## **Proposal for Professional Services B-40-70 & B-40-71, Bridge Deck Delamination Survey**

Dear Mr. St. Clair:

**CORRE, INC. (CORRE)** appreciates the opportunity to submit a proposal for providing a delamination survey for the decks of structures B-40-70 located on Beloit Road over Honey Creek and B-40-71 located on S. 76<sup>th</sup> Street over Honey Creek.

### **DELIVERABLES**

Upon acceptance of this proposal, **CORRE, INC. (CORRE)** will provide the following services.

- Delamination Survey per ASTM D4580, pull chain method.
- Layout and marking of delaminated areas found during the survey.
- If required: Construction oversight of contractor removing and repairing delaminated areas
  - Material documentation
  - Diary
  - Photos
- Traffic control assistance to be provided by the City of West Allis

### **PROPOSED SCHEDULE AND FEE**

**CORRE** proposes to perform the delamination testing when it is assured the concrete decks are not frozen. Actual date will be determined by the City of West Allis.

**CORRE'S** time and expenses to provide the above noted deliverables is based on an hourly rate of \$95/hour and mileage paid at \$0.535/mile, which includes travel to and from our Oconomowoc office.

### **SUMMARY**

**CORRE** appreciates the opportunity to provide a proposal for these services. To finalize this agreement, please sign and return two copies of this proposal to our office. Return of signed contract transmitted electronically is acceptable. **CORRE** will then sign and return one copy for your records. If you have any questions, please feel free to contact Bill Hove at 262.354.3014 or Troy Gagner at 608.828.1011.

Sincerely,

**CORRE. INC.**
