Re: 3rd Quarter Funding for Educational Access
Date: 12/6/10

With the bulk of the summer months falling in the 3rd quarter the School District's programming activities were limited.

Channel 13 recorded all of the Video Showcase presentations by each of the Schools in the District. These Showcases profile each school and what they are doing to help improve academic standards that are needed for the No Child Left Behind benchmarks.

With school gearing back up in September, Channel 13 began covering the varsity football games for both Central and Hale High Schools. The video clubs continue to create programs for playback on Channel 13.

It is staff's recommendation that the 3rd quarter funding for the Educational Access Channel 13 be granted.

Respectfully submitted,
