Dear Mr. Schaer:

Congratulations! The Wisconsin Department of Transportation (WisDOT) has reviewed your Transportation Alternatives Program (TAP) project, Milwaukee Bike Share, West Allis. You are invited to proceed to the second round of the two-stage application process. **The project ID assigned to your project is SEBP10.** This ID will be necessary to complete the second-round application.

Application materials will be available starting Monday, February 24 on the WisDOT TAP website (<http://www.dot.wisconsin.gov/localgov/aid/tap.htm>). The website will have the application itself as well as instructions for completion. **The second application is due by March 28, 2014.**

Thank you for participating in the WisDOT Transportation Alternatives Program. WisDOT is proud to fund bicycle and pedestrian facilities, Safe Routes to School, and other transportation improvement projects that improve transportation options for non-drivers.

Sincerely,
