CITY OF WEST ALLIS
CITY CLERK

To whom it may concern: 11-2-1

My name is Roberto Molla
the reason for this letter
is to see if your going to
pay the bills that have accum-
ulated since september 13, 2013
when I had an accident while
~~was~~ volunteering downstairs at
8:30AM, I slipped on some water
while trying to open the kitchen
door I'm sorry this letter is
late getting to you it's because
I thought they were going to be
paid since it happened at the
center. My girlfriend came
down and found me on the
floor she yelled for someone
to call 911 that's when Diane
Reese and told me not to move
the paramedic checked me out
and then sent me to freudtort
hospital, I had tests and blood
work to see if I broke anything
they found nothing was told to
make an appointment to see my
Dr which I did who checked out
and Dr Baldaoma made a
referral to see a back doctor
I did then doctor ordered a
MRI to see if I broke anything
after that I was ordered to get
some therapy for my back.

There were no witnesses
when the accident happened
I have therapy on 11-12-14
I have been volunteering going
on 6 yrs without a complaint
from anyone at the center not
even the seniors that come
to eat lunch. I'm hoping that
you'll help the bills because
I can't pay them by myself
because I only receive 1,000
a month and I pay 440 each
month for rent which leaves
me almost nothing plus I'm
diabetic and have to take
insulin twice a day.

Thank you

Roberto Mella

It happened at the West Allis
~~Sen~~ Senior Center on 70th
and National.
