T.I. Tuschl reports...

On 06/07/19 at about 1637hrs I responded to 2215 S. 61st St after a tree branch fell on a motor vehicle causing damage. Investigation showed a tree branch broke off from a city tree that was located in between the sidewalk and the roadway (in front of the residence at 2211 S. 61st St). As a result of the tree branch falling it struck a legally parked pickup truck, WI license plate [REDACTED] that was parked on the west side of the street in the 2200blk of S. 61st St. I spoke with the owner of the pickup truck, Ramon Rodriguez [REDACTED] who stated there was fresh damage to his truck caused by the tree branch. Ramon stated there were scratches to the rear passenger fender and there was a dent and damage to a lighting unit, located on the top of the truck. Ramon was given the call number for this incident and advised on how to file a claim with the city for the damage to his truck. I was able to move the tree branch out of the roadway and placed it across the sidewalk. I had W.A.P.D Dispatch notify DPW about the tree branch for cleanup. Pictures were taken of the damage to Ramon's truck and later uploaded to DIMS.

Rodriguez, Ramon
