Color	Purpose
Gold/Orange	Primary brand color – unapologetic, fearlessly authentic
Japanese Indigo	Secondary – Accessibility, strength
Medium Champagne	Accent – balance, accessibility
Fair Aqua	Accent – calm, trustworthy

Logos Paired with New Colors

- Color Palette
  - We wanted to introduce a new color specifically for the senior center brand. A color that feels energetic, optimistic, and fresh, while still being accessible and friendly to a wide age range.

This permit allows discharges of storm water from all portions of the City's MS4 to waters of the state. The following Scope of Services defines the activities that will be conducted by AECOM to assist the City with meeting the IDDE permit requirements.

Task 18 - 2026 IDDE

Field Screening

AECOM will follow-up and screen outfalls recommended from the prior year's report. As time and budget permits, AECOM will screen additional outfalls, but no greater than 20% of the major and/or priority minor outfalls within the City.

The goal of the screening is to detect and eliminate potential illicit discharges entering the storm sewer system. If flow is present at an outfall, a grab sample will be taken, and chemical tests will be conducted using field kits. If an outfall tests outside the expected range for one or more parameters, the goal is to sample upstream of the outfall to isolate the source of the pollutant(s).

For E Coli testing, at each outfall that is screened, AECOM will collect samples in Whirl-Paks and drop off the samples at the UW Milwaukee School of Freshwater Sciences for analysis.

Outfall results can vary based on annual weather conditions, seasonal variations, and potential intermittent flows. This makes it possible for skewed/unclear test results during an initial screening, and sometimes a site needs to be revisited to get a clear picture. If a drainage system requires follow-up screening or field screening results in isolating the pollutant(s) to a single pipe or ditch segment, the field crew may conduct a "windshield survey". The survey may include documenting findings or photographing the surrounding area including buildings and other items of interest, including but not limited to outdoor storage areas, staining, or other potential signs of illicit discharges or dumping. No internal entry of homes or businesses is included in this effort.

It is assumed a total of 3-4 visits will be made to complete the outfall screening and any upstream or follow-up investigations. It is understood that investigations are often made over time and not necessarily just within one screening year, and investigations will be made as time and budget permits.

Meetings and Report

Results will be summarized in a format acceptable for inclusion in the City's annual MS4 report. A draft of the report will be provided to the City for review.

AECOM will communicate with the City to review the results of the field screening. Outfalls where flow was observed and chemical testing indicated potential illicit discharges will be focused on.

Schedule:

Dry weather screening should be conducted after approximately a 72-hour dry period (a period described as containing non-measurable precipitation or ideally, less than 0.1 inch of rainfall). A draft report will be provided to the City by the end of January 2027 and a final report within two weeks after receiving City comments.

Deliverables:

One electronic PDF copy of the draft and final report will be provided to the City. A hard copy of the final report can be provided if requested by the City.

Cost Estimate

The following is the estimated cost to complete the scope of services as presented.

Task 18 – 2026 IDDE.....$22,500

Total $22,500

The total cost will amend the project with an additional $22,500 of fees, for a total project fee of $312,200.

SUBJECT: Announcement of **2026 Recycling Grants to Responsible Units**

Dear Responsible Unit Contact:

On behalf of the Governor, the Department of Natural Resources (DNR) is pleased to offer an award of $253,532.54 to your responsible unit to offset your recycling program costs during the current calendar year. This grant amount is composed of your Basic Recycling Grant + the Recycling Consolidation grant if you applied and are eligible. Remember that the total grant amount may not exceed projected net eligible costs as stated in your grant application.

Basic Recycling Grant Award	$238,937.13
Recycling Consolidation Grant Award	$14,595.41

Calculating Your Basic Recycling Grant
Your Basic Recycling grant amount was determined as prescribed by Wisconsin Statutes:

1- We identify your RU percentage of total available funds from 1999, then
2- We apply that percentage to the total available grant appropriation ($19,000,000).

Calculating Your Recycling Consolidation Grant
Per Wisconsin Statutes, the consolidation grant awards are calculated on a per capita basis. A total of **211** Responsible Units applied for this grant by the deadline and are eligible to receive this grant. The total population of all those eligible applicants is **4,133,698**. The Legislature provided $1M for this program. So, the per capita rate is **$0.241** per person in each Responsible Unit ($1,000,000 ÷ by population = $0.243 per person in eligible RUs).

Timing of Grant Check
The grant award payments will be issued as one check per responsible unit on or before **June 1, 2026**.

Accepting Grant Conditions
By endorsing the grant check, you are accepting this award and agree to comply with the grant conditions, the program's financial guidelines, and the assurances you signed in your grant application. Grant conditions can be found at the Basic Recycling Grant website under the “RESOURCES” tab:
https://dnr.wisconsin.gov/aid/Recycling.html

Important Reminders

- If you spent less than the awarded amount within the current grant year, you will be required to repay the difference between your awarded amount and the actual amount you spent. A separate notification about this will be sent to affected RUs.
- Your Recycling Grant Award is to be used for eligible expenditures directly related to the cost estimates submitted with your grant application—*Estimated Budget Spreadsheet*.
- **You will report actual 2026 recycling costs in the spring of 2027** *Annual Report of Recycling Program Accomplishments*. This Annual Report is necessary for maintaining continuity of data collection and to determine whether or not your total net eligible recycling costs matched or exceeded your grant award.

We appreciate your efforts to recycle in Wisconsin. Should you have any questions about this letter or the recycling grant program, please contact Wendy Soleska, Grant Manager by e-mail at Wendy.Soleska@wisconsin.gov or by telephone number (608) 852-1358.

Sincerely,

Jim Ritchie,
Director Community Financial Assistance

ON THE MORNING OF 2-15-26 AFTER RUNNING THE WASHING MACHINE WE DISCOVERED IN THE BASEMENT WE HAD A SEWER BACK UP HAPPENING WITH AT LEAST ONE INCH OF WATER ALREADY. STOPPED ALL WATER USAGE AND BY NOON WENT TO HOME DEPOT TO RENT AN INDUSTRIAL SNAKE. THE SNAKE INTURN DID NOT PULL UP ANY ROOTS OR RAW SEWAGE INSTEAD MOSTLY LEAVES, MUD AND EVENTUALLY GRAVEL. THE SNAKE THEN GOT STUCK LITERALLY IN THE MAIN DRAIN AND WE TRIED FOR HOURS TO GET IT OUT IT WAS LITERALLY STUCK GETTING. SINCE IT WAS SUNDAY EVENING WE WENT WITHOUT WATER USAGE ALL DAY AND NIGHT AND FINALLY MONDAY MORNING 2-16-26 WE CALLED TO HAVE A PROFESSIONAL COMPANY COME OUT TO SEE IF THEY COULD SNAKE OUT AND GET A CAMERA IN THERE TO ASSESS THE ISSUE. THEY TOO COULD NOT GET PAST A CERTAIN AMOUNT OF FEET TO THE SIDEWALK IN WHICH THEIR CAMERA SHOWED A POSSIBLE COLLAPSE PIPE THEY RECOMMENDED TO CALL THE CITY AND ASK FOR A LATERAL CHECK OF THE MAIN INFRONT OF OUR HOUSE SINCE THEY WERE AWARE OF A WATER MAIN BREAK THAT OCCURED A MONTH PRIOR IN WHICH THE CITY WAS CALLED TO FIX. BY LATE AFTERNOON 2-16-26 CITY OF WEST ALLIS CAME AND THEY WORKED FOR HOURS AND HAD TO RE-DIG TO SEE IF IT WAS SOMETHING THEY DID FROM THE PRIOR FIX AND IN TURN IT WAS A COLLAPSED PIPE NEEDING TO BE FIXED ON THE CITY OF WEST ALLIS SIDE. BETWEEN THE RENTAL OF EQUIPMENT, PROFESSIONAL COMPANY, CLEAN UP OF SEWER WATER AND BOXES RUINED. WE ARE ASKING THE CITY TO REIMBURSE US FOR THE COSTS WE INCURRED DURING THIS TIME. THANK YOU.

inattentive driving; vi) otherwise failing to obey the laws and rules of the road of the State of Wisconsin.

15. The Defendant's negligence was a proximate cause of the serious personal injuries suffered by the Plaintiff, EUGENE.

paragraphs 1 through 15, inclusive, as if more fully set forth herein.

19. At all times material hereto, the Defendant, CITIES & VILLAGES, was subject to Wis. Stat. § 628.46, the "timely payment of claims" statute. Pursuant to said statute, all insurers, including the Defendant, must pay a claim within thirty (30) days of being furnished written notice of the claim and the amount of the claim. Said statute further provides that even if notice is not furnished as to the entire claim, any partial amount supported by written notice is overdue if not paid within thirty (30) days after such written notice is furnished to the insurer. Said statute also provides that twelve percent (12%) simple interest accrues on any overdue payments.

20. On or about 12/14/23, the Defendant, CITIES & VILLAGES, was furnished with written notice of claim and proof of loss including, amongst other documents, documentation of Plaintiff EUGENE'S past and future health care expenses in the sum of $291,479.91.

22. Despite receiving the aforementioned proof of loss, the Defendant, CIITES & VILLAGES, has not, to date, made any payments to the Plaintiff and, consequently, twelve percent (12%) simple interest has been accruing since 01/13/24, on the amount of the Plaintiff's claim and proof of loss submitted to the Defendant, CITIES & VILLAGES, and will continue to accrue until such time as payment is made.

WHEREFORE, the Plaintiff demands judgment against the Defendants, CITIES & VILLAGES, CITY OF WEST ALLIS, and/or XYZ, jointly and severally, as follows:

c) For all costs, disbursements, attorneys' fees, and all interest due and owing pursuant to Wis. Stat. § 628.46; and

d) For such other and further relief as the Court deems just and equitable.

CONSENT TO PROCEED BEFORE A MAGISTRATE JUDGE

This form must be filed with the Clerk of Court within 21 days of receipt. Although choosing to have your case decided by a magistrate judge is optional and refusal will not have adverse substantive consequences, the timely return of this completed form is mandatory.

If you do not consent to a magistrate judge hearing your case, a district judge will hear your case. Aside from cases subject to the Prison Litigation Reform Act, magistrate judges in this district generally play no further role in civil cases pending before district judges and do not issue reports and recommendations.

Magistrate judges do not conduct felony trials, and therefore felony trials do not interfere with scheduling and processing of cases before magistrate judges.

ASSIGNMENT OF CIVIL CASES
EASTERN DISTRICT OF WISCONSIN

At the time a new civil action is filed, it is assigned by random selection to either a district judge or a magistrate judge in accordance with the local rules. Pursuant to the provisions of 28 U.S.C. §636(c) and Rule 73 of the Federal Rules of Civil Procedure, a United States Magistrate Judge may, with the consent of the parties, conduct all proceedings in this civil action, including a bench or jury trial and order the entry of judgment. The statute provides for direct appeal to the U.S. Court of Appeals for the Seventh Circuit.

Once the assigned district or magistrate judge has been selected, the local rules of this district require that each party to the action receive a copy of the "consent form." Each party shall complete the form and file it with the Clerk of Court **within 21 days** after its receipt.

If this case has been randomly assigned to a **district judge** and all parties consent to have the magistrate judge conduct all proceedings in the case, the district judge may enter an order transferring the case to the magistrate judge.

If this case has been randomly assigned to a **magistrate judge** and not all parties consent, then the case will be reassigned by random selection to a district judge. If all parties consent, the magistrate judge will conduct all proceedings in the action.

While the decision to consent or not to consent to the exercise of jurisdiction by the magistrate judge is entirely voluntary, the duty to respond to this order is **mandatory**. Your response shall be made to the Clerk of Court only on the form on the reverse side of this notice.

IT IS THEREFORE ORDERED, that you complete this form and file it with the Clerk of Court within **twenty-one (21) days** from receipt.

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN

DEVIN D. WILLIAMS,

Plaintiff,

v.

JORDAN COOPER, OFFICER LAZARIS, and OFFICER SCHENK,

Defendants.

Case No. 24-CV-768-JPS

ORDER

Plaintiff Devin D. Williams, an inmate confined at the Milwaukee Secure Detention Facility ("MSDF"), filed a pro se complaint under 42 U.S.C. § 1983 alleging that Defendants violated his constitutional rights. ECF No. 1. This Order resolves Plaintiff's motion for leave to proceed without prepaying the filing fee and screens his complaint.

1. MOTION FOR LEAVE TO PROCEED WITHOUT PREPAYING THE FILING FEE

The Prison Litigation Reform Act ("PLRA") applies to this case because Plaintiff was a prisoner when he filed his complaint. *See* 28 U.S.C. § 1915(h). The PLRA allows the Court to give a prisoner plaintiff the ability to proceed with his case without prepaying the civil case filing fee. *Id.* § 1915(a)(2). When funds exist, the prisoner must pay an initial partial filing fee. 28 U.S.C. § 1915(b)(1). He must then pay the balance of the $350 filing fee over time, through deductions from his prisoner account. *Id.*

On July 24, 2024, the Court ordered Plaintiff to pay an initial partial filing fee of $79.82. ECF No. 6. Plaintiff paid that fee on August 6, 2024. The Court will grant Plaintiff's motion for leave to proceed without prepaying

the filing fee. ECF No. 2. He must pay the remainder of the filing fee over time in the manner explained at the end of this Order.

2. SCREENING THE COMPLAINT

2.1 Federal Screening Standard

Under the PLRA, the Court must screen complaints brought by prisoners seeking relief from a governmental entity or an officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). The Court must dismiss a complaint if the prisoner raises claims that are legally "frivolous or malicious," that fail to state a claim upon which relief may be granted, or that seek monetary relief from a defendant who is immune from such relief. 28 U.S.C. § 1915A(b).

In determining whether the complaint states a claim, the Court applies the same standard that applies to dismissals under Federal Rule of Civil Procedure 12(b)(6). *See Cesal v. Moats*, 851 F.3d 714, 720 (7th Cir. 2017) (citing *Booker-El v. Superintendent, Ind. State Prison*, 668 F.3d 896, 899 (7th Cir. 2012)). A complaint must include "a short and plain statement of the claim showing that the pleader is entitled to relief." Fed. R. Civ. P. 8(a)(2). The complaint must contain enough facts, accepted as true, to "state a claim for relief that is plausible on its face." *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 570 (2007)). "A claim has facial plausibility when the plaintiff pleads factual content that allows a court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Id.* (citing *Twombly*, 550 U.S. at 556).

To state a claim for relief under 42 U.S.C. § 1983, a plaintiff must allege that someone deprived him of a right secured by the Constitution or the laws of the United States and that whoever deprived him of this right was acting under the color of state law. *D.S. v. E. Porter Cnty. Sch. Corp.*, 799

F.3d 793, 798 (7th Cir. 2015) (citing *Buchanan–Moore v. County of Milwaukee*, 570 F.3d 824, 827 (7th Cir. 2009)). The Court construes pro se complaints liberally and holds them to a less stringent standard than pleadings drafted by lawyers. *Cesal*, 851 F.3d at 720 (citing *Perez v. Fenoglio*, 792 F.3d 768, 776 (7th Cir. 2015)).

2.2 Plaintiff's Allegations

On February 2, 2024, Defendant Officer Jordan Cooper ("Cooper") of the West Allis Police Department pulled Plaintiff over after parking at a residence in West Allis. ECF No. 1 at 2. Cooper said that Plaintiff was avoiding him by pulling over. *Id.* Plaintiff's friend stayed at the address where Cooper pulled him over. *Id.* During the stop, Cooper saw a bag of marijuana and asked to see Plaintiff's driver's license. *Id.* Cooper saw Plaintiff's hand shaking but he did not ask why. *Id.* Cooper assumed that Plaintiff was afraid or hiding something, but Plaintiff has a medical condition that makes his body shake constantly. *Id.* Cooper wanted to do a strip search with no probable cause to arrest Plaintiff.

Plaintiff was arrested along with two other occupants in the car. *Id.* at 3. However, Plaintiff was the only one subjected to a strip search. *Id.* Plaintiff initially refused the strip search, but at some point, complied. Defendant Officers Lazaris ("Lazaris") and Schenk ("Schenk") assisted Cooper with a body cavity search of Plaintiff's anus. *Id.* Plaintiff again refused. *Id.* One of the officers opened the door so that the others could look at Plaintiff naked. *Id.* This action was done to humiliate Plaintiff. *Id.* The officer stated that he cracked open the door, but he gave no valid reason. *Id.*

Plaintiff believes that because marijuana is decriminalized, he should only have been given a ticket. *Id.* Plaintiff maintains that the officers' actions during the strip search could be considered sexual assault. *Id.*

2.3 Analysis

First, the Court will allow Plaintiff to proceed on a Fourth Amendment claim for his illegal seizure. The Fourth Amendment prohibits "unreasonable searches and seizures." U.S. Const. amend IV. Temporary detention of individuals during the stop of an automobile by the police, even if only for a brief period and for a limited purpose, constitutes a seizure under the Fourth Amendment. *Whren v. United States*, 517 U.S. 806, 809–10 (1996). The Fourth Amendment permits brief traffic stops if an officer has a "reasonable suspicion" of a traffic violation. *United States v. Cole*, 21 F.4th 421, 427 (7th Cir. 2021). "A detour that prolongs the stop violates the Fourth Amendment unless the officer has reasonable suspicion of other criminal activity to independently justify prolonging the stop." *Id.* at 428.

Here, Plaintiff alleges that Cooper pulled him over in his vehicle for simply parking on the street near a friend's residence. At the screening stage, the Court finds that Plaintiff has sufficiently stated a Fourth Amendment claim against Cooper for illegal seizure.

Second, the Court will not allow Plaintiff to proceed on a claim for his subsequent arrest. Plaintiff alleges that Cooper saw a bag of marijuana in plain view during the stop. "A warrantless arrest is constitutionally permissible if supported by probable cause." *United States v. Sands*, 815 F.3d 1057, 1061–62 (7th Cir. 2015). Probable cause for an arrest exists if the totality of the "facts and circumstances within the officer's knowledge ... are sufficient to warrant a prudent person, or one of reasonable caution, [to] believ[e], in the circumstances shown, that the suspect has committed, is committing, or is about to commit an offense." *Michigan v. DeFillippo*, 443 U.S. 31, 37 (1979). Plaintiff believes marijuana is legal in the state of

Wisconsin; however, he is incorrect. *See United States v. Paige*, 870 F.3d 693, 700 (7th Cir. 2017). The Seventh Circuit has clarified that, despite its evolving legal status, it was "undisputed that marijuana possession remains a crime in Wisconsin." *Id.* (citing Wis. Stat. § 961.41(3g)(e)). Given Plaintiff's admission that the marijuana was in plain view during the stop, the Court concludes that Cooper had probable cause to arrest Plaintiff for marijuana possession. *See id.*

Third, the Court will allow Plaintiff to proceed on his illegal strip search claim. If an officer has probable cause to arrest, he or she also may conduct a search incident to that lawful arrest without any additional justification. *Id.* (citing *United States v. Robinson*, 414 U.S. 218, 235 (1973)). However, an otherwise permissible search may still violate the constitution when it is performed unreasonably. *See Henry v. Hulett*, 969 F.3d 769, 781 (7th Cir. 2020). "The Fourth Amendment thus protects prisoners from searches that may be related to or serve some institutional objective, but where guards nevertheless perform the searches in an unreasonable manner, in an unreasonable place, or for an unreasonable purpose." *Id.* When evaluating a prisoner's claim involving a strip search under the Fourth Amendment, a court "must assess that search for its reasonableness, considering 'the scope of the particular intrusion, the manner in which it is conducted, the justification for initiating it, and the place in which it is conducted.'" *Id.* at 779 (quoting *Bell v. Wolfish*, 441 U.S. 520, 559 (1979)).

Applying that standard here, the Court will allow Plaintiff to proceed on a Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk. Plaintiff alleges that these defendants conducted a strip search that included a body cavity search of Plaintiff's anus. Plaintiff further alleges that they held the door open to allow others to see his naked

body for the purpose of humiliating him. As such, the Court will allow Plaintiff to proceed on a Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk.

3. CONCLUSION

In light of the foregoing, the Court finds that Plaintiff may proceed on the following claims pursuant to 28 U.S.C. § 1915A(b):

Claim One: Fourth Amendment illegal seizure claim against Cooper.

Claim Two: Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk.

The Court has enclosed with this Order guides prepared by court staff to address common questions that arise in cases filed by prisoners. These guides are entitled, "Answers to Prisoner Litigants' Common Questions" and "Answers to Pro Se Litigants' Common Questions." They contain information that Plaintiff may find useful in prosecuting his case.

Accordingly,

IT IS ORDERED that Plaintiff's motion for leave to proceed without prepaying the filing fee, ECF No. 2, be and the same is hereby **GRANTED**;

IT IS FURTHER ORDERED that the U.S. Marshals Service shall serve a copy of the complaint and this order upon Defendants **Cooper, Lazaris, and Schenk** pursuant to Federal Rule of Civil Procedure 4. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(a). Although Congress requires the Court to order service by the U.S. Marshals Service, it has not made any provision for these fees to be waived either by the Court or by the U.S. Marshals Service. The current fee for waiver-of-service packages is $8.00 per item mailed. The full fee schedule is provided at 28 C.F.R.

§§ 0.114(a)(2), (a)(3). The U.S. Marshals Service will give Plaintiff information on how to remit payment. The Court is not involved in collection of the fee;

IT IS FURTHER ORDERED that Defendants **Cooper, Lazaris, and Schenk** shall file a responsive pleading to the complaint;

IT IS FURTHER ORDERED if Defendants contemplate a motion to dismiss, the parties must meet and confer before the motion is filed. Defendants should take care to explain the reasons why they intend to move to dismiss the complaint, and Plaintiff should strongly consider filing an amended complaint. The Court expects this exercise in efficiency will obviate the need to file most motions to dismiss. Indeed, when the Court grants a motion to dismiss, it typically grants leave to amend unless it is "certain from the face of the complaint that any amendment would be futile or otherwise unwarranted." *Harris v. Meisner*, No. 20-2650, 2021 WL 5563942, at *2 (7th Cir. Nov. 29, 2021) (quoting *Runnion ex rel. Runnion v. Girl Scouts of Greater Chi. & Nw. Ind.*, 786 F.3d 510, 524 (7th Cir. 2015)). Therefore, it is in both parties' interest to discuss the matter prior to motion submissions. Briefs in support of, or opposition to, motions to dismiss should cite no more than ten (10) cases per claim. No string citations will be accepted. If Defendants file a motion to dismiss, Plaintiff is hereby warned that he must file a response, in accordance with Civil Local Rule 7 (E.D. Wis.), or he may be deemed to have waived any argument against dismissal and face dismissal of this matter with prejudice;

IT IS FURTHER ORDERED that the agency having custody of Plaintiff shall collect from his institution trust account the $270.18 balance of the filing fee by collecting monthly payments from Plaintiff's prison trust account in an amount equal to 20% of the preceding month's income

credited to Plaintiff's trust account and forwarding payments to the Clerk of Court each time the amount in the account exceeds $10 in accordance with 28 U.S.C. § 1915(b)(2). The payments shall be clearly identified by the case name and number assigned to this case. If Plaintiff is transferred to another county, state, or federal institution, the transferring institution shall forward a copy of this Order along with his remaining balance to the receiving institution;

IT IS FURTHER ORDERED that a copy of this Order be sent to the officer in charge of the agency where Plaintiff is confined; and

IT IS FURTHER ORDERED that the Clerk's Office mail Plaintiff a copy of the guides entitled "Answers to Prisoner Litigants' Common Questions" and "Answers to Pro Se Litigants' Common Questions," along with this Order.

Dated at Milwaukee, Wisconsin, this 17th day of October, 2024.

CONSENT TO PROCEED BEFORE A MAGISTRATE JUDGE

This form must be filed with the Clerk of Court within 21 days of receipt. Although choosing to have your case decided by a magistrate judge is optional and refusal will not have adverse substantive consequences, the timely return of this completed form is mandatory.

If you do not consent to a magistrate judge hearing your case, a district judge will hear your case. Aside from cases subject to the Prison Litigation Reform Act, magistrate judges in this district generally play no further role in civil cases pending before district judges and do not issue reports and recommendations.

Magistrate judges do not conduct felony trials, and therefore felony trials do not interfere with scheduling and processing of cases before magistrate judges.

Pursuant to the provisions of 28 U.S.C. §636(c) and Rule 73 of the Federal Rules of Civil Procedure, a United States Magistrate Judge may, with the consent of the parties, conduct all proceedings in this civil action, including a bench or jury trial and order the entry of judgment. The statute provides for direct appeal to the U.S. Court of Appeals for the Seventh Circuit.

Once the assigned district or magistrate judge has been selected, the local rules of this district require that each party to the action receive a copy of the "consent form." Each party shall complete the form and file it with the Clerk of Court **within 21 days** after its receipt.

If this case has been randomly assigned to a **district judge** and all parties consent to have the magistrate judge conduct all proceedings in the case, the district judge may enter an order transferring the case to the magistrate judge.

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN

DEVIN D. WILLIAMS,

Plaintiff,

v.

JORDAN COOPER, OFFICER LAZARIS, and OFFICER SCHENK,

Defendants.

Case No. 24-CV-768-JPS

ORDER

Plaintiff Devin D. Williams, an inmate confined at the Milwaukee Secure Detention Facility ("MSDF"), filed a pro se complaint under 42 U.S.C. § 1983 alleging that Defendants violated his constitutional rights. ECF No. 1. This Order resolves Plaintiff's motion for leave to proceed without prepaying the filing fee and screens his complaint.

1. MOTION FOR LEAVE TO PROCEED WITHOUT PREPAYING THE FILING FEE

The Prison Litigation Reform Act ("PLRA") applies to this case because Plaintiff was a prisoner when he filed his complaint. *See* 28 U.S.C. § 1915(h). The PLRA allows the Court to give a prisoner plaintiff the ability to proceed with his case without prepaying the civil case filing fee. *Id.* § 1915(a)(2). When funds exist, the prisoner must pay an initial partial filing fee. 28 U.S.C. § 1915(b)(1). He must then pay the balance of the $350 filing fee over time, through deductions from his prisoner account. *Id.*

On July 24, 2024, the Court ordered Plaintiff to pay an initial partial filing fee of $79.82. ECF No. 6. Plaintiff paid that fee on August 6, 2024. The Court will grant Plaintiff's motion for leave to proceed without prepaying

the filing fee. ECF No. 2. He must pay the remainder of the filing fee over time in the manner explained at the end of this Order.

2. SCREENING THE COMPLAINT

2.1 Federal Screening Standard

Under the PLRA, the Court must screen complaints brought by prisoners seeking relief from a governmental entity or an officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). The Court must dismiss a complaint if the prisoner raises claims that are legally "frivolous or malicious," that fail to state a claim upon which relief may be granted, or that seek monetary relief from a defendant who is immune from such relief. 28 U.S.C. § 1915A(b).

In determining whether the complaint states a claim, the Court applies the same standard that applies to dismissals under Federal Rule of Civil Procedure 12(b)(6). *See Cesal v. Moats*, 851 F.3d 714, 720 (7th Cir. 2017) (citing *Booker-El v. Superintendent, Ind. State Prison*, 668 F.3d 896, 899 (7th Cir. 2012)). A complaint must include "a short and plain statement of the claim showing that the pleader is entitled to relief." Fed. R. Civ. P. 8(a)(2). The complaint must contain enough facts, accepted as true, to "state a claim for relief that is plausible on its face." *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 570 (2007)). "A claim has facial plausibility when the plaintiff pleads factual content that allows a court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Id.* (citing *Twombly*, 550 U.S. at 556).

To state a claim for relief under 42 U.S.C. § 1983, a plaintiff must allege that someone deprived him of a right secured by the Constitution or the laws of the United States and that whoever deprived him of this right was acting under the color of state law. *D.S. v. E. Porter Cnty. Sch. Corp.*, 799

F.3d 793, 798 (7th Cir. 2015) (citing *Buchanan–Moore v. County of Milwaukee*, 570 F.3d 824, 827 (7th Cir. 2009)). The Court construes pro se complaints liberally and holds them to a less stringent standard than pleadings drafted by lawyers. *Cesal*, 851 F.3d at 720 (citing *Perez v. Fenoglio*, 792 F.3d 768, 776 (7th Cir. 2015)).

2.2 Plaintiff's Allegations

On February 2, 2024, Defendant Officer Jordan Cooper ("Cooper") of the West Allis Police Department pulled Plaintiff over after parking at a residence in West Allis. ECF No. 1 at 2. Cooper said that Plaintiff was avoiding him by pulling over. *Id.* Plaintiff's friend stayed at the address where Cooper pulled him over. *Id.* During the stop, Cooper saw a bag of marijuana and asked to see Plaintiff's driver's license. *Id.* Cooper saw Plaintiff's hand shaking but he did not ask why. *Id.* Cooper assumed that Plaintiff was afraid or hiding something, but Plaintiff has a medical condition that makes his body shake constantly. *Id.* Cooper wanted to do a strip search with no probable cause to arrest Plaintiff.

Plaintiff was arrested along with two other occupants in the car. *Id.* at 3. However, Plaintiff was the only one subjected to a strip search. *Id.* Plaintiff initially refused the strip search, but at some point, complied. Defendant Officers Lazaris ("Lazaris") and Schenk ("Schenk") assisted Cooper with a body cavity search of Plaintiff's anus. *Id.* Plaintiff again refused. *Id.* One of the officers opened the door so that the others could look at Plaintiff naked. *Id.* This action was done to humiliate Plaintiff. *Id.* The officer stated that he cracked open the door, but he gave no valid reason. *Id.*

Plaintiff believes that because marijuana is decriminalized, he should only have been given a ticket. *Id.* Plaintiff maintains that the officers' actions during the strip search could be considered sexual assault. *Id.*

2.3 Analysis

First, the Court will allow Plaintiff to proceed on a Fourth Amendment claim for his illegal seizure. The Fourth Amendment prohibits "unreasonable searches and seizures." U.S. Const. amend IV. Temporary detention of individuals during the stop of an automobile by the police, even if only for a brief period and for a limited purpose, constitutes a seizure under the Fourth Amendment. *Whren v. United States*, 517 U.S. 806, 809–10 (1996). The Fourth Amendment permits brief traffic stops if an officer has a "reasonable suspicion" of a traffic violation. *United States v. Cole*, 21 F.4th 421, 427 (7th Cir. 2021). "A detour that prolongs the stop violates the Fourth Amendment unless the officer has reasonable suspicion of other criminal activity to independently justify prolonging the stop." *Id.* at 428.

Here, Plaintiff alleges that Cooper pulled him over in his vehicle for simply parking on the street near a friend's residence. At the screening stage, the Court finds that Plaintiff has sufficiently stated a Fourth Amendment claim against Cooper for illegal seizure.

Second, the Court will not allow Plaintiff to proceed on a claim for his subsequent arrest. Plaintiff alleges that Cooper saw a bag of marijuana in plain view during the stop. "A warrantless arrest is constitutionally permissible if supported by probable cause." *United States v. Sands*, 815 F.3d 1057, 1061–62 (7th Cir. 2015). Probable cause for an arrest exists if the totality of the "facts and circumstances within the officer's knowledge ... are sufficient to warrant a prudent person, or one of reasonable caution, [to] believ[e], in the circumstances shown, that the suspect has committed, is committing, or is about to commit an offense." *Michigan v. DeFillippo*, 443 U.S. 31, 37 (1979). Plaintiff believes marijuana is legal in the state of

Wisconsin; however, he is incorrect. *See United States v. Paige*, 870 F.3d 693, 700 (7th Cir. 2017). The Seventh Circuit has clarified that, despite its evolving legal status, it was "undisputed that marijuana possession remains a crime in Wisconsin." *Id.* (citing Wis. Stat. § 961.41(3g)(e)). Given Plaintiff's admission that the marijuana was in plain view during the stop, the Court concludes that Cooper had probable cause to arrest Plaintiff for marijuana possession. *See id.*

Third, the Court will allow Plaintiff to proceed on his illegal strip search claim. If an officer has probable cause to arrest, he or she also may conduct a search incident to that lawful arrest without any additional justification. *Id.* (citing *United States v. Robinson*, 414 U.S. 218, 235 (1973)). However, an otherwise permissible search may still violate the constitution when it is performed unreasonably. *See Henry v. Hulett*, 969 F.3d 769, 781 (7th Cir. 2020). "The Fourth Amendment thus protects prisoners from searches that may be related to or serve some institutional objective, but where guards nevertheless perform the searches in an unreasonable manner, in an unreasonable place, or for an unreasonable purpose." *Id.* When evaluating a prisoner's claim involving a strip search under the Fourth Amendment, a court "must assess that search for its reasonableness, considering 'the scope of the particular intrusion, the manner in which it is conducted, the justification for initiating it, and the place in which it is conducted.'" *Id.* at 779 (quoting *Bell v. Wolfish*, 441 U.S. 520, 559 (1979)).

Applying that standard here, the Court will allow Plaintiff to proceed on a Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk. Plaintiff alleges that these defendants conducted a strip search that included a body cavity search of Plaintiff's anus. Plaintiff further alleges that they held the door open to allow others to see his naked

body for the purpose of humiliating him. As such, the Court will allow Plaintiff to proceed on a Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk.

3. CONCLUSION

In light of the foregoing, the Court finds that Plaintiff may proceed on the following claims pursuant to 28 U.S.C. § 1915A(b):

Claim One: Fourth Amendment illegal seizure claim against Cooper.

Claim Two: Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk.

IT IS FURTHER ORDERED if Defendants contemplate a motion to dismiss, the parties must meet and confer before the motion is filed. Defendants should take care to explain the reasons why they intend to move to dismiss the complaint, and Plaintiff should strongly consider filing an amended complaint. The Court expects this exercise in efficiency will obviate the need to file most motions to dismiss. Indeed, when the Court grants a motion to dismiss, it typically grants leave to amend unless it is "certain from the face of the complaint that any amendment would be futile or otherwise unwarranted." *Harris v. Meisner*, No. 20-2650, 2021 WL 5563942, at *2 (7th Cir. Nov. 29, 2021) (quoting *Runnion ex rel. Runnion v. Girl Scouts of Greater Chi. & Nw. Ind.*, 786 F.3d 510, 524 (7th Cir. 2015)). Therefore, it is in both parties' interest to discuss the matter prior to motion submissions. Briefs in support of, or opposition to, motions to dismiss should cite no more than ten (10) cases per claim. No string citations will be accepted. If Defendants file a motion to dismiss, Plaintiff is hereby warned that he must file a response, in accordance with Civil Local Rule 7 (E.D. Wis.), or he may be deemed to have waived any argument against dismissal and face dismissal of this matter with prejudice;

IT IS FURTHER ORDERED that the agency having custody of Plaintiff shall collect from his institution trust account the $270.18 balance of the filing fee by collecting monthly payments from Plaintiff's prison trust account in an amount equal to 20% of the preceding month's income

credited to Plaintiff's trust account and forwarding payments to the Clerk of Court each time the amount in the account exceeds $10 in accordance with 28 U.S.C. § 1915(b)(2). The payments shall be clearly identified by the case name and number assigned to this case. If Plaintiff is transferred to another county, state, or federal institution, the transferring institution shall forward a copy of this Order along with his remaining balance to the receiving institution;

IT IS FURTHER ORDERED that a copy of this Order be sent to the officer in charge of the agency where Plaintiff is confined; and

IT IS FURTHER ORDERED that the Clerk's Office mail Plaintiff a copy of the guides entitled "Answers to Prisoner Litigants' Common Questions" and "Answers to Pro Se Litigants' Common Questions," along with this Order.

CONSENT TO PROCEED BEFORE A MAGISTRATE JUDGE

This form must be filed with the Clerk of Court within 21 days of receipt. Although choosing to have your case decided by a magistrate judge is optional and refusal will not have adverse substantive consequences, the timely return of this completed form is mandatory.

If you do not consent to a magistrate judge hearing your case, a district judge will hear your case. Aside from cases subject to the Prison Litigation Reform Act, magistrate judges in this district generally play no further role in civil cases pending before district judges and do not issue reports and recommendations.

Magistrate judges do not conduct felony trials, and therefore felony trials do not interfere with scheduling and processing of cases before magistrate judges.

ASSIGNMENT OF CIVIL CASES
EASTERN DISTRICT OF WISCONSIN

At the time a new civil action is filed, it is assigned by random selection to either a district judge or a magistrate judge in accordance with the local rules. Pursuant to the provisions of 28 U.S.C. §636(c) and Rule 73 of the Federal Rules of Civil Procedure, a United States Magistrate Judge may, with the consent of the parties, conduct all proceedings in this civil action, including a bench or jury trial and order the entry of judgment. The statute provides for direct appeal to the U.S. Court of Appeals for the Seventh Circuit.

Once the assigned district or magistrate judge has been selected, the local rules of this district require that each party to the action receive a copy of the "consent form." Each party shall complete the form and file it with the Clerk of Court **within 21 days** after its receipt.

If this case has been randomly assigned to a **district judge** and all parties consent to have the magistrate judge conduct all proceedings in the case, the district judge may enter an order transferring the case to the magistrate judge.

If this case has been randomly assigned to a **magistrate judge** and not all parties consent, then the case will be reassigned by random selection to a district judge. If all parties consent, the magistrate judge will conduct all proceedings in the action.

While the decision to consent or not to consent to the exercise of jurisdiction by the magistrate judge is entirely voluntary, the duty to respond to this order is **mandatory**. Your response shall be made to the Clerk of Court only on the form on the reverse side of this notice.

IT IS THEREFORE ORDERED, that you complete this form and file it with the Clerk of Court within **twenty-one (21) days** from receipt.

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN

DEVIN D. WILLIAMS,

Plaintiff,

v.

JORDAN COOPER, OFFICER LAZARIS, and OFFICER SCHENK,

Defendants.

Case No. 24-CV-768-JPS

ORDER

Plaintiff Devin D. Williams, an inmate confined at the Milwaukee Secure Detention Facility ("MSDF"), filed a pro se complaint under 42 U.S.C. § 1983 alleging that Defendants violated his constitutional rights. ECF No. 1. This Order resolves Plaintiff's motion for leave to proceed without prepaying the filing fee and screens his complaint.

1. MOTION FOR LEAVE TO PROCEED WITHOUT PREPAYING THE FILING FEE

The Prison Litigation Reform Act ("PLRA") applies to this case because Plaintiff was a prisoner when he filed his complaint. *See* 28 U.S.C. § 1915(h). The PLRA allows the Court to give a prisoner plaintiff the ability to proceed with his case without prepaying the civil case filing fee. *Id.* § 1915(a)(2). When funds exist, the prisoner must pay an initial partial filing fee. 28 U.S.C. § 1915(b)(1). He must then pay the balance of the $350 filing fee over time, through deductions from his prisoner account. *Id.*

On July 24, 2024, the Court ordered Plaintiff to pay an initial partial filing fee of $79.82. ECF No. 6. Plaintiff paid that fee on August 6, 2024. The Court will grant Plaintiff's motion for leave to proceed without prepaying

the filing fee. ECF No. 2. He must pay the remainder of the filing fee over time in the manner explained at the end of this Order.

2. SCREENING THE COMPLAINT

2.1 Federal Screening Standard

Under the PLRA, the Court must screen complaints brought by prisoners seeking relief from a governmental entity or an officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). The Court must dismiss a complaint if the prisoner raises claims that are legally "frivolous or malicious," that fail to state a claim upon which relief may be granted, or that seek monetary relief from a defendant who is immune from such relief. 28 U.S.C. § 1915A(b).

In determining whether the complaint states a claim, the Court applies the same standard that applies to dismissals under Federal Rule of Civil Procedure 12(b)(6). *See Cesal v. Moats*, 851 F.3d 714, 720 (7th Cir. 2017) (citing *Booker-El v. Superintendent, Ind. State Prison*, 668 F.3d 896, 899 (7th Cir. 2012)). A complaint must include "a short and plain statement of the claim showing that the pleader is entitled to relief." Fed. R. Civ. P. 8(a)(2). The complaint must contain enough facts, accepted as true, to "state a claim for relief that is plausible on its face." *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 570 (2007)). "A claim has facial plausibility when the plaintiff pleads factual content that allows a court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Id.* (citing *Twombly*, 550 U.S. at 556).

To state a claim for relief under 42 U.S.C. § 1983, a plaintiff must allege that someone deprived him of a right secured by the Constitution or the laws of the United States and that whoever deprived him of this right was acting under the color of state law. *D.S. v. E. Porter Cnty. Sch. Corp.*, 799

F.3d 793, 798 (7th Cir. 2015) (citing *Buchanan–Moore v. County of Milwaukee*, 570 F.3d 824, 827 (7th Cir. 2009)). The Court construes pro se complaints liberally and holds them to a less stringent standard than pleadings drafted by lawyers. *Cesal*, 851 F.3d at 720 (citing *Perez v. Fenoglio*, 792 F.3d 768, 776 (7th Cir. 2015)).

2.2 Plaintiff's Allegations

On February 2, 2024, Defendant Officer Jordan Cooper ("Cooper") of the West Allis Police Department pulled Plaintiff over after parking at a residence in West Allis. ECF No. 1 at 2. Cooper said that Plaintiff was avoiding him by pulling over. *Id.* Plaintiff's friend stayed at the address where Cooper pulled him over. *Id.* During the stop, Cooper saw a bag of marijuana and asked to see Plaintiff's driver's license. *Id.* Cooper saw Plaintiff's hand shaking but he did not ask why. *Id.* Cooper assumed that Plaintiff was afraid or hiding something, but Plaintiff has a medical condition that makes his body shake constantly. *Id.* Cooper wanted to do a strip search with no probable cause to arrest Plaintiff.

Plaintiff was arrested along with two other occupants in the car. *Id.* at 3. However, Plaintiff was the only one subjected to a strip search. *Id.* Plaintiff initially refused the strip search, but at some point, complied. Defendant Officers Lazaris ("Lazaris") and Schenk ("Schenk") assisted Cooper with a body cavity search of Plaintiff's anus. *Id.* Plaintiff again refused. *Id.* One of the officers opened the door so that the others could look at Plaintiff naked. *Id.* This action was done to humiliate Plaintiff. *Id.* The officer stated that he cracked open the door, but he gave no valid reason. *Id.*

Plaintiff believes that because marijuana is decriminalized, he should only have been given a ticket. *Id.* Plaintiff maintains that the officers' actions during the strip search could be considered sexual assault. *Id.*

2.3 Analysis

First, the Court will allow Plaintiff to proceed on a Fourth Amendment claim for his illegal seizure. The Fourth Amendment prohibits "unreasonable searches and seizures." U.S. Const. amend IV. Temporary detention of individuals during the stop of an automobile by the police, even if only for a brief period and for a limited purpose, constitutes a seizure under the Fourth Amendment. *Whren v. United States*, 517 U.S. 806, 809–10 (1996). The Fourth Amendment permits brief traffic stops if an officer has a "reasonable suspicion" of a traffic violation. *United States v. Cole*, 21 F.4th 421, 427 (7th Cir. 2021). "A detour that prolongs the stop violates the Fourth Amendment unless the officer has reasonable suspicion of other criminal activity to independently justify prolonging the stop." *Id.* at 428.

Here, Plaintiff alleges that Cooper pulled him over in his vehicle for simply parking on the street near a friend's residence. At the screening stage, the Court finds that Plaintiff has sufficiently stated a Fourth Amendment claim against Cooper for illegal seizure.

Second, the Court will not allow Plaintiff to proceed on a claim for his subsequent arrest. Plaintiff alleges that Cooper saw a bag of marijuana in plain view during the stop. "A warrantless arrest is constitutionally permissible if supported by probable cause." *United States v. Sands*, 815 F.3d 1057, 1061–62 (7th Cir. 2015). Probable cause for an arrest exists if the totality of the "facts and circumstances within the officer's knowledge ... are sufficient to warrant a prudent person, or one of reasonable caution, [to] believ[e], in the circumstances shown, that the suspect has committed, is committing, or is about to commit an offense." *Michigan v. DeFillippo*, 443 U.S. 31, 37 (1979). Plaintiff believes marijuana is legal in the state of

Wisconsin; however, he is incorrect. *See United States v. Paige*, 870 F.3d 693, 700 (7th Cir. 2017). The Seventh Circuit has clarified that, despite its evolving legal status, it was "undisputed that marijuana possession remains a crime in Wisconsin." *Id.* (citing Wis. Stat. § 961.41(3g)(e)). Given Plaintiff's admission that the marijuana was in plain view during the stop, the Court concludes that Cooper had probable cause to arrest Plaintiff for marijuana possession. *See id.*

Third, the Court will allow Plaintiff to proceed on his illegal strip search claim. If an officer has probable cause to arrest, he or she also may conduct a search incident to that lawful arrest without any additional justification. *Id.* (citing *United States v. Robinson*, 414 U.S. 218, 235 (1973)). However, an otherwise permissible search may still violate the constitution when it is performed unreasonably. *See Henry v. Hulett*, 969 F.3d 769, 781 (7th Cir. 2020). "The Fourth Amendment thus protects prisoners from searches that may be related to or serve some institutional objective, but where guards nevertheless perform the searches in an unreasonable manner, in an unreasonable place, or for an unreasonable purpose." *Id.* When evaluating a prisoner's claim involving a strip search under the Fourth Amendment, a court "must assess that search for its reasonableness, considering 'the scope of the particular intrusion, the manner in which it is conducted, the justification for initiating it, and the place in which it is conducted.'" *Id.* at 779 (quoting *Bell v. Wolfish*, 441 U.S. 520, 559 (1979)).

Applying that standard here, the Court will allow Plaintiff to proceed on a Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk. Plaintiff alleges that these defendants conducted a strip search that included a body cavity search of Plaintiff's anus. Plaintiff further alleges that they held the door open to allow others to see his naked

body for the purpose of humiliating him. As such, the Court will allow Plaintiff to proceed on a Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk.

3. CONCLUSION

In light of the foregoing, the Court finds that Plaintiff may proceed on the following claims pursuant to 28 U.S.C. § 1915A(b):

Claim One: Fourth Amendment illegal seizure claim against Cooper.

Claim Two: Fourth Amendment illegal strip search claim against Cooper, Lazaris, and Schenk.

The Court has enclosed with this Order guides prepared by court staff to address common questions that arise in cases filed by prisoners. These guides are entitled, "Answers to Prisoner Litigants' Common Questions" and "Answers to Pro Se Litigants' Common Questions." They contain information that Plaintiff may find useful in prosecuting his case.

Accordingly,

IT IS ORDERED that Plaintiff's motion for leave to proceed without prepaying the filing fee, ECF No. 2, be and the same is hereby **GRANTED**;

IT IS FURTHER ORDERED that the U.S. Marshals Service shall serve a copy of the complaint and this order upon Defendants **Cooper, Lazaris, and Schenk** pursuant to Federal Rule of Civil Procedure 4. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(a). Although Congress requires the Court to order service by the U.S. Marshals Service, it has not made any provision for these fees to be waived either by the Court or by the U.S. Marshals Service. The current fee for waiver-of-service packages is $8.00 per item mailed. The full fee schedule is provided at 28 C.F.R.

§§ 0.114(a)(2), (a)(3). The U.S. Marshals Service will give Plaintiff information on how to remit payment. The Court is not involved in collection of the fee;

IT IS FURTHER ORDERED that Defendants **Cooper, Lazaris, and Schenk** shall file a responsive pleading to the complaint;

IT IS FURTHER ORDERED if Defendants contemplate a motion to dismiss, the parties must meet and confer before the motion is filed. Defendants should take care to explain the reasons why they intend to move to dismiss the complaint, and Plaintiff should strongly consider filing an amended complaint. The Court expects this exercise in efficiency will obviate the need to file most motions to dismiss. Indeed, when the Court grants a motion to dismiss, it typically grants leave to amend unless it is "certain from the face of the complaint that any amendment would be futile or otherwise unwarranted." *Harris v. Meisner*, No. 20-2650, 2021 WL 5563942, at *2 (7th Cir. Nov. 29, 2021) (quoting *Runnion ex rel. Runnion v. Girl Scouts of Greater Chi. & Nw. Ind.*, 786 F.3d 510, 524 (7th Cir. 2015)). Therefore, it is in both parties' interest to discuss the matter prior to motion submissions. Briefs in support of, or opposition to, motions to dismiss should cite no more than ten (10) cases per claim. No string citations will be accepted. If Defendants file a motion to dismiss, Plaintiff is hereby warned that he must file a response, in accordance with Civil Local Rule 7 (E.D. Wis.), or he may be deemed to have waived any argument against dismissal and face dismissal of this matter with prejudice;

IT IS FURTHER ORDERED that the agency having custody of Plaintiff shall collect from his institution trust account the $270.18 balance of the filing fee by collecting monthly payments from Plaintiff's prison trust account in an amount equal to 20% of the preceding month's income

credited to Plaintiff's trust account and forwarding payments to the Clerk of Court each time the amount in the account exceeds $10 in accordance with 28 U.S.C. § 1915(b)(2). The payments shall be clearly identified by the case name and number assigned to this case. If Plaintiff is transferred to another county, state, or federal institution, the transferring institution shall forward a copy of this Order along with his remaining balance to the receiving institution;

IT IS FURTHER ORDERED that a copy of this Order be sent to the officer in charge of the agency where Plaintiff is confined; and

IT IS FURTHER ORDERED that the Clerk's Office mail Plaintiff a copy of the guides entitled "Answers to Prisoner Litigants' Common Questions" and "Answers to Pro Se Litigants' Common Questions," along with this Order.

Dated at Milwaukee, Wisconsin, this 17th day of October, 2024.

Broker Opinion of Value for 1423 S 81st st Rooming House

In my professional opinion the value of this property is $585,000. This number reflects the potential the property has, not the current state.

As you can see from the attached report, at $585,000 value the cap rate is 3.68%. This is using the exact 2024 numbers.

If you use the correct cap rate of 10% the value would be $215,540.
10 cap is the market rate and also the city assessors opinion as well.

Based on the correct value of the property, not even the correct value based on cap rate, the difference between the citys assessed valuation of $808,100 and the correct value of $585,000 would result in the overtaxed amount of $4,940.

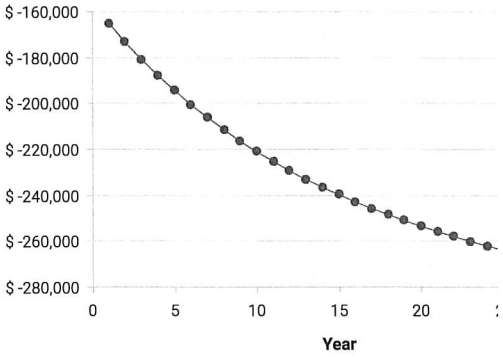
Optimal Holding Period based on NP



This charts shows Net Present Value (NPV) when property is sold in various years, i.e. when sold in 5th year, the NPV is calculated from 5 years of Cash Flow (including the selling price) and this NPV is displayed in year 5. Optimal holding period can be estimated, using this method - when NPV is the highest. Please note that appreciation growth can change these numbers greatly. It sometimes makes sense to sell the property even before the end of the mortgage term.

If you are not satisfied with the BOR's decision, there are appeal options available. **Note:** Each appeal option has filing requirements. For more information on the appeal process, review the Property Assessment Appeal Guide. Visit revenue.wi.gov and search keyword "Assessment Appeal."

Appeal to:

Department of Revenue (DOR) – must file within 20 days after receipt of the BOR's determination notice or within 30 days after the date specified on the affidavit if there is no return receipt. A $100 filing fee is required. The fair market value of the items or parcels cannot exceed $1 million dollars. DOR may revalue the property any time before November 1 of the assessment year or within 60 days after receiving the appeal, whichever is later. If adjusted, the value is substituted for the original value and taxes paid accordingly. (sec. 70.85, Wis. Stats.)

Circuit Court - Action for Certiorari – must file within 90 days after receiving the determination notice. The Court decides based on the written record from the BOR. You cannot submit new evidence. (sec. 70.47(13), Wis. Stats.)

Municipality - Excessive Assessment – must first appeal to the BOR and have not appealed the BOR's decision to Circuit Court or to DOR. You cannot claim an excessive assessment under sec. 74.37, Wis. Stats., unless the tax is timely paid. A claim under section 74.37 must be filed with the municipality by January 31 of the year the tax is payable.

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Subject: Pothole Damage and Reimbursement Request

Dear Department of Public Work (Street Division):

On March 10, 2026, near 68th Street and Kearney, heading south onto 68th Street in West Allis, at approximately 6:20 a.m., while following construction cones, I was directed to drive closer to the right side of the road where there were a series of large/deep potholes. My vehicle struck those potholes, which unfortunately caused significant damage and resulted in a tire failure. For a time, those potholes presented a safety hazard to other motorists as well.

Since that day, I do see the areas has been improved and newly paved, resulting in a major improvement for drivers. Hats off to you for getting that done!

Still, as a result of this incident, I had to replace the damaged tire and have attached documentation including photos of the potholes, photos of the damaged tire, and the repair receipt. The total cost incurred was $203.16, and I respectfully request the City of West Allis reimburse me so that I may be made whole for this unexpected expense.

Thank you for your time and for your work maintaining the City's streets. Please let me know if any additional information would be helpful. Sincerely, Maureen Hoenigman (262-844-4460)

NOTICE OF CLAIM

Date of incident: 12/18/2025 Time of day: 07:00
Location: corner of Washington & 116th Streets

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

I had a slip and fall accident on city property (sidewalk) on the morning of 12/18/2025.

I sustained a right shoulder fracture.

I am seeking reimbursement of monies that my health insurance company already paid: 12612.52 and monies I already paid in copays/coinsurance 1085.84. Total sought is: 13158.36.

I was walking to the Route 18 bus stop, because I take the bus to travel to work. The sidewalk was not properly cleared of ice. It would not have been legal or safe for me to walk in the street. I slipped and fell before reaching the bus stop. I could not get up on my own. A passerby discovered me laying on the sidewalk, picked me up, brushed me off, and kindly drove me home. Once home, I discovered that I could not move my right arm. I proceeded to call my husband home from work. He then took me to Aurora West Allis Medical Center for treatment. I was treated and released that same day. I am still unsure if surgery is in my future. I am still going for Occupational Therapy to try to regain use of my right shoulder. My employer has granted that I may work from home until better healed. A full recovery from my injury is very uncertain at this time. Thank you for your consideration in this matter.

Re: Requested documents

To Whom It May Concern:

This letter is in response to your request for records for the above listed matter. Since you are making your request under the public records law, my response to your request will be framed under the provisions of those statutes and the case law interpreting them.

I have been mindful in preparing these records for release that the purpose of the Wisconsin public records law is to shed light on the workings of government and the acts of public officers and employees in their official capacities. Wis. Stat. § 19.31 declares: "*In recognition of the fact that a representative government is dependent upon an informed electorate, it is declared to be the public policy of this state that all persons are entitled to the greatest possible information regarding the affairs of government and the official acts of those officers and employees who represent them.*" In addition to Wis. Stat. § 19.31, see *Building and Constr. Trades Council v. Waukakee Comm. Sch. Dist., 221 Wis. 2d 575, 582, 585 N.W.2d 726 (Ct. App. 1998).*

In considering your request, I initially determined whether there is a statute or case law requiring disclosure or creating a blanket disclosure exception. Thereafter, I performed the balancing test to decide whether the strong presumption favoring disclosure is overcome by some even stronger presumption favoring limited access or non-disclosure. For the reasons set forth below, I have decided to partially deny your request for records, specifically:

Personal identifying information of individuals associated with an incident investigated by law enforcement has been redacted from records.

- In performing the balancing test, I determined that the public interest in disclosure of personal identifying information of individuals associated with an incident investigated by law enforcement is outweighed by the public interest in the privacy on the part of individuals as well as the public interest in individuals cooperating with authorities. Furthermore, this information has been redacted to protect against identity theft or other unauthorized use. Additionally, this information has been redacted to protect against harassment. Finally, the redacted information sheds little, if any, light on the affairs of the government.

Other requested records are being made available.

Wis. Stat. § 19.35(4)(b) requires that you be informed this determination is subject to review under Wis. Stat. § 19.37(1). You may bring an action for mandamus asking for a court to order release of the records or request the District Attorney or Attorney General to bring an action for mandamus asking a court to order a release of the records. The Milwaukee County District Attorney's office is located at 949 North 9th Street, Milwaukee, WI, 53233. The Milwaukee County Children's Court Center is located at 10201 West Watertown Plank Road, Wauwatosa, WI, 53226. The State Attorney General's office is located at Wisconsin Department of Justice, 114 East State Capitol, P.O. Box 7857, Madison, WI 53707-7857.

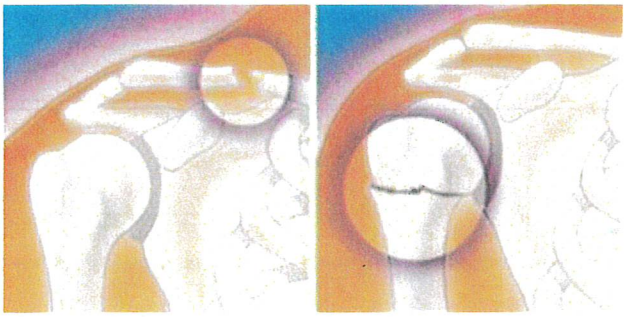
Caring for a Shoulder Fracture

A shoulder fracture is when one or more of the bones in your shoulder break. The shoulder is made up of three bones. The first is the collarbone, also called the clavicle. The second is the shoulder blade, also called the scapula. The third is the top part of your arm bone, called the humerus. A fracture means a break or crack in one of these bones.



Why Does a Shoulder Fracture Happen?

A shoulder fracture can happen from a fall, a car accident, or injury. It can also occur with a minor injury if your bones are weak from osteoporosis, which makes bones break more easily.

Signs and Symptoms of a Shoulder Fracture

- **Pain:** You may have pain in your shoulder or upper arm.
- **Swelling:** Your shoulder might be swollen and tender.
- **Bruising:** You may notice bruises around your shoulder.
- **Limited movement:** It might be hard to move your shoulder or arm.

Tests or Care You May Have Had

- **X-ray:** This is a picture of your bones to check for breaks or cracks.
- **CT scan:** This gives a more detailed image of your shoulder to see the exact damage.
- **Sling or brace:** You may have been given a sling to hold your shoulder in place while it heals.

- **Pain medicine:** You might have been given medicine to help manage the pain.

What to Expect

- **Healing:** Many shoulder fractures heal in about 6 to 12 weeks. Some can take longer. You may need to wear a sling or brace for part of this time.
- **Follow-up visits:** It is essential to keep your follow-up appointments with your care team so they can check on your healing.
- **Physical therapy:** You may need treatment to help regain strength and movement in your shoulder.

Things You Can Do at Home to Help

Medicines

- You may need pain medicine like ibuprofen, naproxen, or acetaminophen to help with pain and swelling. If you take blood thinners, have a history of bleeding, stomach ulcers, or ongoing disease of your kidneys or liver, ask your care team which pain medicine is safe for you.
- If you are given an opioid pain medication such as hydrocodone or oxycodone, follow directions carefully, as opioid pain medications have a risk of addiction and overdose that can lead to hospitalization or death. Take the lowest dose needed for the shortest time to help manage pain.

Healthy Habits

- **Eat well:** Eating foods rich in calcium and vitamin D, like dairy products, leafy greens, and fish, helps your bones heal.
- **Take supplements:** Your care team may suggest taking calcium and vitamin D supplements. Calcium and vitamin D are the building blocks of your bones.
- **Get protein:** Be sure to get enough protein in your diet. This helps healing.
- **Stay hydrated:** Drinking plenty of water helps your body recover.

Changes in Routine

- **Rest:** Rest your shoulder as much as possible. Avoid lifting heavy objects or using your arm until your care team says it is okay.

- **Wear your sling as instructed:** If given a sling, wear it as instructed. Slings can make the shoulder and elbow stiff if used improperly. If you are instructed to use a sling, be sure to take your arm out of the sling at least once a day to allow the elbow and shoulder to straighten and move.

Therapy or Exercise

- **Physical therapy:** If your care team recommends it, follow the exercises your physical therapist gives you. This will help you get your movement and strength back.

When to Contact Your Care Team

Call your care team if:

- Your pain gets worse or does not improve with medicine.
- Your arm or hand feels numb or tingly.
- You notice swelling or redness around the shoulder that was not there before.

When to Call 911 or Go to the Emergency Room

Get help right away if you:

- You have trouble breathing or feel dizzy.
- Your arm or hand looks blue or feels cold.
- You develop redness and swelling in the arm.

Thank You for Choosing Us

Thank you for trusting us with your care. We are here to support you and want you to feel your best. If you have any questions, please contact us.

Medication Safety: What you need to know

Maintain Security - It is important to keep all medications in a secure location:

Keep out of the reach of children and pets

Consider using a lock box or locked filing cabinet

Place pill bottles in private area such as bedroom or drawer

Don't Share - It is illegal to share your prescription medication, even with family:

The doctor prescribes medications specifically for you and your body

You cannot be sure how the drug may affect others physically or emotionally

It is a criminal offense to share prescriptions

Proper Disposal - It is no longer acceptable to flush or throw away medications:

Recent studies show measurable amounts of medication have been found in drinking water and wildlife due to flushing or throwing away medications

Medication strength changes over time and is not typically safe after one year

Proper disposal removes the medication from your home in a safe way so that others don't have access to it. Use your local drug drop site.

Your local pharmacy can provide information on medication disposal options in your community. The Department of Justice Drug Enforcement Administration website also has information on safe medication disposal:

0940 Xrays with acute minimally displaced fracture of the proximal humerus at the surgical neck, difficult to assess but may also extend to the humeral head or greater tuberosity. Humeral head remains articulated with the glenoid. [TM]

1029 Patient rechecked. I updated her on imaging which demonstrates minimally displaced fracture of the proximal humerus, discussed plan for sling, additional pain medication, patient states she tolerated Norco without difficulty. Discussed plans for discharge following pain control, with outpatient follow-up to orthopedics in 1 week and instructions to wear sling at all times. Will prescribe oxycodone 5 mg as needed for severe pain with recommendations for Tylenol and/or ibuprofen. [TM]

1119 Patient rechecked. She reports improvement in pain, feels comfortable discharge at this time. ED return precautions provided. Patient expressed understanding and is agreeable to plan. [TM]

Narrative

RIGHT SHOULDER MRI WITHOUT CONTRAST DATED 3/12/2026 4:13 PM.

CLINICAL HISTORY: Proximal humerus fracture. Evaluate rotator cuff.

COMPARISONS: X-rays dated 2/9/2026.

TECHNIQUE: Coronal T1, Coronal T2FS, Sag T1, Sag T2FS, and Axial PDFS images of the right shoulder were obtained. Images were obtained on a Siemens Aera 1.5T MRI unit.

FINDINGS:

ROTATOR CUFF AND ASSOCIATED STRUCTURES: Severe supraspinatus tendinosis without discrete tear. Mild infraspinatus tendinosis is also noted. Intact subscapularis tendon.

BICEPS TENDON: Intra-articular biceps tendinosis. No tear.

ACROMIOCLAVICULAR JOINT: Capsular hypertrophy. Minimal anterolateral downsloping with undersurface spurring of the acromion.

FLUID: Minimal glenohumeral joint fluid. No significant bursal effusion.

OSSEOUS STRUCTURES ARTICULATIONS: Comminuted proximal humeral fractures including dominant surgical neck fracture as well as fractures extending to the greater and lesser tuberosities. A large intra-articular fragment is present within the axillary recess which measures approximately 15 x 11 mm. Edema throughout the proximal humerus as well as involving the intact coracoid process. Edema associated with degenerative changes of the acromioclavicular joint.

LABRUM/CAPSULE: Suspect tearing of the superior and posterior-superior labrum. Labral degeneration is noted circumferentially.

Distended capsule within the axillary recess related to a large intra-articular fragment. No definite capsular tear.

MUSCULATURE: Severe teres minor muscle atrophy.

ORTHOPEDIC EVALUATION

CHIEF COMPLAINT: Office Visit (Follow up// right shoulder MRI results.)

SUBJECTIVE:

A 61-year-old female with a history of right shoulder injury following a fall on 12/18 presents for ongoing right shoulder pain, limited range of motion, and functional impairment.

Right shoulder pain has gradually improved since the injury but remains persistent, particularly at night. She reports waking three to four times nightly due to discomfort when her arm or hand is positioned too low or when attempting to sleep on the affected side. Daytime symptoms are less pronounced but worsen with prolonged typing, resulting in achiness and radiating nerve symptoms down the arm. Use of a heating pad provides some relief.

Functional limitations include difficulty with activities of daily living such as toileting with the left hand, dressing, and putting on a bra due to restricted motion and weakness. She is unable to achieve full range of motion and continues to lack strength for certain movements. Occupational therapy has introduced isometric exercises to address strength deficits. She remains in physical therapy twice weekly and continues to work from home to accommodate her physical limitations.

ASSESSMENT/PLAN:

1. Right shoulder comminuted proximal humerus fracture with partial rotator cuff tear with biceps tendon involvement: Partial tearing of rotator cuff and biceps tendon abnormality contributing to symptoms. Healing progressing, but limited range of motion and discomfort persist, especially at night and with certain activities.
Physical therapy reduced to once weekly for 1 month, then every other week for 1 month, totaling 6 visits over 6–8 weeks. Continue isometric strengthening exercises as instructed by occupational therapist. Note provided to allow continued work from home for 2 months due to physical limitations. Reevaluate in 2 months; if frozen shoulder or persistent discomfort, discuss options such as cortisone injection or surgery.

Follow-up: Reevaluation in 2 months. If she is not making continued progress with regards to both range of motion and strength as well as function, we may need to begin discussing shoulder arthroplasty.

To whom it may concern,
I would like to file a claim for damages to my 2007 chevy trailblazer caused by a city plow. Sometime within a few days of 12/01/2025, my car was hit during the heavy snowfall in front of my house at 1717 S 80th street. I am unsure of the exact date as the damage was quickly covered by snow. The damage appears to be from a large city plow. There is a large dent across the rear left quarter panel and part of the liftgate above the tail light, as well as cracks and missing pieces from the plastic of the left tail light.

West Allis Auto Body estimated the cost of repair to be $2,630.55 including tax and labor; Caliber Collision estimated the cost of repair to be $3,412.07 including tax and labor.

I have purchased and installed a new tail light as it was not legal to drive without and have enclosed the receipt as well as the 2 estimates, accident report, and photos of the damage. The cost of parts and labor for the tail light subtracted from the estimates would put the cost of repair at $2449.55 by West Allis Auto Body and $3323.42 by Caliber Collision.

I am seeking compensation for repairs and appreciate any help you are able to give.

Thank you for your time,
Julie Sueoka

PDO: On 12/09/2025 at 1408hrs, I responded to 1717 S 80 St. for a report of a PDO accident which occurred sometime over the past week. I arrived on scene and made contact with Kevin Rozell M/W 04/24/1976. Rozell noticed damage to his vehicle, 2007 Chevrolet Blazer Wi Plate# AZH-4976. There was rear damage to the drivers side of his vehicle. There was a 10 inch dent, above his taillight and the taillight was broken. It appeared as if a sharp flat object (possible snowplow) struck it. Rozell does not know exactly when this happened but believed it happened after the first snowfall on 12/01/2025. The vehicle has been moving around for the past week but believes it occurred in front of his residence.

RE: Settlement Demand - August, 5 2025
Excessive Force Incident

Dear City Attorney:

- I am writing to resolve a civil rights claim arising from an incident on August 5, 2025 at 6410 W. Moltke Ave milwaukee, WI 53210

- During execution of a search warrant, I fully complied with officers commands, exited the residence with my hands raised and was placed on my knees and handcuffed. While restrained and not resisting, officer Brockman slammed my head onto concrete, causing a laceration, swelling, and permanent scarring. I was transported to West Allis Hospital for Treatment.

- This use of force was objectively unreasonable and violated my rights under the Fourth Amendment to the United States Constitution (42 U.S.C. s1983).

- This incident was captured on video including body worn camera footage and Ring Camera footage

- As a result, I have suffered physical injury, permanent scarring, pain, and emotinal & mental distress.

- In officer Brockman use of force report he claimed I try to flee and seem as I would cause harm to other officers. Those statement are false. On camera not once did I resist. He claimed to try to use a head tactic police use and lower my head in grass. False I was already kneeled on concrete. There is no way you can mistake that for grass. The police department also failed to review the incident report internally. Also any Dr. will tell you, you would have to apply alot of force and pressure to leave a big permanent mark on someones forehead.

- In an effort to resolve this matter without litigation, I am willing to sette all claims against the City of West Allis and its officers for:

$ 5,000,000

- However I'am willing to sette for less then my initial price. I will Settle for:

$ 3,100,000

This offer is made in good faith to avoid the costs and risks of litigation. If this matter is not resolved. I have a letter and documents I will send to the DOJ, so they could look into WAPD for violations they may have done over the past few years. I will release the ring camera footage to the NAACP so they can help me with the media because police Brutality on Blacks needs to stop and officers who lie need to be punish. I will seek charges against officer Blackman for Assault. I also have prepared and ready to file a federal Civil rights lawsuit, and I will seek the full $5,000,000 and will not take any deal nor will I negotiate.

5/26/21

If the $3,100,000 offer is accepted I will sign a NDA, and will not pursue any of the things I just mentioned in the last paragraph. I have all the footage and Hospital records my case is strong, extremly strong.

- Please respond within 30 days of receipt of this letter.

Sincerely,
Roman R. Williams 9/1/1989

LOCATION OF EVENT GIVING RISE TO CLAIM:

West Greenfield Avenue/Eastbound State Highway 59, 273 feet east of South 68th Street, in the City of West Allis, County of Milwaukee, State of Wisconsin

DATE: May 2, 2026 **TIME:** 4:15 p.m.

CIRCUMSTANCES OF EVENTS GIVING RISE TO CLAIM:

Attached as Exhibit 1 is the Wisconsin Motor Vehicle Accident report documenting the circumstances surrounding Malik Merriweather's claim against the City of West Allis. The report also documents that the City of West Allis admits liability for this claim.

On May 2, 2026, our client, Malik Merriweather, was traveling eastbound in his vehicle on Greenfield Avenue, preparing to make a left hand turn into a private business parking lot. At the same time, Mark Burckel, an employee of the City of West Allis Police Department, was traveling eastbound on Greenfield Avenue on the wrong side of the road (operating a motor vehicle owned by the City of West Allis). Upon information and belief, Mark Burckel was within the scope of his employment with the City of Allis/West Allis Police Department at the time of the subject accident.

While on Greenfield Avenue, Mr. Burckel's vehicle crashed into the vehicle occupied by our client, Malik Merriweather. The right-side front of Mr. Burckel's vehicle impacted the left-side front of our client's vehicle. The claimant alleges that Mr. Burckel was negligent in the operation of the motor vehicle owned by the City of West Allis and failed to overtake properly, failed to pass correctly (by passing on the left/wrong side or wrong way), failed to maintain a proper lookout, was driving in excess of the speed limit, failed to yield the right of way, failed to operate his vehicle with due regard under the circumstances, and was otherwise negligent, and that said negligence was the cause of the subject collision. The claimant's notice of injury is being made with respect to the coverage carried by the City of West Allis on May 2, 2026. As a result of the collision, the claimant, Malik Merriweather, sustained injuries, including, but not limited to, head pain, neck pain, and back pain. The claimant's damages

include, but are not limited to, medical expenses, loss of earning capacity, and pain and suffering.

ITEMIZED STATEMENT OF RELIEF SOUGHT

PLEASE TAKE NOTICE that pursuant to Wis. Stat. § 893.80(1d)(b), our client, Malik Merriweather, by his attorneys, Cannon & Dunphy, S.C., of 595 N. Barker Road, P.O. Box 1750, Brookfield, WI 53008-1750, hereby submits a formal Itemization of Relief Sought:

WHEREFORE, pursuant to Wis. Stat. § 893.80(1d)(b) and Wis. Stat. § 345.05, Malik Merriweather, 9315 West Edgewater, Milwaukee, WI 53224, claims damages against Mark Burckel, the City of West Allis Police Department (Mark Burckel's employer), and the City of West Allis (also Mark Burckel's employer) in the amount of $250,000 (the statutory cap). Again, the claimant's damages include, but are not limited to, medical expenses, loss of earning capacity, and pain and suffering.

Dated at Brookfield, Wisconsin this 9th day of June, 2026.

Driving south on 92nd street, hit a pot hole that blew out my tire. Had to wait 2 hours for AAA to come and put on my spare. It was not a happy day - either with West Allis streets or AAA road service. Couldn't drive my car for six days because I no longer had a spare. I got a new tire on Monday May 18th. The cost was $260.27..

ADJUSTABLE RATE NOTE
(1 Year Treasury Index - Rate Caps)

THIS NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. THIS NOTE LIMITS THE AMOUNT MY INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE I MUST PAY.

July 9 , 1997 Wauwatosa , Wisconsin
[Date] [City] [State]

2038- 42 S 57th Street West Allis, WI 53219
[Property Address]

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. $ 112,000.00 (this amount is called "principal"), plus interest, to the order of the Lender. The Lender is M&I Bank of Racine

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder".

2. INTEREST

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 7.500 %. The interest rate I will pay will change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

Solely for the purpose of computing interest, a monthly payment received by the Note Holder within 30 days prior to or after the date it is due will be deemed to be paid on such due date.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the first day of each month beginning on September 1 , 1997 . I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on August 1 , 2027 , I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date".

I will make my monthly payments at M&I Bank of Racine P.O. Box 757 Racine, WI 53401 , or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in the amount of U.S. $ 783.13 . This amount may change.

(C) Monthly Payment Changes

Changes in my monthly payments will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of August 2000 , and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **Two and Three Fourths** percentage points (**2.750** %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than **9.500** % or less than **5.500** %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceeding twelve months. My interest rate will never be greater than **13.500** %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthy payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so.

I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial prepayment may reduce the amount of my monthly payments after the first Change Date following my partial prepayment. However, any reduction due to my partial prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interperted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal I owe under this Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of **15** calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **5.000** % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is delivered or mailed to me.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorsor of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide for a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for monthly payments, with the full debt, if not paid earlier, due and payable on August 1 2027. THIS IS A HOMESTEAD PROPERTY THIS IS A PURCHASE MONEY MORTGAGE

which has the address of 2038- 42 S 57th Street [Street], West Allis [City], Wisconsin 53219 [Zip Code] ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly

flood insurance premiums, if any; (c) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. ss 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not

REEL 4098 IMAG 1216

destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

[redacted] KRAUSE, B.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occured. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmetal protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender

shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give notice of sale in the manner prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. Lender shall publish the notice of sale, and the Property shall be sold in the manner prescribed by applicable law. Lender or its designee may purchase the Property at any sale. The proceeds of the sale shall be applied in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the clerk of the circuit court of the county in which the sale is held.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Accelerated Redemption Periods. If (a) the Property is 20 acres or less in size, (b) Lender in an action to foreclose this Security Instrument waives all right to a judgment for deficiency and (c) Lender consents to Borrower's remaining in possession of the Property, then the sale of the Property may be 6 months from the date the judgment is entered if the Property is owner-occupied at the time of the commencement of the foreclosure action. If conditions (b) and (c) above are met and the Property is not owner-occupied at the time of the commencement of the foreclosure action, then the sale of the Property may be 3 months from the date the judgment is entered. In any event, if the Property has been abandoned, then the sale of the property may be 2 months from the date the judgment is entered.

24. Attorneys' Fees. If this Security Instrument is subject to Chapter 428 of the Wisconsin Statutes, "reasonable attorneys' fees" shall mean only those attorneys' fees allowed by that Chapter.

25. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. ADJUSTABLE RATE RIDER

(1 Year Treasury Index - Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this **9th** day of **July**, **1997**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to

M&I Bank of Racine

(the"Lender") of the same date and covering the property described in the Security Instrument and located at:

2038- 42 S 57th Street
West Allis, WI 53219
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of **7.500** %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of **August**, **2000**, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **Two and Three Fourths** percentage point(s) (**2.750** %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

[redacted]

3111.FRM (1/97) **KRAUSE, B.**

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than **9.500** % or less than **5.500** %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than **13.500** %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

1-4 FAMILY RIDER
Assignment of Rents

THIS 1-4 FAMILY RIDER is made this 9th day of July , 1997 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to

M&I Bank of Racine

(the "Lender")

of the same date and covering the Property described in the Security Instrument and located at:

2038- 42 S 57th Street
West Allis, WI 53219
[Property Address]

1-4 FAMILY COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADDITIONAL PROPERTY SUBJECT TO THE SECURITY INSTRUMENT. In addition to the Property described in the Security Instrument, the following items are added to the Property description, and shall also constitute the Property covered by the Security Instrument: building materials, appliances and goods of every nature whatsoever now or hereafter located in, on, or used, or intended to be used in connection with the Property, including, but not limited to, those for the purposes of supplying or distributing heating, cooling, electricity, gas, water, air and light, fire prevention and extinguishing apparatus, security and access control apparatus, plumbing, bath tubs, water heaters, water closets, sinks, ranges, stoves, refrigerators, dishwashers, disposals, washers, dryers, awnings, storm windows, storm doors, screens, blinds, shades, curtains and curtain rods, attached mirrors, cabinets, panelling and attached floor coverings now or hereafter attached to the Property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the Property covered by the Security Instrument. All of the foregoing together with the Property described in the Security Instrument (or the leasehold estate if the Security Instrument is on a leasehold) are referred to in this 1-4 Family Rider and the Security Instrument as the "Property."

B. USE OF PROPERTY; COMPLIANCE WITH LAW. Borrower shall not seek, agree to or make a change in the use of the Property or its zoning classification, unless Lender has agreed in writing to the change. Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property.

C. SUBORDINATE LIENS. Except as permitted by federal law, Borrower shall not allow any lien inferior to the Security Instrument to be perfected against the Property without Lender's prior written permission.

D. RENT LOSS INSURANCE. Borrower shall maintain insurance against rent loss in addition to the other hazards for which insurance is required by Uniform Covenant 5.

E. "BORROWER'S RIGHT TO REINSTATE" DELETED. Uniform Covenant 18 is deleted.

F. BORROWER'S OCCUPANCY. Unless Lender and Borrower otherwise agree in writing, the first sentence in Uniform Covenant 6 concerning Borrower's occupancy of the Property is deleted. All remaining covenants and agreements set forth in Uniform Covenant 6 shall remain in effect.

G. ASSIGNMENT OF LEASES. Upon Lender's request, Borrower shall assign to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph G, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.

H. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Borrower shall receive the Rents until (i) Lender has given Borrower notice of default pursuant to paragraph 21 of the Security Instrument and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorneys' fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

I. CROSS-DEFAULT PROVISION. Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted by the Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this 1-4 Family Rider.

Your county's Foreclosure Mediation Program (the Program) is administered by Metro Milwaukee Mediation Services, Inc. (MMMS) and is part of the Wisconsin Foreclosure Mediation Network (WFMN). This Program has the support of your County Circuit Court.

The Program is available to assist homeowners facing a mortgage foreclosure action filed in County Circuit Court. Mediation is a confidential and voluntary process where you and the lender seeking to foreclose on your home may discuss ways to resolve your foreclosure case, including reinstatement of the loan and possible modification of the loan terms.

The Program is available to parties to a first or second mortgage foreclosure action involving a one-to-four family residential property. You need not reside in the property, but you may not own more than four other rental properties. In addition, the action must be pending in County Circuit Court. Vacation properties or "seasonal homes" are not eligible, nor are homes under bankruptcy protection.

How does the homeowner request foreclosure mediation?
Along with this notice, you have received the Mediation Request Form. This form is also available through your local Clerk of Circuit Courts website and at http://MediateWisconsin.com. You should complete and send your request form to the program within 20 days of receiving the summons, but if that date has passed, you can still make a late request, as mediation might still be a possibility.

Within two business days of receiving the Mediation Request Form, the Program Administrator will refer a housing counseling agency or documents specialist to you via mail or email. Your second step is to contact your housing counselor or documents specialist to set up a meeting for compiling a complete loan modification application. Once complete, the housing counselor or documents specialist sends the loan modification application directly to the Program Administrator. Your third step is to pay the Program fee by mailing your check or money order to MMMS at P.O. Box 633, Milwaukee, WI 53201 or by calling our office at 414-939-8800 or toll-free at 877-721-6262 with your credit card payment.

After you have completed all three mediation request steps, the Program Administrator will notify your lender to request their participation, seeking a response within 10 business days. Your Lender's non-refundable mediation fee of $300 is due at the time of their consent.

Is participation in mediation required?
Participation is voluntary for the homeowner/borrower and lender. Sometimes, lenders will choose not to participate in mediation, particularly when prior refinances/modifications didn't work out.

While entry into the Foreclosure Mediation Program is voluntary for both parties, by consenting, the parties agree to abide by the process set forth in the court's local rules.

If the Lender declines the invitation to mediate, the Program Administrator will refund all but $50 of your mediation application fee. The $50 is non-refundable and used to off-set program administrative costs. If the Lender agrees to mediate, the entire fee is non-refundable.

How can the Housing Counselor help?
To increase the chance of success at mediation, you are matched with a housing counselor or documents specialist in your area. Housing Counselors are specially trained and certified to go over financial information with you, and to discuss programs that may be available to avoid foreclosure. Documents Specialists are specially trained to help you compile the forms and documentation necessary to submit a complete financial documents package to your mortgage servicer. If you do not take this step, the mediation cannot proceed.

What does mediation cost?
There is no cost to request mediation or to work with a housing counselor/documents specialist. You and your lender must each pay a non-refundable Program fee before the case can be scheduled for mediation. The homeowner fee for cases involving Milwaukee County properties is $100 and for all other counties administered by MMMS, the fee is $200. The Lender fee for all cases administered by MMMS is $300. To make your payment you may mail a check or money order to MMMS, P.O. Box 633, Milwaukee, WI 53201. You may also pay with credit or debit card by phone at 414-939-8800 or toll-free at 877-721-6262.

Does the foreclosure stop during the mediation process?
Even after applying for mediation, you are required to comply with all mandatory deadlines set by the court, including the time to answer the Complaint. Please read the Summons and Complaint *carefully* and make sure you understand your rights and the time-period for filing an Answer or Responsive Pleading. If you do not file an Answer or Responsive Pleading, the court may grant judgment against you and you may lose your right to object to anything that you disagree with in the Complaint.

Do you need a lawyer to participate in the mediation program?
While everyone is always strongly encouraged to consult with an attorney, you are not required to be represented by an attorney.

You may contact the statewide Lawyer Referral and Information Service at (800) 362-9082 to obtain the names of attorneys who may be able to assist you. You may also try the following legal aid organizations based on geographic area: Wisconsin Judicare at (715) 842-1681; Legal Aid Society of Milwaukee at (414) 727-5300, and Legal Action of Wisconsin at (800) 236-1127. Income restrictions may apply.

If you are working with a lawyer, please notify the Program Administrator of their name and contact information.

Who must attend the mediation session?
The mediation session must be attended in person by all homeowners who signed the note. All attorneys must also attend in person or by video conference, if available. The loan servicer will attend by telephone. Either party may have other support persons such as attorneys, loan officers and tax advisers attend or available by phone.

Where can I find additional foreclosure resources?
More information on resources for homeowners facing foreclosure is available at www.MediateWisconsin.com.

City Administrator

To: Common Council
From: Erin Hirn, City Administrator
Date: June 16, 2026
Subject: Approval of Three-Year Strategic Performance Management Software Agreement with ClearPoint Strategy

Purpose

The purpose of this memorandum is to request Common Council approval of a three-year agreement with ClearPoint Strategy, a strategic performance management software platform that will assist the City in managing, tracking, and communicating progress on strategic priorities and organizational goals.

Background

The City is preparing to launch its next Strategic Plan covering the 2027–2031 period. As the organization continues to manage increasingly complex initiatives, capital projects, operational improvements, and performance measures across multiple departments, the need for a centralized system to coordinate, monitor, and report progress has become increasingly important.

Currently, strategic initiatives are tracked through a combination of spreadsheets, reports, presentations, and departmental updates. While these methods provide information, they do not offer a comprehensive, real-time view of organizational progress or a consistent method for tracking accountability across departments.

Multiple solutions were researched bringing forward two solutions that were put before department heads before bringing to you today.

ClearPoint Strategy is a cloud-based platform specifically designed for public-sector strategic planning and performance management. The software is utilized by municipalities, counties, and other governmental organizations to manage strategic plans, performance measures, departmental initiatives, and public-facing dashboards.

Benefits to the Organization

Internal Project Management and Accountability

A significant benefit of the platform is its ability to serve as the City's centralized strategic management system.

The software will allow staff to:

- Assign ownership and accountability for strategic initiatives.
- Track milestones, deadlines, and project status updates.

Erin M. Hirn
City Administrator
ehirn@westalliswi.gov

- Monitor departmental and cross-departmental objectives.
- Establish performance measures and key indicators.
- Generate executive-level reports and dashboards.
- Reduce reliance on manual spreadsheet tracking and repetitive reporting processes.

As the City continues to implement major initiatives—including strategic plan priorities, facility consolidation projects, infrastructure investments, economic development efforts, organizational excellence initiatives, and intergovernmental collaborations—a centralized project management and reporting platform will help ensure projects remain visible, measurable, and aligned with Council-adopted goals.

Enhanced Strategic Oversight

The platform will provide City leadership and elected officials with a consistent and transparent method of reviewing progress throughout the year rather than relying solely on annual updates.

Council members will have access to:

- Strategic objective progress updates.
- Performance measure trends.
- Departmental accomplishments.
- Status reports on major initiatives.
- Visual dashboards that summarize organizational performance.

This will support data-driven decision-making and strengthen alignment between strategic priorities, budgeting decisions, and operational activities.

Public Transparency and Engagement

An additional benefit of ClearPoint is its public-facing dashboard capability.

The platform allows the City to create interactive dashboards that can be embedded directly into the City's website. Residents will be able to view progress on Council-adopted strategic priorities through easy-to-understand visualizations and status indicators.

Potential public dashboard elements include:

- Strategic Plan progress by focus area.
- Infrastructure and capital project updates.

Erin M. Hirn
City Administrator
ehirn@westalliswi.gov

- Economic development initiatives.
- Community engagement metrics.
- Organizational performance measures.
- Annual accomplishments and outcomes.

This level of transparency provides residents with a clear understanding of how City resources are being utilized and how progress is being made toward community goals.

Financial Considerations

The proposed agreement is for a three-year term, providing pricing stability and allowing the City to fully implement and integrate the platform into its strategic planning and performance management processes.

The investment supports both internal operational efficiencies and external transparency efforts. By reducing administrative reporting burdens, improving project visibility, and enhancing accountability, the platform will provide long-term value beyond the life of the initial agreement.

This would come from the Administrative budget GL 100-1001-513.30-04 Professional Services / Other.

Recommendation

It is recommended that the Common Council approve the proposed three-year agreement with ClearPoint Strategy.

The platform will provide the City with a modern strategic management tool that strengthens project oversight, improves organizational accountability, enhances Council visibility into progress, and offers residents a transparent view of how strategic priorities are advancing over time.

Approval of this agreement will position the City to effectively manage and communicate the implementation of the 2027–2031 Strategic Plan and other major organizational initiatives for years to come.

Procedural Posture

On November 16, 2023, the applicant filed a hearing application claiming compensation for an occupational hearing loss with a date of injury of May 17, 2019, the date of the final termination of the employer-employee relationship. On January 11, 2024, the City of West Allis (hereinafter, "the employer") and its carrier, City of West Allis C/O CVMIC (hereinafter, collectively, "the respondents") filed an Answer in which they admitted jurisdictional facts and denied that additional parties needed to be joined for a complete resolution of the applicant's claim.

An administrative law judge (ALJ) from the Department of Administration, Division of Hearings and Appeals, Office of Worker's Compensation Hearings heard the matter on June 19, 2024. The ALJ issued his decision on September 30, 2024. The respondents filed a timely petition for commission review.

The commission has considered the petition and the positions of the parties and has reviewed the evidence submitted at the hearing. Based on its review, the commission agrees with the decision of the ALJ, and it adopts the findings and conclusion in that decision as its own, except that it makes the following:

Modifications

1) The following sentences shall be added to the end of the third paragraph on page 4 of the ALJ's decision:

> During this period of employment, the applicant was exposed to loud noise from the gas-powered equipment that he operated at work. The applicant retired from the employer on May 17, 2019, at which point termination of the employer-employee relationship occurred.

2) The first sentence of the first full paragraph on page 7 of the ALJ's decision is deleted and the following sentences are substituted therefor:

> The applicant was also exposed to loud noise while working in the Building and Signs Department from 1980-1986, during which time he operated a jackhammer frequently, as well as when he worked seasonally for the employer from 2016 through 2019, during which time he operated gas-powered equipment. These periods of employment also contributed to his hearing loss.

Memorandum Opinion

The applicant worked for many years in noisy environments through his several separate periods of employment with the employer. His employment also included periods of non-noisy employment with other employers. There is no evidence that the applicant was exposed to noisy environments outside of the workplace. The applicant retired in 2019 and pursued a claim for occupational hearing loss based on his final separation from employment with the respondent.

In its petition for commission review, the respondents dispute that the applicant's hearing loss was caused by occupational exposure, and also argue, for the first time,[2] that the applicant had two separate employer-employment relationships with the respondent, with two separate dates of injury, one in 1986 and one in 2019; that the Work Injury Supplemental Benefit Fund (hereinafter, "WISBF"), and not the respondents, should be responsible for the alleged 1986 date of injury, pursuant to Wis. Stat. § 102.17(4)(b); and that the respondent should be allowed to deduct the hearing loss reflected in a 2011 audiogram from its liability for the 2019 date of injury.

The commission rejects all of these arguments.

Factual Background

The applicant worked off and on for the employer for many years. His employment history and noise exposure is summarized in the following table:

Dates	Employer	Work	Noise exposure
1968-1986	City of West Allis	Garbage collector, incineration unit operator, and sign installer	Loud truck engine while compacting garbage, incinerator compaction noise, jackhammer use
1986-1989	Landscaping business	Landscaper	No noisy exposure.
1989	City of West Allis	Sign department and snow removal.	Jackhammer use
1995-2015	Electrical supply company	Fulfilled orders alone in a quiet room.	No noisy exposure.
2016-2019	City of West Allis	Worked seasonally, mowing grass with gas powered equipment.	Noisy lawn mowing equipment
May 17, 2019	City of West Allis	Retired	

[2] In their Answer to the Hearing Application in this case, the respondents admitted all jurisdictional facts. In response to question 11, "Do you contend that additional parties must be joined for a complete resolution of applicant's claim?" the respondents answered, "Deny." At hearing in this case, the ALJ stated, "at issue for hearing today is whether the applicant's duties for the respondent, employer were a material contributory causative factor in the onset or progression of his hearing loss" and asked, "Is that an accurate and complete statement of the matters conceded and the issues in dispute at this hearing," to which the attorney for the respondents replied, "Yes." The respondents did not raise any dispute as to the alleged date of injury or that WISBIF should be added as a party, until the ALJ had issued his decision adverse to the respondents and the matter was on appeal to the commission. The applicant argues that the respondent waived any argument that WISBIF was instead responsible when it failed to plead that defense prior to hearing. The commission agrees that the respondent's arguments regarding the appropriate date of injury and the responsible party are untimely, but has nonetheless considered those arguments raised by the respondent and rejects them on the merits.

The applicant and others around him first noticed his hearing difficulties in 1970, two years after he began employment with the City of West Allis. He did not seek treatment, however, until 2011. At that time, his first audiogram showed 55 percent binaural loss. He continued working, treating, and wearing hearing aids thereafter and retired in 2019.

Medical Causation

The applicant submitted a 16B from Matthew Ubell, M.D., who opined credibly that the applicant had mixed loss in the low frequencies and sensorineural loss in the high frequencies. He stated that "there is something causing the conductive component of his overall mixed hearing loss that is not due to noise exposure, but the sensorineural component of his hearing loss is consistent with noise exposure." Dr. Ubell rated the applicant's work-related sensorineural loss at a 46 percent permanent partial disability.

An independent medical examiner for the respondent, Steven Dankle, M.D., agreed that the applicant had mixed hearing loss but asserted that occupational noise exposure had no contribution to either the onset or progression of the loss. Dr. Dankle theorized that the applicant's hearing loss was caused by a middle ear pathology and offered his opinion that otosclerosis was the most likely cause. Dr. Dankle stated that the applicant's large air bone gaps were likely caused by otosclerosis and that the air bone gaps would have offered protection from hearing damage from noise exposure. However, the record contains no audiograms showing air bone gaps until 2011. By then, the applicant had experienced many years of occupational noise exposure.

Dr. Ubell reviewed Dr. Dankle's opinion and countered that otosclerosis is rare in people under 30 years old and that, because the applicant began working for the employer at 19 years old, even if he did eventually get otosclerosis, the applicant most likely would have had exposure to loud occupational noise for at least a decade prior to onset of the otosclerosis and the consequent air bone gap which could have protected against damage from the occupational exposure,[3] and that even if the applicant does have otosclerosis, the hearing exposure was also a material contributory factor.

The ALJ found that the applicant's duties with the employer, and not the early onset of otosclerosis, caused or contributed to his hearing loss, and awarded 46 percent permanent partial disability. The commission agrees. The commission finds the opinion of Dr. Ubell credible. Dr. Ubell provided a clear rationale, assessing a portion of hearing loss to occupational exposure, while attributing a different component of loss to non-occupational causes. He addressed the theories raised by Dr. Dankle and rationally explained why otosclerosis was not a likely cause of the applicant's hearing

[3] The respondent argues that Dr. Ubell's report should be disregarded because it does not specifically mention the applicant's report that he started experiencing hearing loss in 1970, two years after he began working for the employer. However, Dr. Ubell's report does not state that the applicant suffered no hearing loss early on, and in fact his report notes that it is likely that the applicant was experiencing unprotected noise exposure during that time, given that it is unlikely that the applicant had otosclerosis at such a young age.

loss, and certainly not to the exclusion of occupational exposure as at least a contributory factor. Dr. Dankle never credibly explained how the noisy work environment could be totally excluded, even if other causes also contributed to the hearing loss, as acknowledged by Dr. Ubell.

Date of Injury

The respondents in this case attempt to circumvent their liability for the occupational hearing loss by asserting that the applicant's termination of employment with the employer in 1986 constituted a date of injury for his hearing loss. They are mistaken because, as the respondents acknowledge, it is the employee who gets to choose the date of injury for occupational hearing loss claims. Chapter 102 provides that the date of injury for an occupational hearing loss claim:

> shall, at the option of the employee, be the date of occurrence of any of the following events to an employee:
>
> (a) Transfer to non-noisy employment by an employer whose employment has caused occupational deafness;
>
> (b) The last day actually worked before retiring, regardless of vacation pay or time, sick leave or any other benefit to which the employee is entitled;
>
> (c) Termination of the employer-employee relationship; or
>
> (d) Layoff, provided the layoff is complete and continuous for 6 months.

Wis. Stat. § 102.555(4). The applicant in this case elected as his date of injury the date of the termination of the employer-employee relationship, May 17, 2019. The applicant did not claim a 1986 date of injury and did not file his claim until 2019. The commission is not at liberty to select a different occurrence as the date of injury for this claim.

The last employer whose employment contributed to the disability is responsible for the entire occupational claim. *North River Ins. Co. v. Manpower Temp. Services*, 212 Wis. 2d 63, 71, 568 N.W.2d 15 (Ct. App. 1997). This includes claims for occupational hearing loss. It is irrelevant that the applicant left employment for a period of time because, even in the case of multiple separate employers, the final employer is the responsible party. In this case, the applicant was exposed to a noisy environment in each of his periods of employment with this employer. He was not exposed to noisy environments at other employers or in non-occupational settings. Thus, his only noise exposure was while working for this employer.

The respondent argues that *Bradley v. DaimlerChrysler,* WC Claim No. 2002-044843 (LIRC Aug. 3, 2006) stands for the proposition that an employee can have separate periods of employment with the same employer and those periods should be evaluated as if they were with separate employers. The respondent misreads that case. In

DaimlerChrysler, there was a business ownership change from Jeep Eagle to DaimlerChrysler that took place in January of 1989. At that point, Jeep Eagle conceded and paid the applicant compensation for 9.1 percent binaural occupational hearing loss attributable to his employment with it. The applicant thereupon continued to work in a noisy environment in the same plant, albeit under DaimlerChrysler's business ownership. When he chose to retire and file his occupational hearing loss claim in February of 2002, the applicant had sustained additional hearing loss attributable to his employment with Daimler Chrysler since January of 1989. The department and the commission calculated his entire occupational hearing loss, including the 9.1 percent he had in 1989, but gave Daimler Chrysler a dollar amount credit for the previous payment of that 9.1 percent compensation. *DaimlerChrysler* is not analogous to the applicant's case, in which there was no previous award of compensation for occupational hearing loss.

The commission finds that the applicant properly elected the date of the final termination of the employer-employee relationship in 2019 as his date of injury and denies the request to disturb that date of injury on appeal. Because there is no second date of injury for the same employer, the 1986 date proposed by the respondent is rejected and the request to shift liability to WISBIF is denied.

Credit for Previous Hearing Loss

The respondent also argues that, because a hearing exam in 2011 documented hearing loss, the respondent cannot be liable for hearing loss prior to that date, citing the statutory provision that:

> (8) An employer is liable for the entire occupational deafness to which his or her employment has contributed; *but if previous deafness is established by a hearing test or other competent evidence, whether or not the employee was exposed to noise within the 2 months preceding such test, the employer is not liable for previous loss so established* nor is the employer liable for any loss for which compensation has previously been paid or awarded.

Wis. Stat. § 102.555(8). (Emphasis added). Such an interpretation would allow an employer to avoid liability any time it conducted a hearing test during the pendency of employment. Because the respondent was the only source of noise exposure in this case, the hearing test simply established hearing loss during the course of the applicant's various periods of employment with the employer. It did not establish "previous deafness" that occurred prior to any employment with the respondent. The commission rejects the respondent's illogical interpretation of this section.

For the foregoing reasons, the decision of the ALJ, as modified, is affirmed.

5-29-26

STATE OF WISCONSIN CIRCUIT COURT BRANCH 34 MILWAUKEE COUNTY

CITY OF WEST ALLIS,

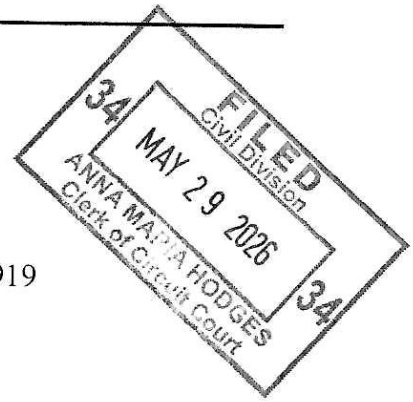
Plaintiff,

v.

LABOR & INDUSTRY REVIEW COMMISSION, ET AL.,

Defendants.

Case No. 25-CV-8919



DECISION AND ORDER AFFIRMING LABOR AND INDUSTRY REVIEW COMMISSION

The City of West Allis brought this action to set aside a compensation award issued by the Labor and Industry Review Commission (LIRC) to Robert Gendrich for occupational deafness. The City argues that LIRC acted without or in excess of its powers when it determined that Robert Gendrich was entitled to compensation for occupational hearing loss he sustained during two separate periods of employment with the City. This court affirms.

BACKGROUND

Gendrich worked for the City in noisy environments for many years. Between 1969 and 1986, he was exposed to loud engines and hydraulic equipment, as well as jackhammers, while working in the sanitation department. For the bulk of his time, he did not wear any hearing protection. When he left, he "could no longer hear well." However, he did not seek treatment at the time.

In 2011, during a gap in employment with the City, Gendrich received an audiogram, which showed bilateral hearing loss.

Gendrich again worked for the City as a lawn mower between 2016 and 2019. He wore hearing protection approximately 50% of the time.

On November 16, 2023, Gendrich filed an application for worker's compensation benefits based on his hearing loss, with an "injury date" of May 17, 2019. In addition to submitting his medical records, Gendrich provided the medical opinion of Dr. Matthew Ubell, who determined that Gendrich had mixed loss in the low frequencies and sensorineural loss in the high frequencies. He noted that "there is something causing the conductive component of his overall mixed hearing loss that is not due to noise exposure, but the sensorineural component of component of his hearing loss is consistent with noise exposure." Dr. Ubell concluded that Gendrich's occupational exposure was likely to be a "material contributory causative factor" in the onset or progression of his high frequency sensorineural hearing loss, based in part on a "noise notch," which was typical in occupational hearing loss cases. He rated Gendrich's work-related sensorineural loss at a 46% permanent partial disability.

The City retained their own expert, Dr. Steven Dankle. While Dr. Dankle agreed that Gendrich had mixed hearing loss, he provided a conflicting opinion that occupational noise exposure had no contribution to either the onset or progression of Gendrich's hearing loss. Dr. Dankle theorized that the hearing loss was instead the manifestation of otosclerosis, based in part on the existence of "large air bone gaps" in Gendrich's ears.

Both parties submitted rebuttal opinions. Dr. Ubell disagreed with Dr. Dankle's diagnosis of otosclerosis, noting that Gendrich began experiencing hearing loss at approximately nineteen years old, opining that it was "extremely rare" for otosclerosis to affect someone that young. He

also noted that Gendrich's audiograms contained a "completely flat tympanogram," which was not typical in otosclerosis cases. Dr. Dankle responded by conceding that Gendrich's tympanogram was atypical in otosclerosis cases, but that it did not preclude Gendrich from suffering from that condition.

On June 19, 2024, a hearing was held before Administrative Law Judge (ALJ) Samuel Weinberg. On September 30, 2024, ALJ Weinberg awarded Gendrich permanent partial disability benefits.

On September 18, 2025, LIRC affirmed.

STANDARD OF REVIEW

LIRC's factual findings are conclusive as long as they are supported by credible and substantial evidence. *Morgan v. Lab. & Indus. Rev. Comm'n*, 2024 WI App 39, ¶ 11, 413 Wis. 2d 42, 49, 10 N.W.3d 414, 418. LIRC's legal conclusions are reviewed de novo. *Id.*

1. Gendrich's an award for occupational deafness is not materially impacted by the existence of any hearing loss sustained before 2011.

The City claims it is not responsible for any benefits that accrued before 2016, when Gendrich returned to work for the City, because Gendrich's 2011 audiogram revealed preexisting hearing loss. To support its assertion, the City relies on Wis. Stat. § 102.555(8), which provides:

> An employer is liable for the entire occupational deafness to which his or her employment has contributed; but if previous deafness is established by a hearing test or other competent evidence, whether or not the employee was exposed to noise within the 2 months preceding such test, the employer is not liable for previous loss so established nor is the employer liable for any loss for which compensation has previously been paid or awarded.

At the administrative level, LIRC rejected the City's argument:

> Such an interpretation would allow an employer to avoid liability any time it conducted a hearing test during the pendency of employment. Because [the City] was the only source of noise exposure in this case, the hearing test simply established hearing loss during the

> course of [Gendrich's] various periods of employment with [the City]. It did not establish "previous deafness" that occurred prior to any employment with the [City].

The court agrees with LIRC. Consistent with LIRC's implicit assertion that statutes must be interpreted in such a way as to avoid an absurd or unreasonable result, the court must construe Wis. Stat. § 102.555(8) in a sensible manner. Simply stated, "previous deafness" within the meaning of this statute refers to hearing loss that existed before an employee's exposure to noise in a particular employer's workplace, as established by a hearing test or other competent evidence. This provision limits an employer's liability for occupational deafness by excluding any hearing loss that predated the employee's employment or that has already been compensated. In this case, Gendrich's audiogram reflected deafness attributed to *working for the City*, as there was no evidence of other sources of noise exposure. LIRC did not err in its interpretation of Wis. Stat. § 102.555(8).

2. The applicable twelve-year statute of limitations set forth in Wis. Stat. § 102.17(4) does not operate to preclude Gendrich's occupational-deafness claim.

The City argues that Gendrich is time-barred from seeking benefits for occupational deafness to the extent such deafness was incurred during his employment from 1969 to 1986. To support its assertion, the City relies on Wis. Stat. § 102.17(4)(b), which provides that "benefits or treatment expense for an occupational disease becoming due 12 years after the date of injury . . . shall be paid from the work injury supplemental benefit fund under s. 102.65 and in the manner provided in s. 102.66."

The court agrees with the City that the statute of limitations sets forth a twelve-years time period that is triggered by the "date of injury." However, it is imperative to point out that Wis. Stat. § 102.555(4) provides a special definition of "date or injury" for occupational deafness that

differs from the general definition set forth in Wis. Stat. § 102.01(g).[1] In particular, under Wis. Stat. § 102.555(4), the employee has the option to choose the date of injury from among several triggering events: (a) transfer to nonnoisy employment by an employer whose employment caused the occupational deafness; (b) layoff or termination from employment; (c) voluntary resignation; or (d) retirement. Wis. Stat. § 102.555(4). Accordingly, the twelve-year limitations period under § 102.17(4) runs from whichever triggering event the employee selects as the date of injury under Wis. Stat. § 102.555(4).

LIRC correctly determined that Gendrich's "date of injury" was May 17, 2019, based on Genrich's election of the termination date of the employer-employee relationship. As added support for its conclusion, LIRC noted that pursuant to *North River Ins. Co. v. Manpower Temp. Services*, 212 Wis. 2d 63, 71, 568 N.W.2d 15 (Ct. App. 1997), "[t]he last employer whose employment contributed to the disability is responsible for the entire occupational claim," regardless of any prior exposure. This "no apportionment rule" reflects a legislative choice to place the entire burden on the employer at risk when disability manifests, even though prior employers may have contributed to the disease's development. *See, e.g., Travelers Ins. Co. v. Dep't of Indus., Lab. & Hum. Rels.*, 85 Wis. 2d 776, 271 N.W.2d 152 (Ct. App. 1978)

The court agrees with LIRC. Because Gendrich elected May 17, 2019, as the injury date, the twelve-year statute of limitations set forth in Wis. Stat. § 102.17(4) does not operate to preclude his claim. Based on the plain language of Wis. Stat. § 102.555(4) and the rationale set forth in *North River* and related cases, the City's argument to the contrary must be rejected.

---

[1] Wis. Stat. § 102.01(g) provides that the "date of injury" means "[i]n the case of a disease, the date of disability or, if that date occurs after the cessation of all employment that contributed to the disability, the last day of work for the last employer whose employment caused disability."

3. The City has not met its burden of persuasion regarding how LIRC's award is impacted by gap in Gendrich's employment with the City.

The City argues that LIRC's award erroneously compensated Gendrich for occupational deafness sustained between 1968 and 1986. According to the City, there were "two separate bona fide employer-employee relationships" based on the thirty-year gap in Gendrich's stints with the City.

To support its assertion that the initial employer-employee relationship terminated in 1986, the City relies on the "right to control" test and the four subsidiary considerations adopted by our supreme court in *Kretz Packing Co. v. Kottwitz*, 61 Wis. 2d 175, 182 (1973), to determine the existence of an employer-employee relationship under Wisconsin's Worker's Compensation Act. However, contrary to the City's implicit assertion, Gendrich's award was not predicated on the existence of an employer-employee relationship between the City and Gendrich during the thirty-year gap in Gendrich's employment with the City. *Kretz* is inapposite because LIRC actually found that Gendrich worked for other employers during this timeframe.

The City also relies on *Bradley v. DaimlerChrysler*, WC Claim No. 2002-044843 (LIRC Aug. 3, 2006), to support its assertion that when an employee has separate periods of employment with the same employer, those periods should be evaluated as if they were with separate employers. In *DaimlerChysle*r, an employee worked in a noisy environm,ent for JeepEagle through December 1988, until JeepEagle was acquired by DaimlerChrysler in 1989. At the time of the corporate acquisition, JeepEagle conceded and paid the employee compensation for occupational hearing loss, based on an audiogram conducted in 1979. When the employee retired from DaimlerChrysler in 2002, he filed an occupational hearing loss claim

for the additional hearing loss sustained after 1989. LIRC calculated the employee's entire occupational hearing loss, but gave him a credit for the previous payment.

At the administrative level, LIRC rejected the City's reliance on *DaimlerChrysler* because Gendrich did not previously receive any compensation for occupational hearing loss in his previous employment. Indeed, unlike in *DaimlerChrysler*, where an employee previously received a compensation award from another distinct, corporate entity, Gendrich did not receive any award from the City or any other employer until after he filed his claim in 2023. *DaimlerChrysler* is readily distinguishable.

4. It is immaterial whether Gendrich was an active employee of the City when he received his audiogram.

Without citing any legal support for its position, the City argues that Gendrich's occupational deafness award is materially impacted by the fact that the 2011 audiogram, which revealed hearing loss, was conducting during a break in Gendrich's employment with the City. However, Wis. Stat. § 102.555(8) establishes that an employer is liable for the entire occupational deafness to which its employment contributed, regardless of when the hearing loss was discovered or measured. The statute's provision regarding previous deafness established by hearing tests serves to protect employers from liability from pre-existing conditions, not to limit liability for hearing loss caused during actual employment periods. The statutory language is critical because it explicitly states that the timing of noise exposure relative to a hearing test does not affect the employer's liability for hearing loss caused by its employment. The statutory phrase "whether or not the employee was exposed to noise within the 2 months preceding such test" demonstrates that hearing tests can establish baseline hearing loss even when conducted

during periods of non-exposure. The City's legally unsupported argument to the contrary must be rejected.

CONCLUSION

Because LIRC's factual findings are supported by substantial evidence, and it adopted the most reasonable interpretations of the applicable law, this court **AFFIRMS**.

SO ORDERED.

THIS IS A FINAL DECISION FOR PURPOSES OF APPEAL.

Re: Police Department Building Controls Upgrade

Butters-Fetting Co. is pleased to offer this proposal for Police Dept. building controls system upgrade

Scope of work:

The existing controls system is inaccessible. Much of the controls are obsolete and no longer made. Connection to the front end can no longer be made to adjust setpoints or view operation of system. Many of the VAV controllers and other terminal devices are still on pneumatic controls which are also obsolete and do not control effectively. Recommend replacing controls with new Prolon DDC controls for AHU's, Boilers, Chillers, and VAV's.

AHU's and EF's

- Remove existing controls in panels for AHU's 1, 2, 3, 4, & 6
- Provide and install new Prolon M2000 and Flex IO controllers.
- Provide and install new sensors and relays for control of AHU. **Does not include** replacing control valves for Hot Water(HW) and Chilled Water(CHW) nor damper actuators. PE and EP switches to be reused where possible.
- Program controllers for operation for single zone or VAV(AHU's 1 & 3) operation
- Program and commission controllers to control dampers, valves, fans, and terminal devices to maintain setpoints in spaces
- Program for control and status of associated exhaust fans in areas served by AHU's
- Configure graphics to reflect operation and display all relevant temperatures and data used to control and troubleshoot air handler operation.
- Integrate all AHU controllers into network controller to view and operate from single front end interface

******AHU OPTION******

- Remove existing pneumatic HW and CHW control valves.
- Remove existing pneumatic damper actuators.
- Provide and install new HW and CHW control valves and damper actuators on RA/OA/EA dampers on associated AHU's (1, 2, 3, & 6)

Boiler Plant

- Remove existing controls for boilers and pumps
- Provide and install new Prolon M2000 boiler and Flex IO controllers
- Program and commission controllers to operate pumps and boilers based upon load in building and outside air temperature
- Configure graphics to reflect boiler and pump operation and integrate into Prolon network controller for viewing through front end

VAV's

- Remove existing controls for (qty. 63) VAV boxes (qty. 10 fan powered/qty. 53 single duct)
- Provide and install new Prolon VC2000 VAV controllers, DAT sensors, and Zone Sensors in space.
- Reuse any recently installed existing belimo HW valves and actuators where possible and replace qty. (45) HW valves and actuators on pneumatic reheat valves

- Program and commission vav controllers for single duct or fan powered operation with HW reheat
- Configure graphics to reflect VAV configuration, monitor operation, and control setpoints
- Integrate above into Prolon network controller for viewing and control through front end

Front End Interface

- Provide and install Prolon NC2000 network controller
- Integrate all devices including AHU's, boilers, chillers, and VAV's into front end network controller
- Program and commission for above controllers to be integrated into network controller and graphical front end to be viewed **locally and remotely** through Prolon Focus desktop and mobile application (network connection provided by others)

MEMORANDUM

TO: All Interested Parties

FROM: Steve Schaer, Director of City Planning and Zoning

DATE: June 9, 2026

SUBJECT: FY 2027 CDBG Anticipated Annual Block Grant - PUBLIC INPUT MEETING AND NOTICE OF SOLICITATION FOR FY2027 PROJECTS COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM GRANT #B27-MC-55-0011 ANTICIPATED AVAILABLE FUNDING OF $1.3 MILLION

Please take notice that the City of West Allis Planning & Zoning Office will be conducting a public input meeting Thursday, June 18, 2026 in Rm 128 of West Allis City Hall between 5pm and 6:00pm seeking resident input toward the development of an CDBG annual action plan.

Following a 30-day comment period, the Planning and Zoning Department will then be soliciting requests for projects to be funded with 2027 Community Development Block Grant (CDBG) Funds starting mid July.

A project must meet one of three priorities to qualify for funding. It must either benefit low and moderate-income persons or aid in the elimination of slums or blighting influences. The third priority, which is not common for a program, must meet community developments that demonstrate a particularly urgent need.

Each project must also address a priority need designated in the 5-Year Consolidated Plan. These priorities are as follows:

(a) Redevelop abandoned/underutilized industrial sites.
(b) Eliminate slum and blighting influences.
(c) Address the needs of low-moderate income neighborhoods
(d) Expand economic opportunities
(e) Provide decent and affordable housing.
(f) Deliver and provide for social services or outreach programs.

The City is fortunate to have numerous quality programs that provide for under-served populations of low-to-moderate-income residents of the community. The mission and vision of these programs are invaluable to the success of the CDBG program. When applying and budgeting, please consider that any potential award may be amended at a future date following the adoption of a fiscal year 2027 budget and the award notice from the Housing and Urban Development Authority (HUD) that is provided to the City.

Requests should be submitted through OpenGov by Monday, August 31, 2026, at 5 p.m. for staff review. Visit 2027 CDBG application to search for the application. The Community Development Block Grant Committee will meet in October and November to consider and decide upon funding for each application.

If you have any questions or need assistance in completing the application, please email the City Planning Department at planning@westalliswi.gov. Or visit the CDBG page at City of West Allis website.
