RE: **Communication from City Engineer Regarding Portable Stop Signs at 66th Street and National Avenue**

Alderman Czaplewski requested that portable stop signs be delivered for placement at 66th Street and National Avenue for the Farmer's Market. Apparently, the Farmer's Market Manager is placing the signs out on Saturdays.

My staff and I consider this dangerous for a number of reasons and we need to explain the issues to the Committee and get a decision if this will be allowed to continue or not.
