Dear Mayor Bell,

In our ongoing effort to keep you updated on cable changes that affect you and our customers, I am pleased to inform you that on March 13, 2007, Time Warner Cable will be adding **Fox Reality** to Channel 148 on our digital lineup.

Fox Reality is the ultimate destination for unscripted TV, with more of what you love about your reality TV favorites. They carry behind-the-scenes footage, insight into reality's wildest moments from the people who were there, and international favorites never before seen by U.S. audiences. This channel will enhance our customer's viewing experience and continue to add to the enjoyment of Time Warner Cable's Digital Cable!

Content on **Fox Reality** may contain G, PG, PG-13, TV-14, TV-MA and R rated programming. Customers can block this channel by going to Wisconsin on Demand (WIoD) channel 1111, or Answers on Demand channel 1999 and using our Parental Control options.

Customers will be advised of this via billing statement messages as well as the TV Guide Channel, and promotional spots on our cable system. Should you have any questions please feel free to contact me at 414-277-4193.

Sincerely,

Celeste Flynn
Director, Public Affairs
