To Whom it May Concern,

We, the residents of S 92nd St, would like to implement a 2 hour parking restriction on the 3000 block of E - 92nd Street, between Oklahoma and Manitoba.

There ^{have} been employees ~~at~~ nearby businesses parking on the street for long periods of time, sometimes a full 8 hours. This causes us an inconvenience when we have visitors and there is not adequate parking for them.

Thank you for your consideration.
