Good Afternoon Mayor Devine and Michael Koszalka,

I am writing to formally resign from my position as Vice President of the West Allis Public Library Board effective at the conclusion of my term on March 7, 2026.

As I will be moving in April, I will no longer be a resident of West Allis. While this transition is bittersweet, I am incredibly grateful for the opportunity to have served our community in this capacity. It has been a privilege to work alongside such dedicated leadership and staff in support of the library's mission. Thank you both for your commitment to the West Allis community. I am proud of the work we have accomplished together and will always value the experience.

Please let me know if there is anything I can do to assist before my term concludes.

With sincere appreciation,

Jamie Arneson
