Resolution

File Number: R-2007-0071

Final Action:

Sponsor(s): Public Works Committee

FEB 20 2007

Resolution authorizing and directing the City Engineer to pay for sanitary sewer lateral repairs at 835 South 96th Street in the amount of \$3,552.14.

WHEREAS, the Board of Public Works has a long standing policy of the City's responsibility for making repairs to sanitary sewer laterals from the point of connection to the main sanitary sewer line up through the riser connection; and,

WHEREAS, the Engineering Department has determined that the sanitary sewer lateral at 835 South 96th Street failed based on field observations; and,

NOW, THEREFORE, BE IT RESOLVED By the Common Council of the City of West Allis that the City Engineer be and is hereby authorized and directed to make fair payment for the repair work to Rozga Plumbing and Heating Corporation in the amount of \$3,552.14 from Account #501-2901-537-61-02.

ADOPTED

Quantity	Description	Each	Price
3.50	<p>The job started out being a private sanitary lateral repair at the property of Ms. Kunz. Upon excavation over the water main, it became apparent that the underside of the sanitary lateral was not supported during the water main repair and a concrete construction joint had separated with the weight of the backfill above it. Brian Block was called in to look at this situation prior to any repair.</p> <p>Additionally, the gas service which ran above the sanitary lateral, was sagged in the middle over the water main. Prior to our being able to support this service and while we were exposing the top of the service the service line cracked at the main connection point and had to be shut down and repaired by We Energies.</p> <p>Once our repair was done and inspected by Brian Block, we assisted in backfilling the hole with the stone provided by West Allis Water Dept. We provided road plates for the evening and removed them on Friday 1-5-07, when the City finished back filling. Road restoration by the City, per Brian.</p> <p>3-man Excavation Crew - Straight Time, 1-4-07, Once We-Energies had the gas shut down, we finished cleaning out the bottom, laid in an approx. 10' length of pipe, tucked and bedded with the stone provided by City of West Allis Water Dept.</p> <p>WE HAVE CREDITED ALL OVERTIME AND WE ARE NOT CHARGING FOR THE DOWN TIME WAITING ON WE ENERGIES.</p> <p>THOUGH I AM IN DISPUTE WITH WE ENERGIES AS TO THE EXISTING CONDITION OF THE GAS SERVICE, AND THE GAS LINE WAS SAGGED FROM THE ORIGINAL BACK FILL OF THE WATER MAIN REPAIR, I DO NOT WISH TO IMPOSE ON THE CITY OF WEST ALLIS FOR OUR EXPENSE.</p>	246.00	861.00
