NOTICE OF CLAIM

Date of incident: June 25, 2020 Time of day: 7 PM  
Location: 8627, 8629 W. Arthur Ave. West Allis, WI. 53227

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

I was embarking on an evening walk with my husband, and on the sidewalk in front of our neighbor's house, the toe of my shoe got caught in a divet in the pavement and I fell to the ground. My toe did not release from the divet so I incurred a fracture in my left ankle.

Who is liable for maintaining the sidewalk in front of our homes?

I am currently in the middle of medical treatment, and will be for another 3-5 weeks. I am also on a medical leave from my job.

Aside from my own personal damages, I am concerned that this portion of sidewalk be replaced as soon as possible so that this doesn't happen to any of my other neighbors. This is a very heavily used stretch of sidewalk in our neighborhood and I think it's likely that this accident could happen again.
