING OF OFFENDER

Due to Scalf continuing to yell and not follow simple instructions, I placed him in a cell while I completed the booking process. While in the cell, Scalf was hitting the cell door and continued to scream that he was falsely arrested. Shortly after I placed Scalf in the cell, Captain Marks spoke with him briefly. Scalf requested medical attention for his injuries and an ambulance was requested a second time. Scalf stated he wanted to be transported to the Hospital for medical evaluation and I escorted him to the ambulance. Once inside the ambulance Scalf continued to yell and stated "I hope you get killed in the line of duty."

I booked Scalf under booking number 15-000894 for disorderly conduct, resisting and bail jumping. I completed municipal citation number M150008942 for Disorderly Conduct and municipal citation number M150008941 for Resisting an Officer.

MEDICAL CLEARANCE/ RESISTING AN OFFICER/ CHAPTER 51

Sgt. Tillman monitored Scalf while he was being medically cleared. While at the Aurora West Allis Medical Center (AWAMC), Scalf made suicidal statements and was determined to be a chapter 51/ED by Sgt. Tillman. Additionally, Scalf resisted again while at the Hospital.

See Sgt. Tillman's Supplement for the Chapter 51 and for Scalf's additional instance of resisting an Officer...

CONVEYANCE/ APPREHENSION REQUEST

After Scalf was medically cleared, Sgt. Tillman and I transported Scalf to MCMH. A hold was placed on Scalf for further processing by the WAPD upon being cleared from MCMH. After the conveyance, Sgt. Tillman informed me that Scalf should be issued an additional citation for resisting an Officer for his actions at AWAMC. I completed municipal citation M-102348 for resisting an Officer. an Apprehension request for Scalf was completed and I included his municipal citations in the apprehension request, which were to be placed with his property when he is

Scalf appeared to be angry and "threw up gang signs". Robinson then observed bar security staff escort Scalf out of the bar. Scalf tried to re-enter the bar and staff escorted him back out again. Robinson did not see the altercation which occurred outside of the bar.

NARRATIVE Sergeant Tillman reports: <u>INITIAL CALL</u> On 02/22/15 at 0021 hours, officers were dispatched to 6500 W. Greenfield Avenue for a disorderly conduct. Officers on scene arrested David J. Scalf (M/W 12/28/87) for disorderly conduct, bail jumping, and resisting arrest. On this date, I was assigned front desk duties at the police station. Officer Mathy requested I meet him in the WAPD booking room to assist with Scalf. Scalf was very uncooperative with officers during the booking process. A PBT revealed Scalf's BAC was 0.20. Scalf later complained of chest pain and wanted medical attention. An ambulance was requested and Scalf was transported to Aurora West Allis Medical Center. Due to Scalf being uncooperative with officers and paramedics, I rode in the ambulance to the hospital. Once at the hospital, I handcuffed both of Scalf's hands to his hospital bed. <u>CHAPTER 51 / CONTACT AT HOSPITAL</u> While the hospital staff was treating Scalf for his possible injuries, he stated, "I don't want to live no more." When the nurse asked Scalf how he would harm himself, Scalf said, "Whatever I can find around here I will stick in my heart." During my limited contact with Scalf to this point, I only knew him as David. I asked Scalf for his last name and date of birth; he said, "Fuck you, I want my lawyer." I then observed Scalf clench his left hand and slide it under his body. I walked from Scalf's right side, around the foot of the hospital bed, and stood by his left side. Scalf pushed his left hand further under his body. Due to Scalf's recent statement wanting to stab himself in the heart, and Scalf's reluctance to show me his left hand, I believed he acquired an object and was concealing it in his left hand. I told Scalf to show me his left hand, he then slid his body closer to the left side of the bed, further covering his left wrist and hand. I grabbed his left forearm and told him to show me his hand; he pushed his hip against my hands. I pushed on Scalf's hip and told him again to show me his left hand; he just pushed back at me and said, "Fuck you." I delivered one focused strike to Scalf's left upper leg; he then moved to his right and displayed his open left hand. When Scalf moved to the right, I could see under his body and

did not observe any objects. I then let go of Scalf's left arm and walked to the foot of the bed.

Scalf began to scream at me and yelling "You assaulted me!" I attempted to explain to Scalf I was concerned he has something in his hand he could use to harm himself, but he kept yelling profanities at me. Two nurses entered the room and began to try to speak to Scalf, but he began to yell at them. Scalf told the nurses I punched him in the leg and the chest. I stepped into the doorway of the room and moved the privacy curtain so Scalf could not see me; I could still see the nurses from my position. I informed the doctor of Scalf's suicidal statements and requested he contact MCMH to inform them of this incident. The doctor stated he would attempt to have the MCMH mobile team respond to speak to Scalf. At this point, Scalf began to calm down but was still using profanity.

Scalf eventually calmed down and I was able to remain in the room. Scalf continued to use profanities toward me at a reasonable volume. I was seated in a chair to Scalf's left at the foot of his bed; he put both of this feet on the left rail of the bed and said, "I hope you like stinky feet." Scalf then lifted his left foot in the air, flatulated, and said, "How do you like that?"

A medical technician (Ryan) entered the room and stated he was going to take Scalf to get a CT scan to check for possible injuries. I followed Ryan as he pushed Scalf's bed to the CT scan room. Scalf began to yell profanities at me and hospital staff again. I informed the hospital staff I was not comfortable removing the handcuffs from Scalf without more officers present. Ryan pushed Scalf back to his room in the emergency area of the hospital while I waited for more officers to arrive.

Officer Martin and Officer Schneider arrived at the hospital and remained with me and Scalf as Scalf had his CT scan. Scalf continued to be uncooperative with hospital staff and would not remain still during his scan. Scalf would shout at officers, then cry. After several attempts by hospital staff, Scalf successfully completed the CT scan and was pushed back to his room in the emergency area. Officer Martin and Officer Schneider later left the hospital.

Scalf calmed down and I was able to carry on a conversation with him. Scalf told me about his prior drug and alcohol addictions, and about his relationship with his father. Scalf's father recently had a heart problem and was transported to the hospital. Scalf relapsed tonight because he was upset about his father's recent medical condition; to cope, he went to the bar to drink alcohol. Scalf said he knew the owner of the bar and he got his drinks for free. Scalf stated he felt betrayed by his friend (bar owner) because his friend did not defend him at the bar. Scalf paused as if he wanted me to say something; I reminded Scalf he requested his lawyer and I could not speak to
