I. GIS Support Block

GIS Support Blocks provide a vehicle for accessing GIS support on-demand. Once a GIS Support Block is put in place, GISinc will provide professional services to assist City of West Allis with GIS support. All services provided as part of the GIS Support Blocks will be conducted by the most effective and cost-efficient method, including: virtually through remote network access, telephone conference calls, Internet (WebEx) demonstrations, or on-site consultants.

How do GIS Support Blocks work?

Once the GIS Support Block vehicle is in place, GISinc will provide City of West Allis with a single point-of-contact. GISinc will identify the support tasks and establish a communication plan for coordinating the activities of the task as well as status reporting. We will match the support task with the correct GISinc resource.

If a support task becomes large, GISinc may require using a management team. This function includes people, processes, and technology that are designed to make sure that City of West Allis receives outstanding value. Milestones and completion dates will be established for the Planning and Analysis, Client review, Design, Client review, Development, Testing, and Installation/Implementation phases of a large task or project. There are many tasks and risks that have the potential to derail a project. To manage this effort, larger tasks or projects that we execute are assigned a Project Coordinator or Technical Architect from GISinc.

II. Pricing & Acceptance

Prepaid blocks of hours can be purchased at the prices listed in Table 1 and volume discounts are included at each block level. Support block hours expire after 12 months from the date of signature. GISinc will invoice City of West Allis upon receiving the signed form.

You may indicate your acceptance of the above proposal with a signature from authorized personnel at City of West Allis. Any expenses or travel incurred by GISinc while performing GIS Support Block services to City of West Allis will be billed at actual costs separate from this contract.
