TO: Board of Public Works

FROM: Michael Lewis, Director of Public Works/City Engineer

DATE: April 28, 2016

**RE: Communication from Director of Public Works/City Engineer  
regarding Parks Policy.**

We need to continue work on the proposed Parks Policy. The latest proposal is attached. The main question is whether beer/wine will be allowed and what permit fee may be charged. We have looked at what Milwaukee County does and will have that information during Tuesday night's meeting.
