

BUREAU OF OPERATIONS

Jay D. Scharfenberg
ASSISTANT CHIEF

CITY of WEST ALLIS
FIRE DEPARTMENT

September 12, 2017

To: Honorable Board of West Allis Police and Fire Commissioners
Cc: Fire Chief Mason Pooler
From: Assistant Chief Jay Scharfenberg
Re: Request for Approval to Purchase Three (3) Staff Vehicles

Please accept this letter and attached documents as a request for approval to replace a 2001 Chevrolet Astro minivan, a 2003 Chevrolet Impala and a 2004 Chevrolet Impala. We are requesting approval to replace these three sedans with Ford Interceptor Utility vehicles as per the fleet management communication dated August 18, 2017 and presented by Fire Chief Pooler at the August meeting of the West Allis Board of Police and Fire Commissioners.

Replacing these three vehicles will not only remove some very old vehicles from our fleet, but it will allow us to assign the remaining staff chief, staff lieutenant and mobile integrated healthcare (MIH) provider to utility vehicles that are more appropriate to their job functions than the vehicles to which they are currently assigned. It will also create opportunity for command vehicles to be utilized in a backup role should one be placed out of service for an extended period of time.

With your approval, we will purchase three (3) Ford Interceptor Utility vehicles at a cost of \$82,383 (\$27,461 per vehicle). This pricing reflects a discount of \$20,262 (\$6,754 per vehicle) below retail value as negotiated through the State of Wisconsin Municipal Fleet Contract.

Emergency lights and siren controls will be purchased for approximately \$15,000 (\$5,000 per vehicle) and installed by Emergency Lighting and Electronics LLC. Estimated emergency lighting, warning device and mobile radio installation cost is \$6,300 (\$2,100 per vehicle). Total cost for this project is estimated to be \$103,683 (\$34,561 per vehicle).
