RE: Envirotest Wisconsin LLC Plant Closing & Mass Layoff

Dear State Dislocated Workers Unit:

Pursuant to the applicable federal and state law, notice is given of our intent to completely and permanently close all operations and to permanently lay off our entire workforce at the following locations:

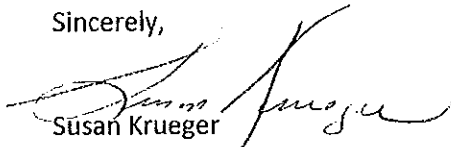

7929 W Clinton Avenue, Milwaukee	2001 Stonebridge Cr., West Bend
7930 W Clinton Avenue, Milwaukee	508 W Bluemound Road, Waukesha
7936 W Clinton Avenue, Milwaukee	423 S Curtis Road, West Allis
1101 W Boden Court, Milwaukee	1913 Melvin Avenue, Racine
2401 W St. Paul Avenue, Milwaukee	5910 77 <sup>th</sup> Avenue, Kenosha
561 W College Avenue, Oak Creek	4528 Gateway Drive, Sheboygan

Our expected closing and layoff date will be July 1, 2012. This closing will affect between 50 -100 employees, and the first separations of employment will commence on or about July 1, 2012. All affected employees are being offered at least 3 weeks' severance pay, so no employee will have their pay discontinued prior to July 21, 2012 assuming they accept the severance offer. Additionally, all terminated employees will be paid all earned wages and agreed upon fringe benefits upon termination.

The attached sheet lists the job titles that will be affected and the approximate number of employees within those job titles who will be affected by our Plant Closings and Mass Layoff. None of our employees are represented by any union and no bumping rights exist within our company.

The name and job title of the company representative to contact for further information is Brenda Pierce, Human Resources Manager. Ms. Pierce can be contacted at (303) 963-4464 x1202.

Sincerely,

  
Susan Krueger  
Public Relations Manager
