Hi Mike,

You may share this email. I just read my message again and realized that I missed the word "not" in the last line about it being necessary to contact us. Have a great weekend as well.

Thanks,

Joe

Subject:	Zignego Special Use Permit

---

Message: Hi Mike, I'm sorry that I didn't contact you sooner about the Zignego Special Use Permit. Thank you for hosting the informational meeting with alderman Barczak and the Zignego clan. The Zignego plans seem sound and issuing them a special use permit is in the city's best interest. With the permit, the city can try to regulated them. Without the permit, they are free to work under the grandfather clauses. Listening to the Zignego spokesperson reverse his position multiple times throughout the meeting concerns us greatly. Our opinion is that Zignego needs oversight and we will support the best vehicle that can do that. We appreciate all of your hard work and it's necessary to contact us. Thank you, Joe and Diane Leair
