Subject: special event permit for Novak Manor

Warning: Unusual sender <g.engelkemeir@gmail.com>

You don't usually receive emails from this address.
Make sure you trust this sender before taking any actions.

I fully support approving the permit application.

I live 4 houses away from Novak Manor and have never been disturbed by the event or people in the neighborhood to visit the house. It's a family friendly activity that everyone seems to enjoy.

Thanks,
Greg Engelkemeir
