Re: 3rd Quarter Funding for Educational Access
Date: 12/10/09

With the bulk of the summer months falling in the 3rd quarter the School District's programming activities were limited.

What has occurred is initiating on demand web viewing of School Board Meetings. The meetings will be on the School District's website for one year before being removed.

With school gearing back up in September, Channel 13 began covering the varsity football games for both Central and Hale High Schools. The schools with video clubs also continue to create programs for playback on Channel 13.

It is staff's recommendation that the 3rd quarter funding for the Educational Access Channel 13 be granted.

Respectfully submitted,
