RE: Neighborhood Identification Project

Dear Common Council Members:

This letter is a request to identify and name twenty-six neighborhoods. The Historical Commission has done extensive research on this project and has put together a neighborhood identity for every part of the City. Some of the names of the neighborhoods were based on the history of the neighborhoods, going back to the major subdivision names in the area; other names were based on major identifiers in their area, such as the McCarty Park neighborhood. A map and a listing of the proposed neighborhood names are attached.

I look for your approval in naming the twenty-six neighborhoods throughout the City.

Sincerely,

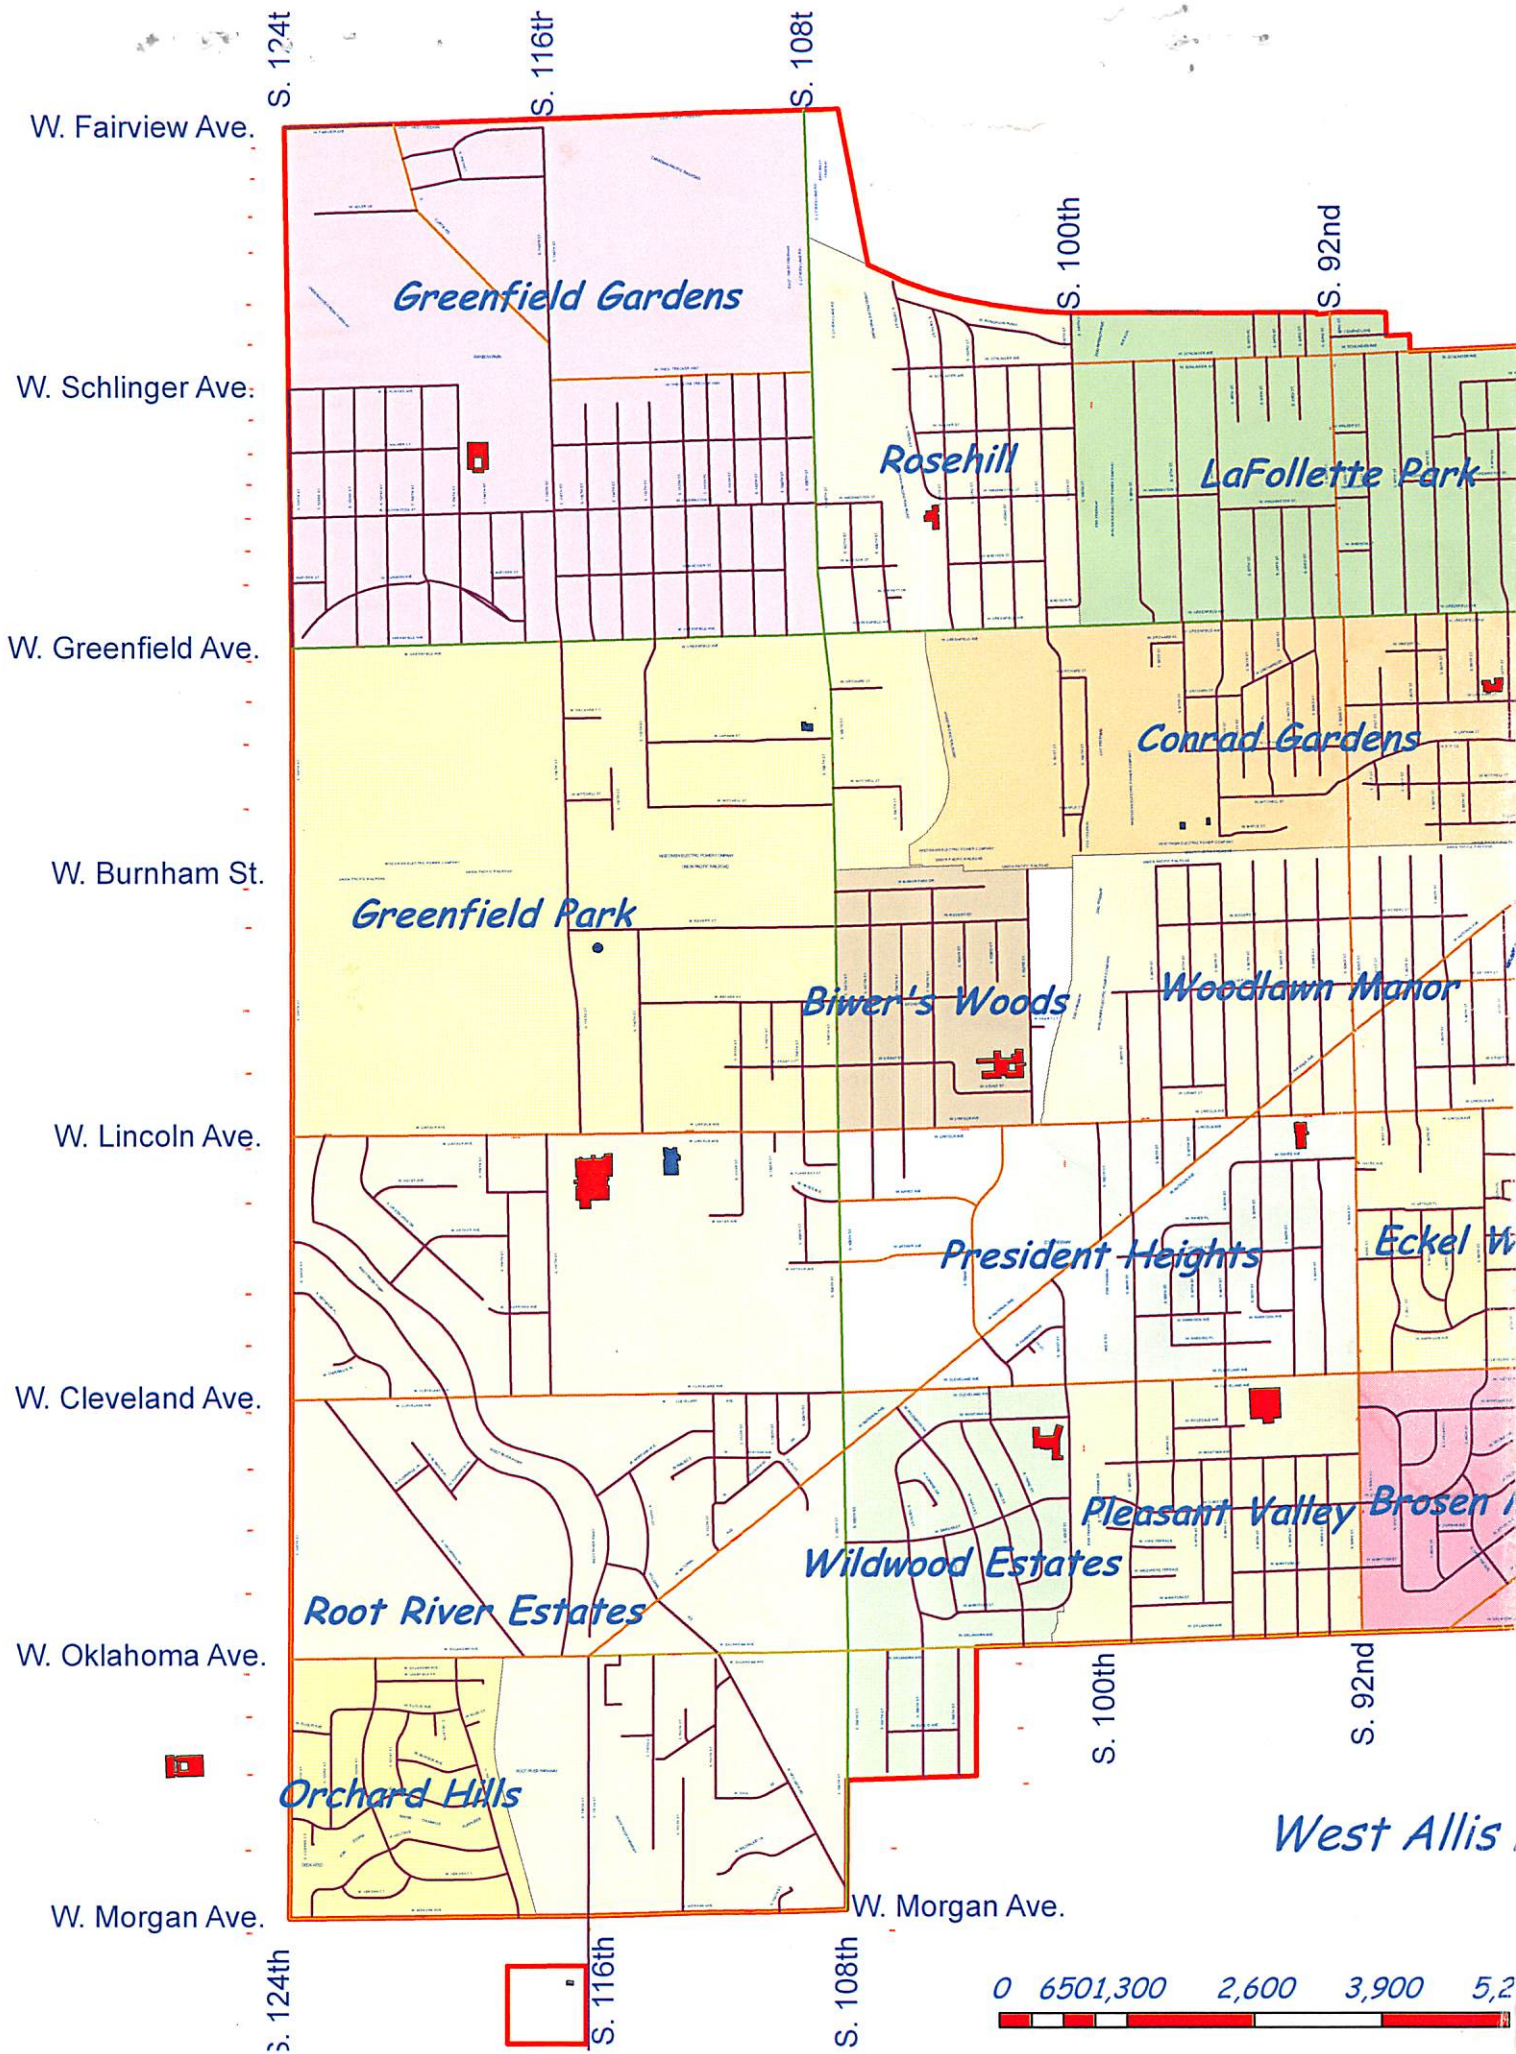

A handwritten signature in cursive script that reads "Jeannette Bell".

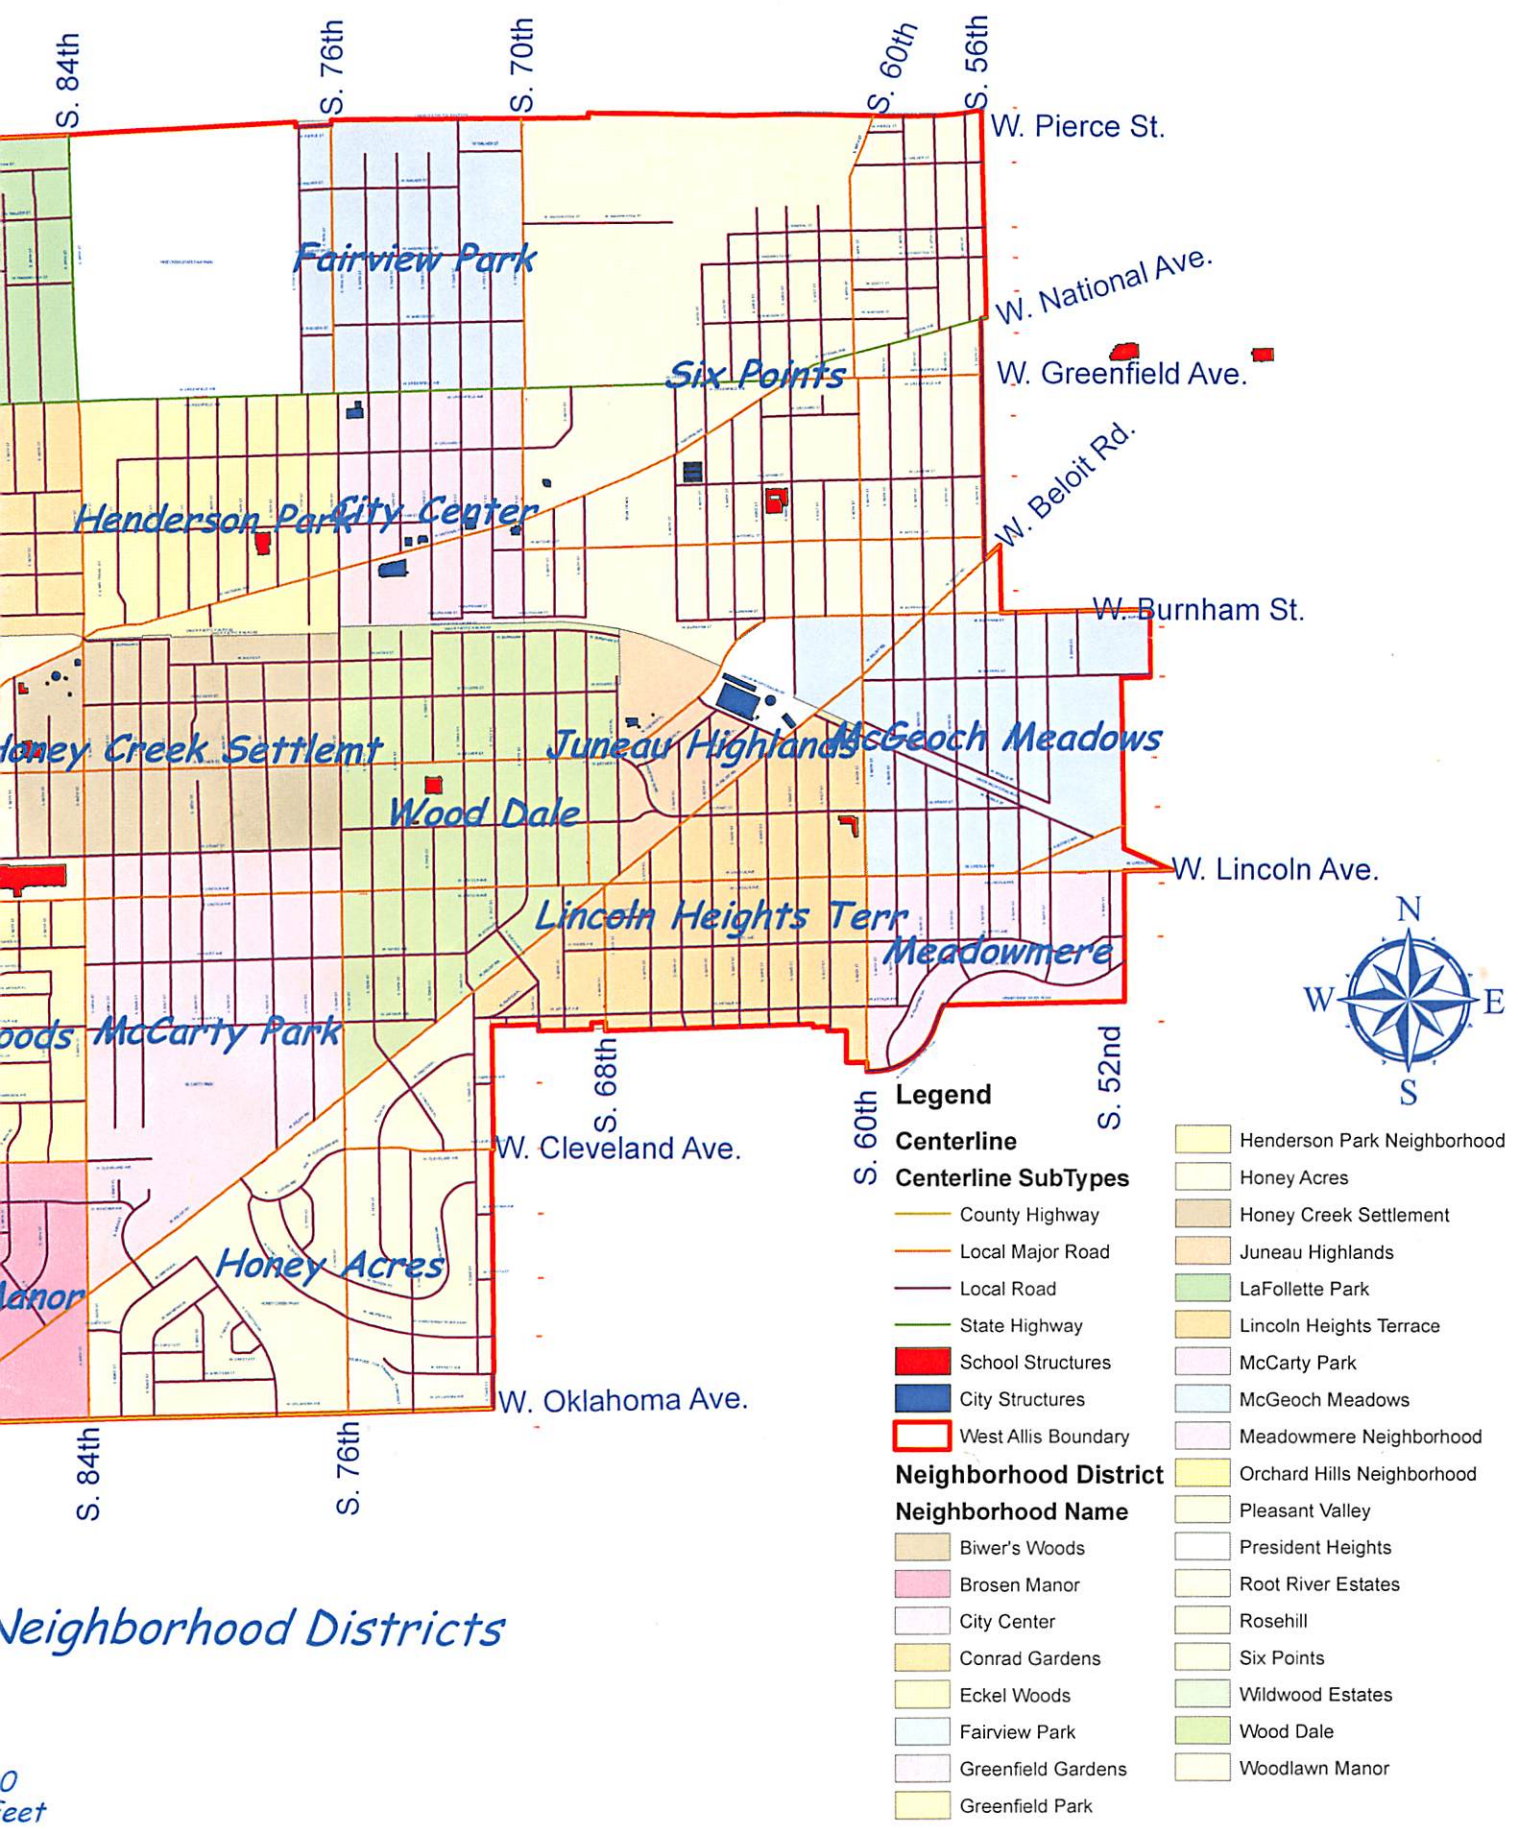

Jeannette Bell,
Mayor
