Defendant.

Case No. \_\_\_\_\_

Case Code: 30301

Case Type: Money Judgment

**COMPLAINT**

Plaintiff, by its undersigned attorneys, Foley & Lardner LLP, as and for its Complaint against the defendant, City of West Allis (“City”), hereby alleges and shows to the Court as follows:

**NATURE OF ACTION AND PARTIES**

1. This is an action brought pursuant to Wis. Stat. § 74.37 to recover a refund of future 2025 real property taxes that will be imposed because of the excessive assessment of the real property described below.

2. Plaintiff owns the parcel of real property identified by the City as 444-9992-000, located at 1000 S. 108<sup>th</sup> Street, West Allis, Wisconsin 53948 (the “Subject Property”).

3. The defendant City is a body corporate and politic, duly organized as a municipal corporation under Wisconsin law.

**CLAIM FOR RELIEF**

4. For the 2025 tax year, the City assessed the Subject Property at \$7,161,100 (“the 2025 assessment”).

5. The 2025 assessment was excessive and exceeded the fair market value of the Subject Property.

6. Pursuant to Wis. Stat. § 70.47(8m), the City Assessor requested a waiver of the board of review hearing. The waiver request was approved by the Board of Review.

7. Under Wisconsin law, the waiver of board of review hearing satisfies the taxpayer’s obligation to file a claim with the municipality prior to filing an excessive assessment lawsuit in circuit court. A taxpayer thus must initiate the lawsuit prior to the issuance of the relevant tax bill.

8. The excessive assessment of the Subject Property has resulted in the imposition of excessive taxes in the amount to be determined after the issuance of the 2025 tax bill.

9. Plaintiff is timely filing this *de novo* refund action pursuant to Wis. Stat. § 74.37(3)(d). Plaintiff is entitled to a refund of the excessive 2025 property taxes that will be imposed for the Subject Property based on the 2025 assessment, plus statutory interest.

**WHEREFORE**, Plaintiff respectfully requests that this Court enter Judgment in its favor and against the City awarding Plaintiff:

- A. A refund of a portion of its 2025 property taxes as is supported by the evidence, together with statutory interest;
- B. Its costs, disbursements and attorneys' fees of this action; and
- C. Such other and further relief as this Court deems just and equitable.

Dated this 7th day of August, 2025.

Case No. \_\_\_\_\_

Case Code: 30301

Case Type: Money Judgment

**COMPLAINT**

Plaintiff, by its undersigned attorneys, Foley & Lardner LLP, as and for its Complaint against the defendant, City of West Allis (“City”), hereby alleges and shows to the Court as follows:

**NATURE OF ACTION AND PARTIES**

1. This is an action brought pursuant to Wis. Stat. § 74.37 to recover a refund of future 2025 real property taxes that will be imposed because of the excessive assessment of the real property described below.
2. Plaintiff owns the parcel of real property identified by the City as 444-9992-000, located at 1000 S. 108<sup>th</sup> Street, West Allis, Wisconsin 53948 (the “Subject Property”).
3. The defendant City is a body corporate and politic, duly organized as a municipal corporation under Wisconsin law.

**CLAIM FOR RELIEF**

4. For the 2025 tax year, the City assessed the Subject Property at \$7,161,100 (“the 2025 assessment”).

5. The 2025 assessment was excessive and exceeded the fair market value of the Subject Property.

6. Pursuant to Wis. Stat. § 70.47(8m), the City Assessor requested a waiver of the board of review hearing. The waiver request was approved by the Board of Review.

7. Under Wisconsin law, the waiver of board of review hearing satisfies the taxpayer’s obligation to file a claim with the municipality prior to filing an excessive assessment lawsuit in circuit court. A taxpayer thus must initiate the lawsuit prior to the issuance of the relevant tax bill.

8. The excessive assessment of the Subject Property has resulted in the imposition of excessive taxes in the amount to be determined after the issuance of the 2025 tax bill.

9. Plaintiff is timely filing this *de novo* refund action pursuant to Wis. Stat. § 74.37(3)(d). Plaintiff is entitled to a refund of the excessive 2025 property taxes that will be imposed for the Subject Property based on the 2025 assessment, plus statutory interest.

**WHEREFORE**, Plaintiff respectfully requests that this Court enter Judgment in its favor and against the City awarding Plaintiff:

- A. A refund of a portion of its 2025 property taxes as is supported by the evidence, together with statutory interest;
- B. Its costs, disbursements and attorneys' fees of this action; and
- C. Such other and further relief as this Court deems just and equitable.

NOTICE OF CLAIM

Date of incident: 07/28/2025 Time of day: 17:00  
Location: 2674 S 118th Street, West Allis, WI 53227

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

On July 28, 2025, at approximately 17:00 hours, the water main running down the center of the 118 block between Cleveland Avenue and Lincoln Avenue suffered a catastrophic failure. A crack measuring approximately 14 feet developed along the 16-inch main line, which subsequently burst and created a substantial hole in the roadway. As a result, the roadway buckled, cracked, and collapsed, which also caused a nearby gas line to rupture. The failure of the main line caused significant flooding in the roadway. The water then backed up into my residence through toilets, shower drains, and a floor drain located in my fully finished basement. Flooding continued and it resulted in approximately four inches of standing water and sewage throughout the entire basement in the matter of minutes. During the cleanup process, where I had friends and family working, we finished the cleanup of the water and then moments later, it started to flood again. I walked outside and talked to the workers, and they stated they were sorry, but the trucks were not able to get the water out fast enough and the water came back in through our line.

During the response, I spoke extensively with City workers and representatives from WE Energies. It was explained to me that the water main failure was caused by corrosion and the age of the pipe. Although these pipes were originally represented as having a lifespan of over 100 years, this particular pipe was installed around 1968. I was further informed that the pipe originated from China during a time when such pipes were not manufactured to last. Due to its condition, the pipe could not withstand the water pressure and ruptured, blowing a hole along its side. I later learned that this specific main line is supplied directly by the municipal water tower. The rupture caused the complete emptying of the water tower, contributing to the severity and speed of the flooding.

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does not include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.

To Whom It May Concern,

I, John of the family Sloan of full life, hereby make the following **NOTICE OF CONDITION PRECEDENT**, that my Human and fourth, fifth, and eighth Constitutional Rights have been molested/violated, on or about 03-29-2024 Time 1:54 A.M Location: corner of S. 84th st. / W. Mitchell St. P.O. Cooper of the West Allis Police Department of Wisconsin pulled me over and immediately got out of his patrol vehicle and asked me to get out of the car. I asked him *"if he had an Articulate Reasonable Suspicion of me committing a crime"* - He stated *"no, the owner of this vehicle's license is suspended"*. I then told him *"that is not a crime, it is a traffic infraction and that I am not getting out of the car"* at this point I asked P.O. Cooper to call his Supervisor. P.O. Cooper asked me to turn off the car, unknowingly, turning off the car's engine automatically unlocked the car doors. P.O. Copper proceeded to pull open the driver side door and demanded me out of the vehicle, I attempted to close the door when P.O. Cooper blocked the door with the left side of his body. P.O. Lazaris informed me to *"get out of the car or we will tase you"*, I remained still with my hands on the steering wheel. P.O. Lazaris proceeded to tase me while P.O. Cooper pepper sprayed me. I then pulled the electric prongs out of me while P.O. Cooper continuously pepper sprayed me. Somehow, I am out of the car and body slammed on my back being handcuffed. While on the ground handcuffed P.O. Lazaris used direct contact with the taser on the left side of my stomach. He began hollering *"stop resisting"*, the voltage was so much I began to see light.

After the pain started to subside enough I turned my head to tell the P.O. Lazaris *"I'm down on the ground in handcuffs, stop electrocuting me"*. P.O. Lazaris proceed to tase me three more times than he got up. I was then helped up and told to get in the patrol vehicle, to which I responded *"I'm not getting in, I didn't commit a crime. Take these handcuffs off of me."* P.O.

Lazaris said "you getting in" while he grabbed my head and banged it on the patrol vehicle. I then said "okay, you busted my head, Am I bleeding"? An officer said "no". At this point I said "okay I'm going to get in the SUV", while in the patrol vehicle there was an unlawful seizure of my vehicle- which is a violation of my Fourth and Fifth Amendment rights.

The Supervisor of Officers Cooper and Lazaris instructed them to release me as I was free to go. Two officers who were not involved in the incident helped me to the ambulance stating "We didn't touch you, and we don't know what's going on, We were on perimeter duty and didn't see anything". The ambulance took me to the West Allis Hospital from where I was released.

I encountered a similar situation with some of the same officers from the West Allis Police Department a few months ago. I refused to get out of the vehicle and asked the officer to call his supervisor. I was roughed up and the vehicle I was in was unlawfully seized.

There being nothing further I hereby declare (verify, state, and confirm) under penalty of perjury under the laws of the United States of America that the foregoing are true and correct.

Upon receipt of this Affidavit, please send a confirmation notice to the above address.

**ORDER**

Plaintiff John Sloan has filed an action in this court and has filed a motion for leave to proceed without prepayment of the filing fee pursuant to 28 U.S.C. § 1915. ECF No. 2. Upon review of plaintiff's motion, I find that requiring plaintiff to pay this fee would impose a significant financial hardship on him.

**THEREFORE, IT IS ORDERED** that the plaintiff's motion for leave to proceed without prepaying the filing fee (ECF No. 2) is **GRANTED**.

**IT IS FURTHER ORDERED** that pursuant to Fed. R. Civ. P. 4(c)(3), that the U.S. Marshals Service shall serve a copy of the complaint, a waiver of service form and/or the summons, and this order upon defendants. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(b). The current fee for waiver-of-service packages is \$8 per item. 28 C.F.R. § 0.114(a)(2). Although Congress requires the court to order service by the U.S. Marshals Service precisely because in forma pauperis plaintiffs are indigent, it has not made any provision for these fees to be waived either by the court or by the U.S. Marshals Service.

Plaintiff should provide defendant or its counsel with copies of all future motions or papers filed by plaintiff in this action.

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does not include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.

ASSIGNMENT OF CIVIL CASES  
EASTERN DISTRICT OF WISCONSIN

At the time a new civil action is filed, it is assigned by random selection to either a district judge or a magistrate judge in accordance with the local rules. Pursuant to the provisions of 28 U.S.C. §636(c) and Rule 73 of the Federal Rules of Civil Procedure, a United States Magistrate Judge may, with the consent of the parties, conduct all proceedings in this civil action, including a bench or jury trial and order the entry of judgment. The statute provides for direct appeal to the U.S. Court of Appeals for the Seventh Circuit.

Once the assigned district or magistrate judge has been selected, the local rules of this district require that each party to the action receive a copy of the "consent form." Each party shall complete the form and file it with the Clerk of Court **within 21 days** after its receipt.

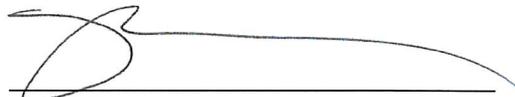

If this case has been randomly assigned to a ~~district judge~~ and all parties consent to have the magistrate judge conduct all proceedings in the case, the district judge may enter an order transferring the case to the magistrate judge.

If this case has been randomly assigned to a **magistrate judge** and not all parties consent, then the case will be reassigned by random selection to a district judge. If all parties consent, the magistrate judge will conduct all proceedings in the action.

While the decision to consent or not to consent to the exercise of jurisdiction by the magistrate judge is entirely voluntary, the duty to respond to this order is **mandatory**. Your response shall be made to the Clerk of Court ~~only~~ on the form on the reverse side of this notice.

**IT IS THEREFORE ORDERED**, that you complete this form and file it with the Clerk of Court within **twenty-one (21) days** from receipt.

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does not include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.

NOTICE OF A LAWSUIT AND REQUEST TO WAIVE SERVICE OF A SUMMONS

To: PO Lazaris

(Name of the defendant or - if the defendant is a corporation, partnership, or association - an officer or agent authorized to receive service)

Why are you getting this?

A lawsuit has been filed against you, or the entity you represent, in this court under the number shown above. A copy of the complaint is attached.

This is not a summons, or an official notice from the court. It is a request that, to avoid expenses, you waive formal service of a summons by signing and returning the enclosed waiver. To avoid these expenses, you must return the signed waiver within 30 days (give at least 30 days, or at least 60 days if the defendant is outside any judicial district of the United States) from the date shown below, which is the date this notice was sent. Two copies of the waiver form are enclosed, along with a stamped, self-addressed envelope or other prepaid means for returning one copy. You may keep the other copy.

What happens next?

If you return the signed waiver, I will file it with the court. The action will then proceed as if you had been served on the date the waiver is filed, but no summons will be served on you and you will have 60 days from the date this notice is sent (see the date below) to answer the complaint (or 90 days if this notice is sent to you outside any judicial district of the United States).

If you do not return the signed waiver within the time indicated, I will arrange to have the summons and complaint served on you. And I will ask the court to require you, or the entity you represent, to pay the expenses of making service.

Please read the enclosed statement about the duty to avoid unnecessary expenses.

I certify that this request is being sent to you on the date below.

CONSENT TO PROCEED BEFORE A MAGISTRATE JUDGE

This form must be filed with the Clerk of Court within 21 days of receipt. Although choosing to have your case decided by a magistrate judge is optional and refusal will not have adverse substantive consequences, the timely return of this completed form is mandatory.

To Whom It May Concern,

**I, John of the family Sloan of full life, hereby make the following NOTICE OF CONDITION PRECEDENT, that my Human and fourth, fifth, and eighth Constitutional Rights have been molested/violated, on or about 03-29-2024 Time 1:54 A.M Location: corner of S. 84th st. / W. Mitchell St. P.O. Cooper of the West Allis Police Department of Wisconsin pulled me over and immediately got out of his patrol vehicle and asked me to get out of the car. I asked him "if he had an Articulate Reasonable Suspicion of me committing a crime" - He stated "no, the owner of this vehicle's license is suspended". I then told him "that is not a crime, it is a traffic infraction and that I am not getting out of the car" at this point I asked P.O. Cooper to call his Supervisor. P.O. Cooper asked me to turn off the car, unknowingly, turning off the car's engine automatically unlocked the car doors. P.O. Copper proceeded to pull open the driver side door and demanded me out of the vehicle, I attempted to close the door when P.O. Cooper blocked the door with the left side of his body. P.O. Lazaris informed me to "get out of the car or we will tase you", I remained still with my hands on the steering wheel. P.O. Lazaris proceeded to tase me while P.O. Cooper pepper sprayed me. I then pulled the electric prongs out of me while P.O. Cooper continuously pepper sprayed me. Somehow, I am out of the car and body slammed on my back being handcuffed. While on the ground handcuffed P.O. Lazaris used direct contact with the taser on the left side of my stomach. He began hollering "stop resisting", the voltage was so much I began to see light.**

**After the pain started to subside enough I turned my head to tell the P.O. Lazaris "I'm down on the ground in handcuffs, stop electrocuting me". P.O. Lazaris proceed to tase me three more times than he got up. I was then helped up and told to get in the patrol vehicle, to which I responded "I'm not getting in, I didn't commit a crime. Take these handcuffs off of me." P.O.**

Lazaris said "you getting in" while he grabbed my head and banged it on the patrol vehicle. I then said "okay, you busted my head, Am I bleeding"? An officer said "no". At this point I said "okay I'm going to get in the SUV", while in the patrol vehicle there was an unlawful seizure of my vehicle- which is a violation of my Fourth and Fifth Amendment rights.

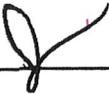

The Supervisor of Officers Cooper and Lazaris instructed them to release me as I was free to go. Two officers who were not involved in the incident helped me to the ambulance stating "We didn't touch you, and we don't know what's going on. We were on perimeter duty and didn't see anything". The ambulance took me to the West Allis Hospital from where I was released.

I encountered a similar situation with some of the same officers from the West Allis Police Department a few months ago. I refused to get out of the vehicle and asked the officer to call his supervisor. I was roughed up and the vehicle I was in was unlawfully seized.

There being nothing further I hereby declare (verify, state, and confirm) under penalty of perjury under the laws of the United States of America that the foregoing are true and correct.

Upon receipt of this Affidavit, please send a confirmation notice to the above address.

**ORDER**

Plaintiff John Sloan has filed an action in this court and has filed a motion for leave to proceed without prepayment of the filing fee pursuant to 28 U.S.C. § 1915. ECF No. 2. Upon review of plaintiff's motion, I find that requiring plaintiff to pay this fee would impose a significant financial hardship on him.

**THEREFORE, IT IS ORDERED** that the plaintiff's motion for leave to proceed without prepaying the filing fee (ECF No. 2) is **GRANTED**.

**IT IS FURTHER ORDERED** that pursuant to Fed. R. Civ. P. 4(c)(3), that the U.S. Marshals Service shall serve a copy of the complaint, a waiver of service form and/or the summons, and this order upon defendants. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(b). The current fee for waiver-of-service packages is \$8 per item. 28 C.F.R. § 0.114(a)(2). Although Congress requires the court to order service by the U.S. Marshals Service precisely because in forma pauperis plaintiffs are indigent, it has not made any provision for these fees to be waived either by the court or by the U.S. Marshals Service.

Plaintiff should provide defendant or its counsel with copies of all future motions or papers filed by plaintiff in this action.

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

**CONSENT TO PROCEED BEFORE A MAGISTRATE JUDGE**

This form must be filed with the Clerk of Court within 21 days of receipt. Although choosing to have your case decided by a magistrate judge is optional and refusal will not have adverse substantive consequences, the timely return of this completed form is mandatory.

If you do not consent to a magistrate judge hearing your case, a district judge will hear your case. Aside from cases subject to the Prison Litigation Reform Act, magistrate judges in this district generally play no further role in civil cases pending before district judges and do not issue reports and recommendations.

Magistrate judges do not conduct felony trials, and therefore felony trials do not interfere with scheduling and processing of cases before magistrate judges.

ASSIGNMENT OF CIVIL CASES  
EASTERN DISTRICT OF WISCONSIN

At the time a new civil action is filed, it is assigned by random selection to either a district judge or a magistrate judge in accordance with the local rules. Pursuant to the provisions of 28 U.S.C. §636(c) and Rule 73 of the Federal Rules of Civil Procedure, a United States Magistrate Judge may, with the consent of the parties, conduct all proceedings in this civil action, including a bench or jury trial and order the entry of judgment. The statute provides for direct appeal to the U.S. Court of Appeals for the Seventh Circuit.

Once the assigned district or magistrate judge has been selected, the local rules of this district require that each party to the action receive a copy of the "consent form." Each party shall complete the form and file it with the Clerk of Court **within 21 days** after its receipt.

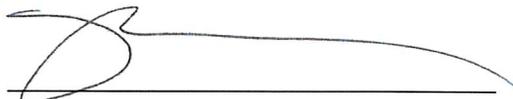

If this case has been randomly assigned to a **district judge** and all parties consent to have the magistrate judge conduct all proceedings in the case, the district judge may enter an order transferring the case to the magistrate judge.

If this case has been randomly assigned to a **magistrate judge** and not all parties consent, then the case will be reassigned by random selection to a district judge. If all parties consent, the magistrate judge will conduct all proceedings in the action.

While the decision to consent or not to consent to the exercise of jurisdiction by the magistrate judge is entirely voluntary, the duty to respond to this order is **mandatory**. Your response shall be made to the Clerk of Court only on the form on the reverse side of this notice.

**IT IS THEREFORE ORDERED**, that you complete this form and file it with the Clerk of Court within **twenty-one (21) days** from receipt.

To Whom It May Concern,

I, John of the family Sloan of full life, hereby make the following NOTICE OF CONDITION PRECEDENT, that my Human and fourth, fifth, and eighth Constitutional Rights have been molested/violated, on or about 03-29-2024 Time 1:54 A.M Location: corner of S. 84th st. / W. Mitchell St. P.O. Cooper of the West Allis Police Department of Wisconsin pulled me over and immediately got out of his patrol vehicle and asked me to get out of the car. I asked him *"if he had an Articulate Reasonable Suspicion of me committing a crime"* - He stated *"no, the owner of this vehicle's license is suspended"*. I then told him *"that is not a crime, it is a traffic infraction and that I am not getting out of the car"* at this point I asked P.O. Cooper to call his Supervisor. P.O. Cooper asked me to turn off the car, unknowingly, turning off the car's engine automatically unlocked the car doors. P.O. Copper proceeded to pull open the driver side door and demanded me out of the vehicle, I attempted to close the door when P.O. Cooper blocked the door with the left side of his body. P.O. Lazaris informed me to *"get out of the car or we will tase you"*, I remained still with my hands on the steering wheel. P.O. Lazaris proceeded to tase me while P.O. Cooper pepper sprayed me. I then pulled the electric prongs out of me while P.O. Cooper continuously pepper sprayed me. Somehow, I am out of the car and body slammed on my back being handcuffed. While on the ground handcuffed P.O. Lazaris used direct contact with the taser on the left side of my stomach. He began hollering *"stop resisting"*, the voltage was so much I began to see light.

After the pain started to subside enough I turned my head to tell the P.O. Lazaris *"I'm down on the ground in handcuffs, stop electrocuting me"*. P.O. Lazaris proceed to tase me three more times than he got up. I was then helped up and told to get in the patrol vehicle, to which I responded *"I'm not getting in, I didn't commit a crime. Take these handcuffs off of me."* P.O.

Lazaris said "you getting in" while he grabbed my head and banged it on the patrol vehicle. I then said "okay, you busted my head, Am I bleeding"? An officer said "no". At this point I said "okay I'm going to get in the SUV", while in the patrol vehicle there was an unlawful seizure of my vehicle- which is a violation of my Fourth and Fifth Amendment rights.

The Supervisor of Officers Cooper and Lazaris instructed them to release me as I was free to go. Two officers who were not involved in the incident helped me to the ambulance stating "We didn't touch you, and we don't know what's going on, We were on perimeter duty and didn't see anything". The ambulance took me to the West Allis Hospital from where I was released.

I encountered a similar situation with some of the same officers from the West Allis Police Department a few months ago. I refused to get out of the vehicle and asked the officer to call his supervisor. I was roughed up and the vehicle I was in was unlawfully seized.

There being nothing further I hereby declare (verify, state, and confirm) under penalty of perjury under the laws of the United States of America that the foregoing are true and correct.

Upon receipt of this Affidavit, please send a confirmation notice to the above address.

**ORDER**

Plaintiff John Sloan has filed an action in this court and has filed a motion for leave to proceed without prepayment of the filing fee pursuant to 28 U.S.C. § 1915. ECF No. 2. Upon review of plaintiff's motion, I find that requiring plaintiff to pay this fee would impose a significant financial hardship on him.

**THEREFORE, IT IS ORDERED** that the plaintiff's motion for leave to proceed without prepaying the filing fee (ECF No. 2) is **GRANTED**.

**IT IS FURTHER ORDERED** that pursuant to Fed. R. Civ. P. 4(c)(3), that the U.S. Marshals Service shall serve a copy of the complaint, a waiver of service form and/or the summons, and this order upon defendants. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(b). The current fee for waiver-of-service packages is \$8 per item. 28 C.F.R. § 0.114(a)(2). Although Congress requires the court to order service by the U.S. Marshals Service precisely because in forma pauperis plaintiffs are indigent, it has not made any provision for these fees to be waived either by the court or by the U.S. Marshals Service.

Plaintiff should provide defendant or its counsel with copies of all future motions or papers filed by plaintiff in this action.

Dated at Milwaukee, Wisconsin this 10th day of May, 2024.

I have received your request to waive service of a summons in this action along with a copy of the complaint, two copies of this waiver form, and a prepaid means of returning one signed copy of the form to you.

I, or the entity I represent, agree to save the expense of serving a summons and complaint in this case.

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does not include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.

To Whom It May Concern,

I, John of the family Sloan of full life, hereby make the following **NOTICE OF CONDITION PRECEDENT**, that my Human and fourth, fifth, and eighth Constitutional Rights have been molested/violated, on or about 03-29-2024 Time 1:54 A.M Location: corner of S. 84th st. / W. Mitchell St. P.O. Cooper of the West Allis Police Department of Wisconsin pulled me over and immediately got out of his patrol vehicle and asked me to get out of the car. I asked him *"if he had an Articulate Reasonable Suspicion of me committing a crime"* - He stated *"no, the owner of this vehicle's license is suspended"*. I then told him *"that is not a crime, it is a traffic infraction and that I am not getting out of the car"* at this point I asked P.O. Cooper to call his Supervisor. P.O. Cooper asked me to turn off the car, unknowingly, turning off the car's engine automatically unlocked the car doors. P.O. Copper proceeded to pull open the driver side door and demanded me out of the vehicle, I attempted to close the door when P.O. Cooper blocked the door with the left side of his body. P.O. Lazaris informed me to *"get out of the car or we will tase you"*, I remained still with my hands on the steering wheel. P.O. Lazaris proceeded to tase me while P.O. Cooper pepper sprayed me. I then pulled the electric prongs out of me while P.O. Cooper continuously pepper sprayed me. Somehow, I am out of the car and body slammed on my back being handcuffed. While on the ground handcuffed P.O. Lazaris used direct contact with the taser on the left side of my stomach. He began hollering *"stop resisting"*, the voltage was so much I began to see light.

After the pain started to subside enough I turned my head to tell the P.O. Lazaris *"I'm down on the ground in handcuffs, stop electrocuting me"*. P.O. Lazaris proceed to tase me three more times than he got up. I was then helped up and told to get in the patrol vehicle, to which I responded *"I'm not getting in, I didn't commit a crime. Take these handcuffs off of me."* P.O.

Lazaris said "you getting in" while he grabbed my head and banged it on the patrol vehicle. I then said "okay, you busted my head, Am I bleeding"? An officer said "no". At this point I said "okay I'm going to get in the SUV", while in the patrol vehicle there was an unlawful seizure of my vehicle- which is a violation of my Fourth and Fifth Amendment rights.

The Supervisor of Officers Cooper and Lazaris instructed them to release me as I was free to go. Two officers who were not involved in the incident helped me to the ambulance stating "We didn't touch you, and we don't know what's going on. We were on perimeter duty and didn't see anything". The ambulance took me to the West Allis Hospital from where I was released.

I encountered a similar situation with some of the same officers from the West Allis Police Department a few months ago. I refused to get out of the vehicle and asked the officer to call his supervisor. I was roughed up and the vehicle I was in was unlawfully seized.

There being nothing further I hereby declare (verify, state, and confirm) under penalty of perjury under the laws of the United States of America that the foregoing are true and correct.

Upon receipt of this Affidavit, please send a confirmation notice to the above address.

**ORDER**

Plaintiff John Sloan has filed an action in this court and has filed a motion for leave to proceed without prepayment of the filing fee pursuant to 28 U.S.C. § 1915. ECF No. 2. Upon review of plaintiff's motion, I find that requiring plaintiff to pay this fee would impose a significant financial hardship on him.

**THEREFORE, IT IS ORDERED** that the plaintiff's motion for leave to proceed without prepaying the filing fee (ECF No. 2) is **GRANTED**.

**IT IS FURTHER ORDERED** that pursuant to Fed. R. Civ. P. 4(c)(3), that the U.S. Marshals Service shall serve a copy of the complaint, a waiver of service form and/or the summons, and this order upon defendants. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(b). The current fee for waiver-of-service packages is \$8 per item. 28 C.F.R. § 0.114(a)(2). Although Congress requires the court to order service by the U.S. Marshals Service precisely because in forma pauperis plaintiffs are indigent, it has not made any provision for these fees to be waived either by the court or by the U.S. Marshals Service.

Plaintiff should provide defendant or its counsel with copies of all future motions or papers filed by plaintiff in this action.

**AGREEMENT FOR  
PAYMENTS IN LIEU OF TAXES**

This Agreement to make payments in lieu of taxes is made this \_\_\_ day of \_\_\_\_\_, 2025 (the “PILOT Agreement”) by and among the City of West Allis, a municipal corporation organized and existing under the laws of the State of Wisconsin, with principal offices at 7525 West Greenfield Avenue, West Allis, Wisconsin (the “City”), West Allis Memorial Hospital, Inc., a non-stock corporation with principal offices located at 8901 West Lincoln Avenue, West Allis, Wisconsin (“Memorial”), and Aurora Health Care, Inc., a nonstock domestic corporation with principal offices at 750 West Virginia Street, Milwaukee, Wisconsin (“Aurora”).

RECITALS:

WHEREAS, the City leases to Aurora land more particularly described in Exhibit A; and

WHEREAS, the lease originally commenced with an agreement between the City and Memorial dated May 29, 1963, and was later amended by documents dated April 18, 1997, January 5, 2001, October 31, 2006, and March 3, 2016 to which amendments Aurora joined in execution thereof (collectively, the “Lease”); and

WHEREAS, the Lease contains provisions requiring payments in lieu of taxes to be made to the City and providing methods by which tax-exempt property shall be valued; and

WHEREAS, the parties entered into that Stipulation Agreement between City of West Allis and Aurora Health Care, Inc. as to Valuations Applicable to Payments in Lieu of Taxes for Years 2020-2025 dated May 25, 2022 (the “Stipulation Agreement”) whereby the parties agreed to modify the terms of the Lease with respect to the assessed values used to determine payments in lieu of taxes for calendar years 2020 through 2025 inclusive; and

WHEREAS, the parties seek to replace the method by which the payment in lieu of taxes is calculated with a simplified method that promotes consistency and predictability in that payment amount while also reducing or eliminating the parties expenses associated with any dispute over the property payment amount;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and Aurora agree to the following:

1. Suspension of PILOT Calculation Method. During the term of this PILOT Agreement, the Lease is hereby amended such that any provisions in the Lease that establish an amount payable in-lieu-of-taxes or a method to determine a payment-in-lieu-of-taxes after the date of this PILOT Agreement applicable to the time periods set forth in Section 2 below are suspended until January 1, 2031, at which point the provisions of the Lease with respect to payment-in-lieu-of-taxes accruing after such date shall thereafter be revived unless the parties agree otherwise. Any payments made prior to this date under those provisions are not affected by this provision. In addition to the foregoing, the parties hereby agree that this PILOT Agreement shall replace and supersede any conflicting provisions of the Stipulation Agreement with respect to the payment in lieu of taxes and calculations related

thereto for calendar year 2025. Except as set forth in this Section with respect to the Lease and the Stipulation Agreement, no other provisions of previous agreements between the parties other than any obligations to make a PILOT payment to the City are modified by this PILOT Agreement.

2. Payment-in-lieu-of-taxes. Each year during the term of this PILOT Agreement, Aurora shall make a payment-in-lieu-of-taxes to the City equal to the amounts stated below, representing an annual increase of 2.5% over the previous year’s payment. Such payments shall be due and payable on the same deadlines established in state and local law for payment of general real estate taxes.

- For the payment applicable to calendar year 2025 and due January 31, 2026, the amount shall be \$461,161.00.
- For the payment applicable to calendar year 2026 and due January 31, 2027, the amount shall be \$472,690.00.
- For the payment applicable to calendar year 2027 and due January 31, 2028, the amount shall be \$484,507.00.

- For the payment applicable to calendar year 2030 and due January 31, 2031, the amount shall be \$521,760.00.

3. Term. This PILOT Agreement shall be in effect only for the dates upon which payments have been identified above.

4. Miscellaneous. This payment is not designated to pay for a covered service as that term is used in Wis. Stat. § 66.0602(2m)(b)3.

RE: West Allis Department of Public Works Facility

Dear Melinda, Jon, and John:

VJS Construction Services, Inc. ("VJS") is in receipt of the letter from Kueny Architects, LLC ("Kueny") dated April 25, 2025, which responds to VJS's February 4, 2025 Notice of Concealed or Unknown Conditions ("Notice"), as well as the City of West Allis' e-mail of May 9, 2025, in which it asked VJS to respond to the City's position that the presence of organic soils was noted in a NR716 Site Investigation Report dated June 13, 2019 from Braun Intertec (the "NR716 Report"). The NR716 Report was not included in the Invitation to Bid but was included in Addendum 3 in response to a question from a bidder about radon.

Kueny's response constitutes a rejection of VJS's Notice, and it appears that the City of West Allis believes that VJS and its subcontractor, CNC Foundations, Inc. ("CNC"), should have known there were organic soils based on the NR716 Report. Therefore, please accept this letter as a Notice of Claim pursuant to Section 15.1.3.1 of the A201-2017 General Conditions. Kueny is designated as the Initial Decision Maker in the parties' contract. VJS asks Kueny as the Initial Decision Maker to determine that the soils constitute a changed condition, entitling VJS to recover its costs identified in COR-57 and to additional time to perform as shown in the Construction Schedule updated on May 14, 2025.

Enclosed herewith are the following documents, which we believe are necessary for Kueny to make its decision:

- 1) GeoTest preliminary geotechnical evaluation dated June 6, 2023
- 2) February 4, 2025 Notice of Concealed or Unknown Conditions
- 3) GeoTest letter dated February 6, 2025

Building 3 & 5 Notice of Claim

Dear Melinda, Jon, and John:

VJS Construction Services, Inc. ("VJS") is in receipt of the rejection statement from Kueny Architects, LLC ("Kueny") on the COR-58 attachment included in the email dated July 8, 2025, which responds to VJS's May 30, 2025 Notice of Concealed or Unknown Conditions ("Notice").

Kueny's response constitutes a rejection of VJS's Notice, and it appears that the City of West Allis believes that VJS and its subcontractor, CNC Foundations, Inc. ("CNC"), should have known the severity and impact of organic soils based on the Braun Report and soil borings provided for Building 1. Therefore, please accept this letter as a Notice of Claim pursuant to Section 15.1.3.1 of the A201-2017 General Conditions. Kueny is designated as the Initial Decision Maker in the parties' contract. VJS asks Kueny as the Initial Decision Maker to determine that the soils constitute a changed condition, entitling VJS to recover its costs identified in COR-58 and to additional time to perform.

Enclosed herewith are the following documents, which we believe are necessary for Kueny to make its decision in addition to the existing contract documents.

- 1) GeoTest Building 5 geotechnical evaluation dated May 16, 2025
- 2) May 30, 2025 Notice of Concealed or Unknown Conditions
- 3) COR-58

Please note that per Section 15.2.1 of the A201-2017, a response from Kueny is due within 30 days.

RE: West Allis Department of Public Works Facility  
Buildings 1 Remaining Area D Notice of Concealed or Unknown Conditions

Dear Melinda, Jon and John,

VJS Construction Services, Inc. (VJS) is in receipt of GeoTest's Geotechnical Engineering Report for Building 1 Remaining Area D locations dated July 18, 2025 (the Report). This letter serves as formal notice regarding concealed or unknown conditions affecting the City of West Allis Public Works project. In accordance with Specification 00 72 00 – AIA A201 General Conditions, Section 3.7.4 (Concealed or Unknown Conditions), Section 15.1.3 (Notice of Claims), Section 15.1.4 (Continuing Contract Performance), and Section 15.1.3 (Claims for Additional Cost), VJS formally submits this notice of such conditions. The application of this notice will be determined based on the pending findings and resolutions of such conditions.

Geotest's Report, consisted of drilling Borings B-23 through B-35, laboratory tests on selected retrieved soil samples, and a description of soil conditions. It is in Geotest's opinion that the soils conditions across the site are similar soil conditions to those at Boring B-10. It is believed that some borings exhibit conditions similar Boring B-10, however, the soils in Boring B-10 are not similar across the entire site.

Below are soil/soil related properties that need to be reviewed:

### **1.0 Organic Soils**

Organic soil was encountered in Borings B-10, B-12, B-15, B-26, B-27, and B-28. The organic soil was encountered at depths between 3 to 8 feet but commonly found at an approximate depth of 3 feet. The organic soil ranged from approximately 2 to 4 feet thick, but the layer was approximately 2 feet thick in most cases. The organic soils typically have higher associated moisture contents ranging from 33.4 to 60 percent. Organic soils are known to be highly compressible under sustained loading conditions and have long-term settlement associated risks due to the decomposition of organic material. These conditions of organic soils, which were not found in the original borings from Geotest's initial preliminary geotechnical report, make these soil conditions vastly different across the site.

Lastly, “organic matter” was listed as encountered in Borings B-24 and B-34. Loss on Ignition (LOI) test appeared to be performed in the lean clay fill for Boring B-24 which indicated an organic content of 8 percent. The organic content should be taken into consideration for design of the project; however, it is believed this impact is minimal due to the layer only being approximately 2 feet thick and consisting of lean clay soil and not of organic soil. Additionally, only trace organics were found in Boring B-34 which does not seem indicative of having a strong presence of organic matter in the existing fill. Boring B-35 indicated an organic content of 2.6 percent, which is relatively low.

## **2.0 N-value and Compressive Strength ( $Q_p$ )**

It should be noted that N-values and compressive strength of the soils from the Geotest latest Geotechnical Consulting Report only recorded the lowest values shown from the borings. N-values can range vastly throughout a single boring. For example, Boring B-27 exhibits a N-value of 1 blow per foot (bpf) at approximately 6-7.5 feet; however, the soil becomes denser at a depth of 8.5 feet with an N-value of 9 bpf. Recording the lowest value does not assess the entirety of the soil boring. Additionally, the lowest average N-value in the original borings (Borings B-1 through B-9) was 6.2 bpf compared to the additional borings (Borings B-10 through B-35) whose lowest average N-value was 3.75 bpf.

Similar to N-values, compressive strength tests also show variation throughout the borings. The consistency of clays appeared to be focused on the compressive strength values obtained from pocket penetrometers. The lowest pocket penetrometer values appear to be similar across the borings; however, it should also be noted that pocket penetrometers are not entirely accurate. The OSHA Technical Manual states that pocket penetrometers have error rates in the range of 20 to 40 percent. For a more accurate representation of clay soil consistency, unconfined compression tests could be performed from retrieved Shelby tube samples.

The original delegated design is justified based on the documents prior to bid. The additional borings (Borings B-10 through B-35) exhibit lower N-values, higher moisture contents, and higher organics (LOI) contents that were not present in the original drilled borings (Borings B-1 through B-9) and therefore should be treated as an unforeseen change in site conditions. In areas of softer soil and organic soils not present in the original borings, these have higher risks for settlement, and we recommend the remedial measures at foundation locations in the area of these borings. See below summary for boring locations where soil strengths/consistencies were lower than the borings used in the original design.

As of the date of this notice, the solution for the concealed or unknown conditions remains undetermined. Work in the affected area of the project had been previously suspended until a resolution is identified. The area of this particular impact is in Building 1 and adjacent site work. We are working with CNC, Prairie Land and other Consultants to identify potential solutions. We ask that the City and Kueny do the same.

Proposed costs to facilitate remediation at Building 1, remaining area D will be provided under separate cover.

We will continue to work with the A/E team and other relevant parties to resolve the situation and mitigate any further delays or impacts on the project schedule.

**COMPLAINT FOR CERTIORARI REVIEW**

Plaintiff, Mills Hotel Wyoming LLC, by its undersigned attorneys, Foley & Lardner LLP, for its Complaint for Certiorari Review against the Defendant, the City of West Allis Board of Review (“Board”), hereby alleges and shows to the Court as follows:

**NATURE OF ACTION AND PARTIES**

1. Pursuant to Wis. Stat. § 801.02(5), Plaintiff brings this complaint for certiorari review of the decision of the Board to deny the Plaintiff a Board of Review hearing to contest its 2024 real property tax assessment.

2. Plaintiff Mills Hotel Wyoming LLC (“Plaintiff”) owns the parcel of real property identified by the City of West Allis (the “City”) as Parcel #414-9992-017, located at 11548 West Theo Trecker (the “Subject Property”).

3. The Defendant City of West Allis Board of Review is an entity created under Wis. Stat. § 70.46.

#### CLAIM FOR RELIEF

4. On February 9, 2024, the City of West Allis Assessor (the “Assessor”) sent a letter to Plaintiff requesting income and expense information from the Subject Property (the “February 9th Letter”). The February 9th Letter stated that the Assessor’s Office was “requesting an annual submission of Income & Expenses Statement to keep values current.” The February 9th Letter enclosed a copy of Wisconsin Department of Revenue Form PR-323, and listed a due date of May 15, 2024. A true and correct copy of the February 9th Letter is attached as **Exhibit A**.

5. The Wisconsin Department of Revenue Form PR-323 (the “Form”) requests certain categories of expense information: utilities, administrative expenses, operating expenses, management, real estate taxes, and replacement reserves. The Form also requests certain income information: Annual Miscellaneous Income, Annual Income From Percentage Rents, Annual Income From Common Area Maintenance, Additional Real Estate Taxes Paid By Tenant, and Other Income Items.

6. On May 9, 2024, six days prior to the deadline listed on the February 9th letter and thirteen days prior to the first meeting of the Board, Plaintiff contacted the Assessor via email to discuss the 2024 assessment of the Subject Property. In this email, Plaintiff included a spreadsheet (the “Spreadsheet”) that contained all relevant requested information on the Form. A true and correct copy of the Spreadsheet is attached as **Exhibit B** and reproduced in relevant part below.

<b>Total Operating Expenses</b>	<b>\$292,481.99</b>	<b>\$292,482</b>	<b>\$0</b>

7. From May 15 to May 16, 2024, Plaintiff and the Assessor communicated via email several times. At no point during those communications did the Assessor request additional income and expense information from Plaintiff.

8. On May 17, 2024, Plaintiff emailed the City Clerk and provided Notice of Intent to Object to the 2024 property tax assessment for the Subject Property. Plaintiff later confirmed with the City Clerk that the Notice of Intent to Object was timely received.

9. On May 22, 2024, Plaintiff filed a written objection to the 2024 assessment of the Subject Property with the City Clerk.

10. Pursuant to Wis. Stat. § 70.47(7)(af), “no person may appear before the board of review, testify to the board by telephone or object to a valuation; if that valuation was made by the assessor or the objection using the income method; unless no later than 7 days before the first meeting of the board of review the person supplies to the assessor all of the information and income and expenses, as specified in the [Wisconsin Property Tax Assessment Manual], that

the assessor requests.”

11. The Wisconsin Property Tax Assessment Manual (“WPAM”) provides that “[t]he income and expense data collected must be sufficient to derive capitalization rates, and accurate estimates of net income needed to effectively apply the income approach.” Wisconsin Property Assessment Manual at 6-11 (2024), available at <https://www.revenue.wi.gov/documents/wpam24.pdf>.

12. The WPAM further gives an example of the information the assessor requires to calculate a property’s net operating income:

<b>Figure 13-4</b>		
<b>Reconstructed Income and Expense Statement</b>		
<b>Potential Gross Income</b>		
20 units x \$525 (economic rent) x 12 months		\$126,000

		\$118,440

		<b>Effective gross income</b>

Replacements (2% EGI)	<u>\$2,465</u>	
<b>Total operating expenses</b>		<u>\$ 25,923</u>
<b>Net income</b>		<b>\$ 97,317</b>

13-24

13. Plaintiff fully complied with the request to provide income and expense information about the Subject Property, as the Spreadsheet contained income and expense data sufficient for the assessor to calculate the Subject Property's net operating income and to effectively apply the income approach.

14. After the issuance of the February 9th Letter, the City assessed the Subject Property at a total value of \$4,819,200 ("the 2024 assessment").

15. The 2024 assessment was excessive and exceeded the fair market value of the Subject Property.

16. On June 13, 2024, The Board issued a Notice of Decision letter to Plaintiff (the "Notice of Decision"). The Notice of Decision stated that "[t]he BOR determined, pursuant to Wis. Stat. Sec. 70.47(7)(af), that you did not comply with the assessor's request to provide 'all of the information about income and expense.'" The Notice of Decision further informed Plaintiff that a valuation hearing would not be scheduled for its objections. A true and correct copy of the Notice of Decision is attached as **Exhibit C**.

17. Plaintiff timely brings this certiorari action within 90 days of receipt of the Notice of Decision pursuant to Wis. Stat. § 70.47(13).<sup>1</sup>

18. The Board of Review's failure to provide Plaintiff a hearing was a manifest error of law.

---

<sup>1</sup> Alternatively, common law certiorari review is also an appropriate mechanism for this Court to review procedural decisions by the Board of Review, including circumstances where the board declined to hear a taxpayer's objection. *See, e.g., Menard, Inc. v. City of Hudson*, Case No. 2020AP2005, 2021 WL 5822934, ¶ 35 (Ct. App. Dec. 7, 2021) (unpublished, but able to be considered by this Court pursuant to Wis. Stat. § 809.23(3)).

19. The Board erroneously applied Wis. Stat. § 70.47(7)(af) to deny Plaintiff a Board of Review hearing based on a failure to provide financial information when Plaintiff in fact provided the relevant income and expense information. The Board's determination was therefore "an error of law."

20. The actual assessable value of the Subject Property as of January 1, 2024 did not exceed \$3,531,800.

21. The excessive assessment of the Subject Property will result in the imposition of excessive taxes in the amount to be determined after the issuance of the 2024 tax bill.

**WHEREFORE**, Plaintiffs respectfully request that this Court enter Judgment in their favor and find that the Board acted contrary to law and remand this matter to the Board for a valuation hearing.

Dated this 10th day of September, 2024.

## Attachment B

### Letter of Agreement Regarding I-94 E-W Traffic Signal Operation and Maintenance Between the Wisconsin Department of Transportation and The City of West Allis

The Wisconsin Department of Transportation (WisDOT), an agency of the State of Wisconsin, and the City of West Allis, a municipal body corporate, enter into this Letter of Agreement (LOA) for purposes of installing and managing adaptive traffic signal technology associated with the reconstruction of the I-94 E-W Project in Milwaukee County.

WisDOT is reconstructing I-94 E-W from 70<sup>th</sup> St to 16<sup>th</sup> St, the STH 175 system interchange, and various underpasses as part of the I-94 E-W Project (the Project) and desires to partner with the City of West Allis (the City) to provide traffic congestion mitigation during construction. As part of that mitigation WisDOT desires to provide funds to the City to improve the operation of Greenfield Ave and National Ave. The improvements include traffic signal equipment replacement, traffic signal communication hardware, and vehicle detection equipment.

WisDOT and the City acknowledge and agree that the improvements to the intersections along Greenfield Ave (STH 59) are critical to managing traffic during the Project construction and that failure to update traffic signal timings and maintain the traffic signal equipment to the terms set forth herein could result in traffic management issues up to and including additional traffic congestion within and around the Project including within the City of West Allis.

Pursuant to the above-referenced common objectives, WisDOT and the City agree to the following:

- The City of West Allis will own, maintain, and operate the traffic signals and intersections listed on Attachment A
- The City of West Allis agrees to complete improvements of the traffic signal and intersection upgrades by February 1, 2026.
- The City of West Allis acknowledges that WisDOT is not obligated to provide funds for additional equipment purchases, operations, or maintenance, during the I-94 E-W Project
- The City of West Allis will perform regular operations, emergency and preventative maintenance on the equipment funded by WisDOT, installed and owned by the City.
- The City of West Allis commits to implementing updated traffic signal timing plans during the many stages and traffic switches of the I-94 E-W Project.
- WisDOT commits to provide the City of West Allis of upcoming I-94 E-W stage changes and traffic switches at least 2 weeks prior to the event.
