TO: Rebecca Grill, City Administrator

FROM: Jim Jandovitz, Director of Information Technology

SUBJECT: Request to Renew Maintenance Agreement for BP Logix.

DATE: March 16, 2017

Information Technology is requesting approval of the BP Logix's 2017 software maintenance agreement for the sum of \$16,660. This is a budgeted item. BP Logix is the business process management system the city uses to automate workflows and create online forms. This maintenance agreement provides software upgrades and technical support.

Sincerely,

Jim Jandovitz
Director of Information Technology
City of West Allis
