Resolution relative to accepting the proposal of Environmental Systems Institute, Inc. (ESRI) for providing a GIS software upgrade for a total net sum of \$16,322.00.

WHEREAS, The Purchasing/Central Services Division has reported that it has received a proposal for furnishing a GIS software upgrade for the Health, Public Works and GIS Departments of the City of West Allis; and,

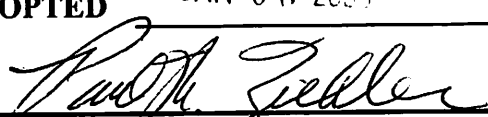

WHEREAS, The Common Council deems it to be in the best interests of the City of West Allis that the proposal of ESRI, Inc. be accepted; and,

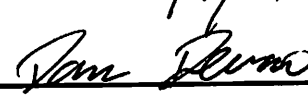

WHEREAS, the GIS Department has determined that this contract is inappropriate for competitive selection because ESRI, Inc. is the only company that sells the specific product and services needed for our GIS platform.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Common Council of the City of West Allis that the proposal dated December 18, 2008 submitted by ESRI, Inc. for one (1) ArcGIS Server Advanced Enterprise for Windows Upgrade for the total net sum of \$16,322.00 be and is hereby accepted.

BE IT FURTHER RESOLVED, that the Purchasing/Central Services Division be and is hereby authorized to enter into a contract for the aforesaid software.

Re: ESRI ArcGIS Server Software Upgrade purchase

This letter is to recommend the sole source purchase of the GIS software purchase from the Environmental Systems Research Institute, Inc. (ESRI). This is the only vendor that sells the specific products and services we need for our GIS platform, and this is a licensing upgrade of our existing GIS which will provide West Allis with increased functionality. ESRI has also discounted this software by our special request, which is not common in the industry. ESRI has been dealing with GIS software for over 39 years and their products and support has been exemplary. You will also find their pricing to be fair and reasonable. I respectfully request your approval of this vendor for this purchase of software and service for the GIS applications. Thank you.
