Re: West Allis City owned public parking lot. Located at 8410 West Cleveland AvenueTo: All City of West Allis Officials YOUR ATTENTION IS NEEDED

I have requested help from the city with no response.

1. North end of lot (84th street entrance) large hole in asphalt. This is a danger for anyone walking.
2. South entrance of lot (Cleveland Ave) car stops are moved and played with from young people in the area. The young boys like to jump these concrete car stops with their bikes. All car stops need to be secured with iron spikes along Cleveland avenue.
3. Maintenance is needed on this lot as winter is approaching and snow removal is needed.

For the last two years I have asked for help on this CITY owned lot and Public Works refuse to give attention to these requests.

This letter is being faxed to every city official in the Service Directory.

Cordially

Russ Vollmer
