Hi Mark ---- Here is my rewritten request and tribute for the West Allis Common Council to consider.

You may write up your own or use mine when contacting the Board. Keep me in touch with the outcome. I'll be away until Friday of this week. Thank you again for your efforts! ---- Mike

Dear Vince, on behalf of the USPEH Organization, I am requesting that you and the Board consider designing, fabricating, and installing a plaque honoring West Allis resident Stanley Vidmar who is the person mainly responsible for the balina courts being built on the grounds of Veteran's Memorial Park in West Allis.

The plaque would be put up on the wall adjacent to the balina plaque already in place there.

The plaque would read: It is with sincere gratitude that we of the USPEH Slovenian Organization honor Stanley Vidmar for his dedicated

and tireless efforts in providing and maintaining these balina courts for the betterment of our City of West Allis community.

We of USPEH thank you for your consideration.

Sincerely,
Michael Maren

The USPEH Organization

Hi Mark ---- Here is a draft of the letter to be sent to Vince Vitale on behalf of the Stanley Vidmar plaque.

Please look it over and advise me of any editing that needs to be done. I will share your response with the others on the committee, get their ideas, email the "final" draft" to you, and finally have the letter sent to Vince by Monday.

Thanks again for your support and assistance in this venture. ----Mike
