Re: Request for Extension

Dear Mayor Bell and Council Members:

It is respectfully requested that an extension be granted for a period of an additional thirty days to record the Certified Survey Maps for the purpose of establishing the future City public surface parking and bike trail. A recent change in surveyor companies has necessitated this request in order that full compliance with the Section 12.80 of the Municipal Code. The certified survey map was approved previously at the April 20th, 2004 Common Council meeting

Thank you for your anticipated cooperation and indulgence.

Very truly yours,
