RE: Future Kwik Trip 1047  
Intersection of Lapham St. and 108<sup>th</sup> St.

Dear Steve:

Thank you for taking the time to talk to me about the new Kwik Trip convenience store that we are planning to build in the City of West Allis. We discussed Kwik Trip's interest in applying for a Class-A Alcohol license for this store in the future.

Over the past few years we have been expanding our food selections to include more meal preparation ingredients including fresh produce and meats. As a result, our customers can shop for an entire meal with one "Kwik" stop at their local Kwik Trip store. We hope to add to their shopping convenience at the West Allis location by having alcohol products available to purchase as well.

Kwik Trip currently holds 375 alcohol licenses in Wisconsin. Kwik Trip has been recognized as an industry leader for enforcing I.D. checks for all age-restricted products. Our co-workers take great pride in the excellent compliance record they achieve in identifying underage customers. Enclosed is a copy of our Alcohol and Tobacco Sales policy. Please note that coworkers complete our own in-house alcohol and tobacco training program upon hire as well as complete the state-mandated Learn2Serve training in order to obtain Operator Permits. In addition, Kwik Trip performs our own compliance checks to ensure that coworkers are diligent in age-restricted product sales.

We are certain that West Allis can appreciate the value of adding a growing, thriving business like Kwik Trip to the business community. In addition to adding 25 to 30 jobs with above-average wages and benefits, it will also add to the tax base for decades to come. The 5,500 square foot state-of-the-art convenience store will be attractive to residents as well as visitors.

I would ask that you include our request to apply for an alcohol license in the future on the agenda of your License and Health Committee meeting for consideration. Please feel free to contact me if you require anything further. Thank you for your assistance with this matter. You have been very helpful.

Yours truly,

  
Deanna Hafner, Licensing Agent
