RE: **123rd Street Reconstruction**

Alderman Sengstock and I recently met with residents concerned with the quality of work done last year on 123rd Street. The residents had a number of concerns:

- 1) The surface popouts caused by chert.
- 2) Some chipping at the curb & gutter edge.
- 3) The quality of the surface.
- 4) One resident questioned the 30 day period to pay the assessment bill.

We are looking into these issues and will report later. Alderman Sengstock wanted something on the agenda so it could be discussed on Tuesday night.
